The Gay Nineties! Coyote Staff members wanted a new theme, one that would appeal to those looking through the 1940 Coyote as a fresh, different one. So, the Gay Nineties theme came to their minds and was chosen. The fun, frivolity, confidence, and prosperity of that period make it a pleasant time to remember. A gay combination of sweeping-skirted maidens and daringly dressed can-can girls, handle-bar mustaches for dashing young men, checked suits, and debonair manner—that was the spirit of the Nineties! A promise of greater things came with the beginning of the amazing horseless carriages. Gilbert and Sullivan operettas furnished lilting music to match the high spirits of the people. It was such a happy period—the decade just before the turn of the century.

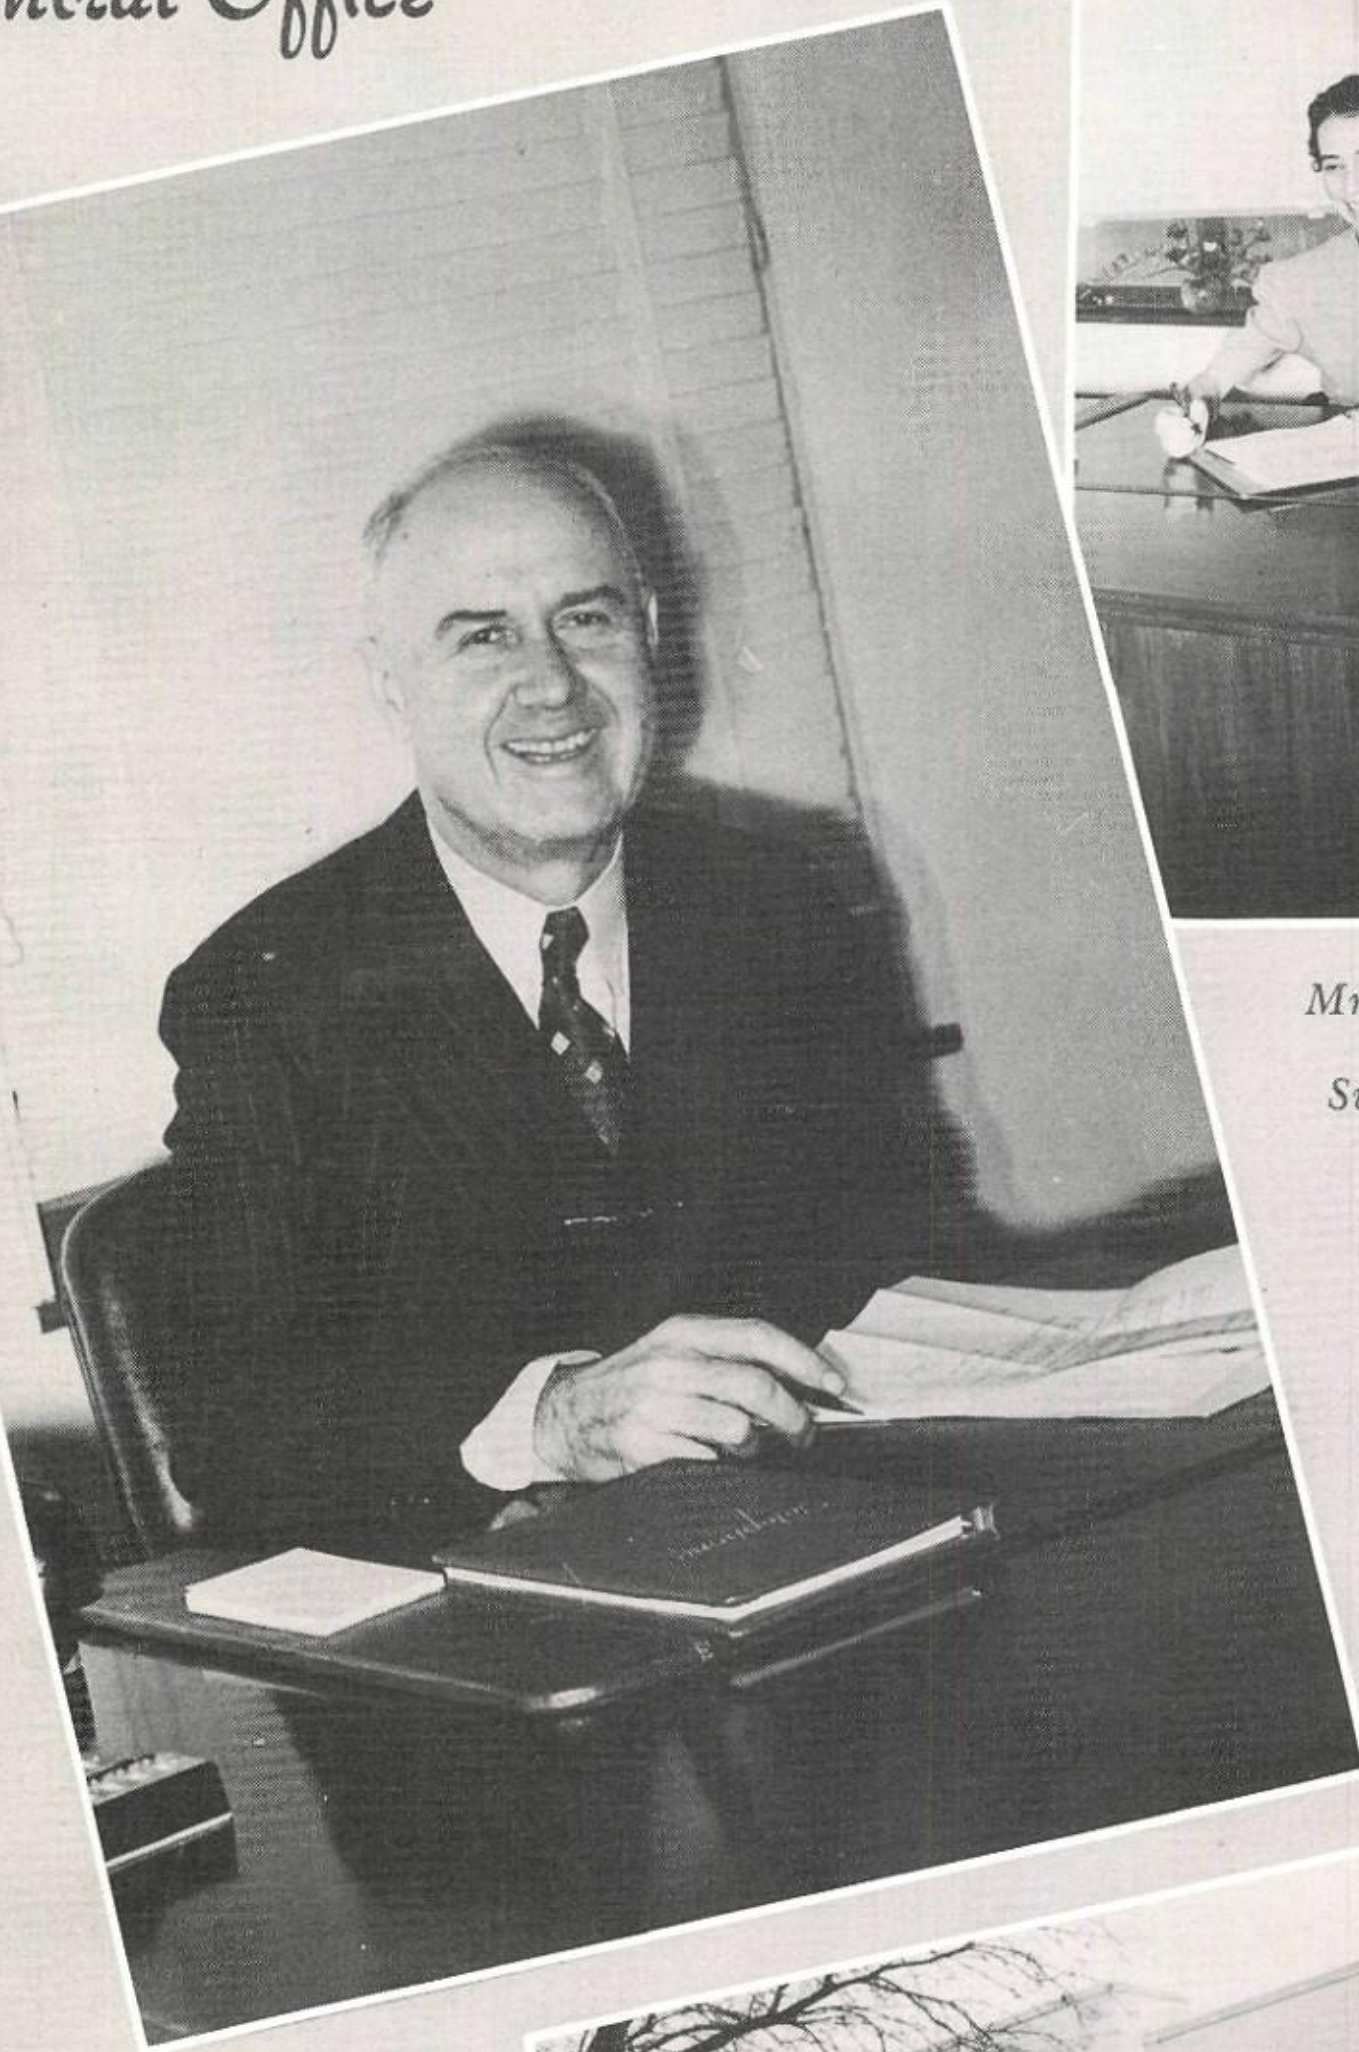

Coyote editors want to leave this annual to you students, with the hope that it will be the key for you to the fun and happiness that you have enjoyed in WFSH. As your Grand-mother's old red plush album is treasured by her, may this book help you to keep fresh memories of your high school days.

English

Four years of English are required for graduation; the freshman year is taken in the junior high schools. Senior students with high averages may, upon recommendation of their English teachers, substitute journalism for the regular English course. The journalism class sponsors the weekly newspaper, *THE COYOTE NEWS*.

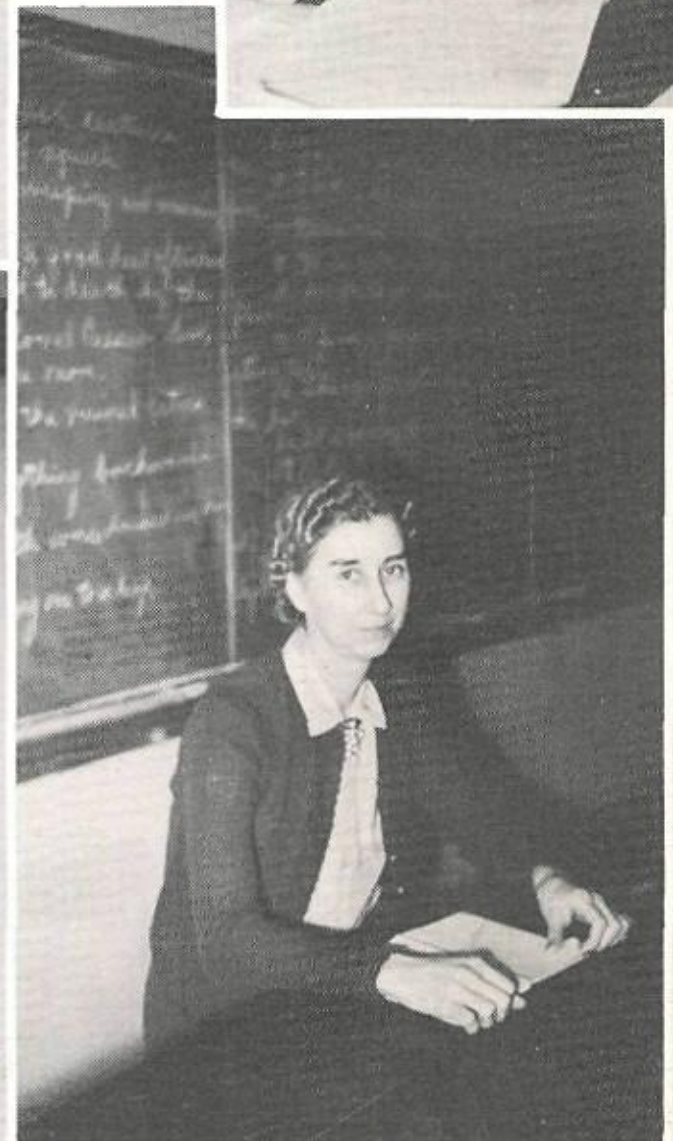

Besides the paper, the English department, in connection with the art department, has charge of the yearbook. The Writers' Club is another organization sponsored by the English faculty.

The Coyote

With enthusiasm over the Gay Nineties theme, the new lithograph method, and prospects of a larger annual, the editors, sponsors, and staff members of the 1940 COYOTE began their work.

Staff members are first chosen because they represent the upper twenty-five per cent of the honor students. They are then passed on by the senior council and are finally submitted to the faculty for approval.

Harry Myers, because of his scholastic record and accomplishments in the junior council, was chosen as the editor-in-chief. Sylvia Jonas was selected as the assistant editor. Besides supervising departmental work, Harry has taken pictures. Sylvia has been responsible for the theme and has aided in departmental write-ups.

Eugene George filled the position of business manager. Much of his time was spent in the cafeteria during lunch periods collecting money for

the COYOTE. Eugene was assisted by two capable juniors, Joe Sweeney and Thurman Frank.

Because of his profound interest in sports, Virgil Pettigrew was chosen as the sports editor. Virgil, with the assistance of other staff members, planned the entire sports section.

Margaret Berry, last year junior representative and assistant to the organization editor on the staff, was justly fitted for the responsible position of organization editor. This office is one of long, tedious work and is chiefly concerned with accurate checking of all angles of the yearbook.

Dorothy Holland, who has been a staff member for two years, was assistant to the feature editor last year and rightfully assumed that place at the beginning of this year's work. A football feature page, a page of students who traveled on specials to

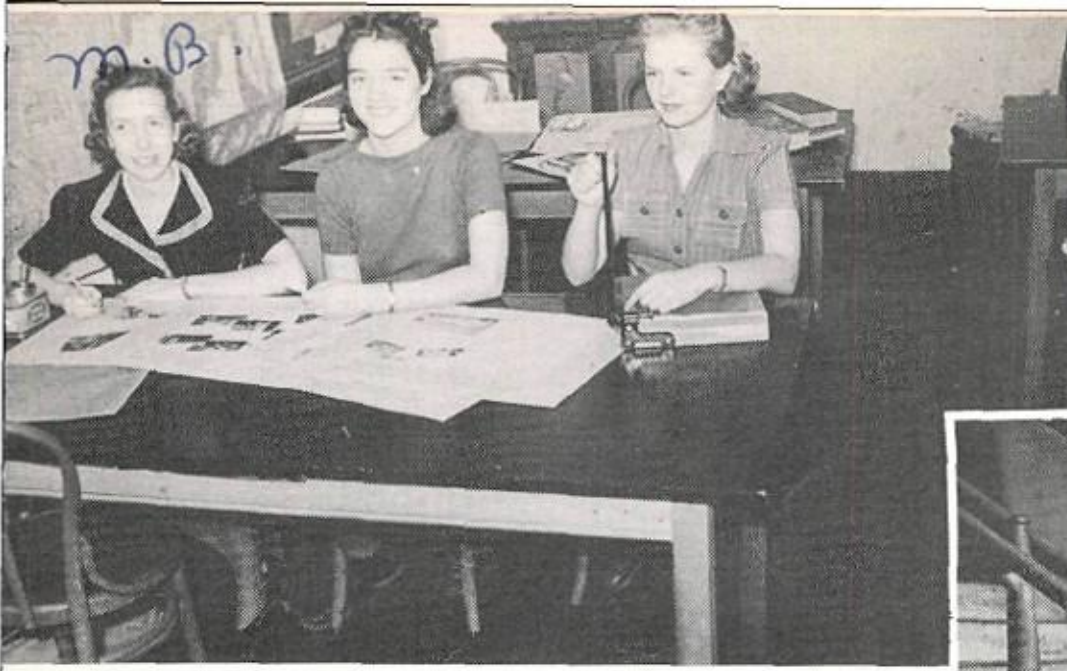

support the football team, and a dance page lend variety to the usual type feature page.

The unique favorite section was the accomplishment of Dorothy Apple, favorite editor. This section helps carry out further the Gay Nineties theme with the use of dainty lace around the pictures.

Because of the limited space in the building, there were not many clubs organized this year. However, Kay Jasper worked to get a successful club section organized.

Staff Art work and the original drawings are the results of hours of work spent by Love Howard, art editor, with her assistants, Maxine Fuson and Billie Leona Harris. The editor and her assistants were chosen by Miss Lois McGaughy, art instructor. Maxine planned the football section, and Billie Leona assisted with the layouts and pasting.

There were many other staff members who helped in the making of this 1940 COYOTE and who did odd jobs from pasting layouts to counting money. Elrhea Wigley, Betty Sue Tennyson, and Maxine Wade assisted Eugene George and Mr. Freeman in the managing of the business. Frances Griggs, Frank Wiley, and Bereniece Bell were office workers who helped a great deal toward the progression of the book.

Other students who helped with the art work were Jeanne Cygon, Helyn Davis, Bob Hilburn, and Marie Huper. They pasted layouts and drew some of the pictures for the division pages.

Each class had a representative to help each section. Jimmy White was the sophomore representative, and Betty Sue Tennyson was the junior representative. Bob Hilburn was a member "ex officio" because he was the senior president.

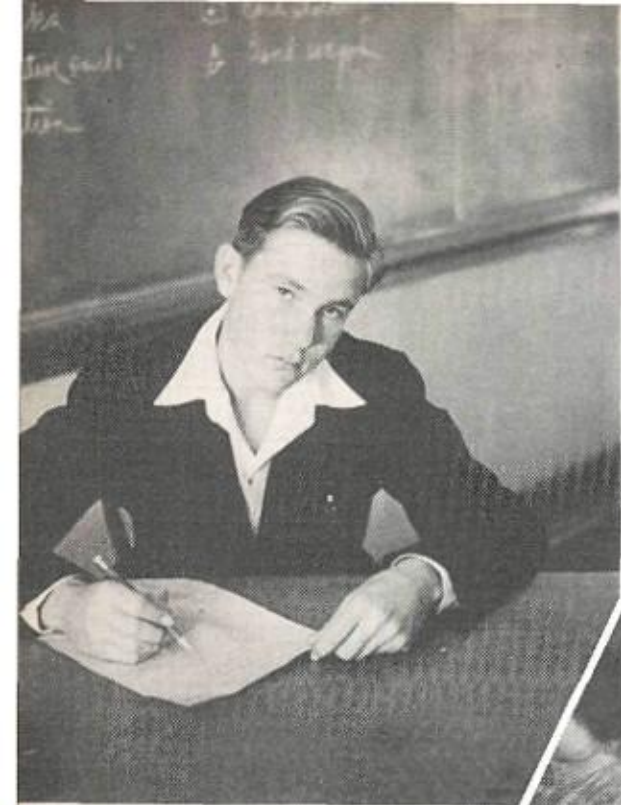

Credit should certainly go to the typists for their willingness and patience. This group includes Uldene Kilgore, Dixie Lynn Stanfield, Vonacele Ritchie, Mary Nell Riley, Laura Jean Murph, Gwinn Wilcox, and Dorothy Holland.

The photographer, Eugene Yeakley, has always been there when a picture was to be taken.

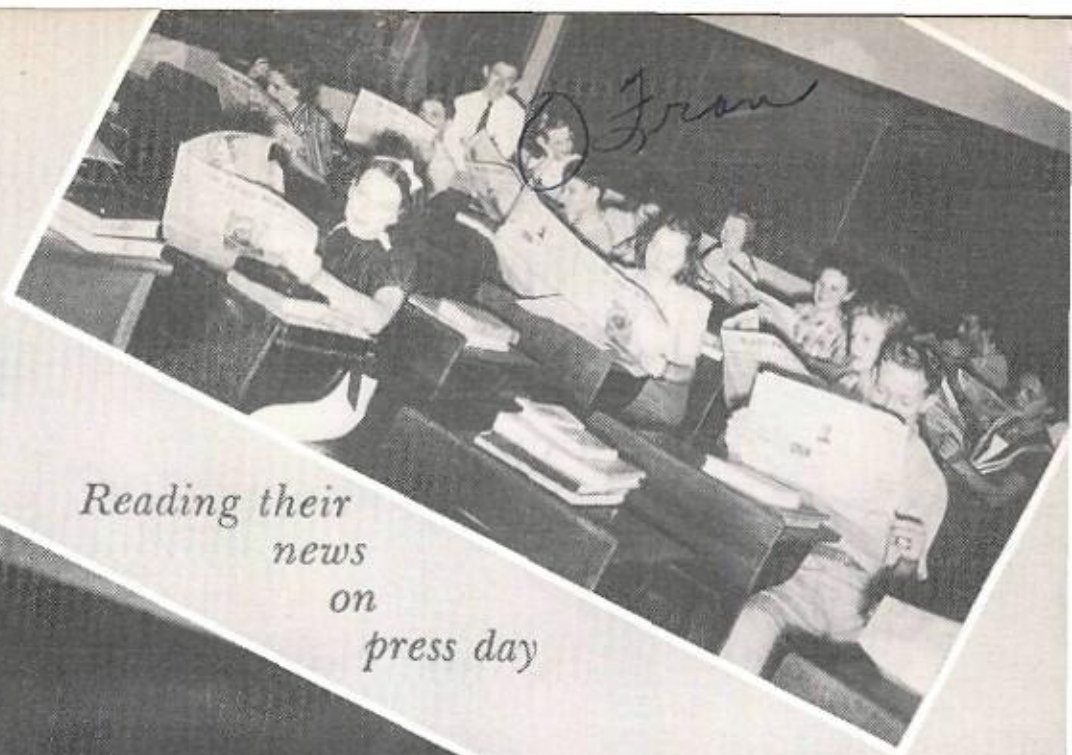

Without the help of the sponsors, the book could not have been completed. Miss Ida Jane Collins, "Coyote" Sponsor, supervised the work on the book. Miss McGaughy helped the students plan the layouts, and Mr. Orren T. Freeman had charge of the financial situation. The sponsors could not have realized the 1940 COYOTE without the cooperation of the entire organization.

*Biology students
during laboratory work*

Sciences

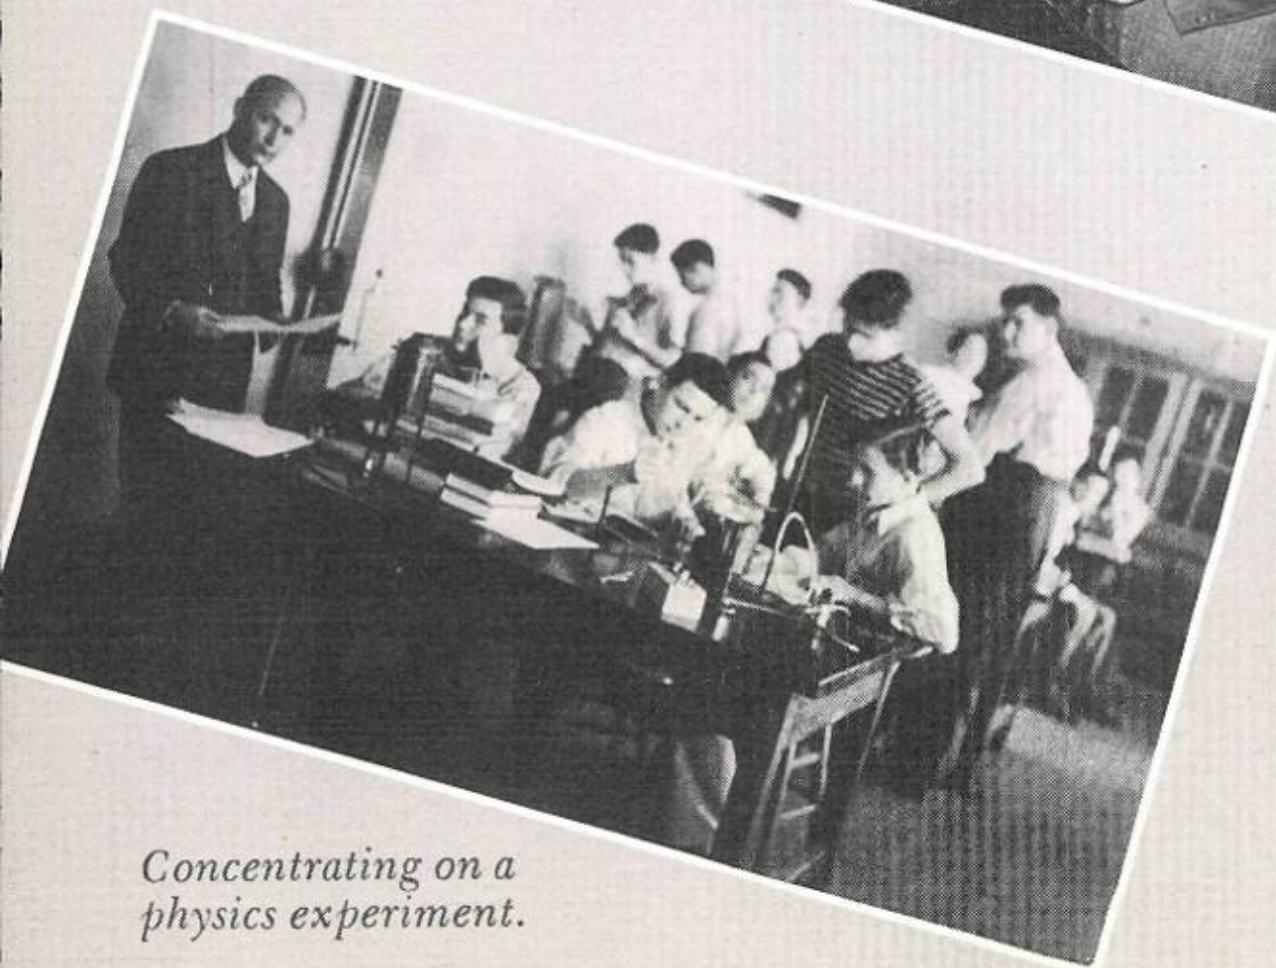

The prospective chemist will delight in the equipment and compounds found in the physics and chemistry laboratories. With teachers well trained for their work of guiding the students in their study and experiments, WFSH can justly be proud of these departments. Chemistry is open to juniors and seniors, while physics can be taken by the seniors only.

Manual Training

In the manual training shop

"Where work is a pleasure" might be applied to this huge workshop where every boy may follow his own aptitude. Visitors to this department will find students busily at work, drawing, upholstering, and finishing. Woodworking machines are available to more advanced students.

Not only are boys taught here to use their hands, but they are given instruction on how to become more useful and creditable citizens. Students who have been outstanding in the work of this department this year are: David Williams, Dudley Williams, Dale Shook, Wesley Wigington, Troy Mullinnix, and Kenneth Martin.

IN MEMORIAM
A. W. Hornung
M.S.

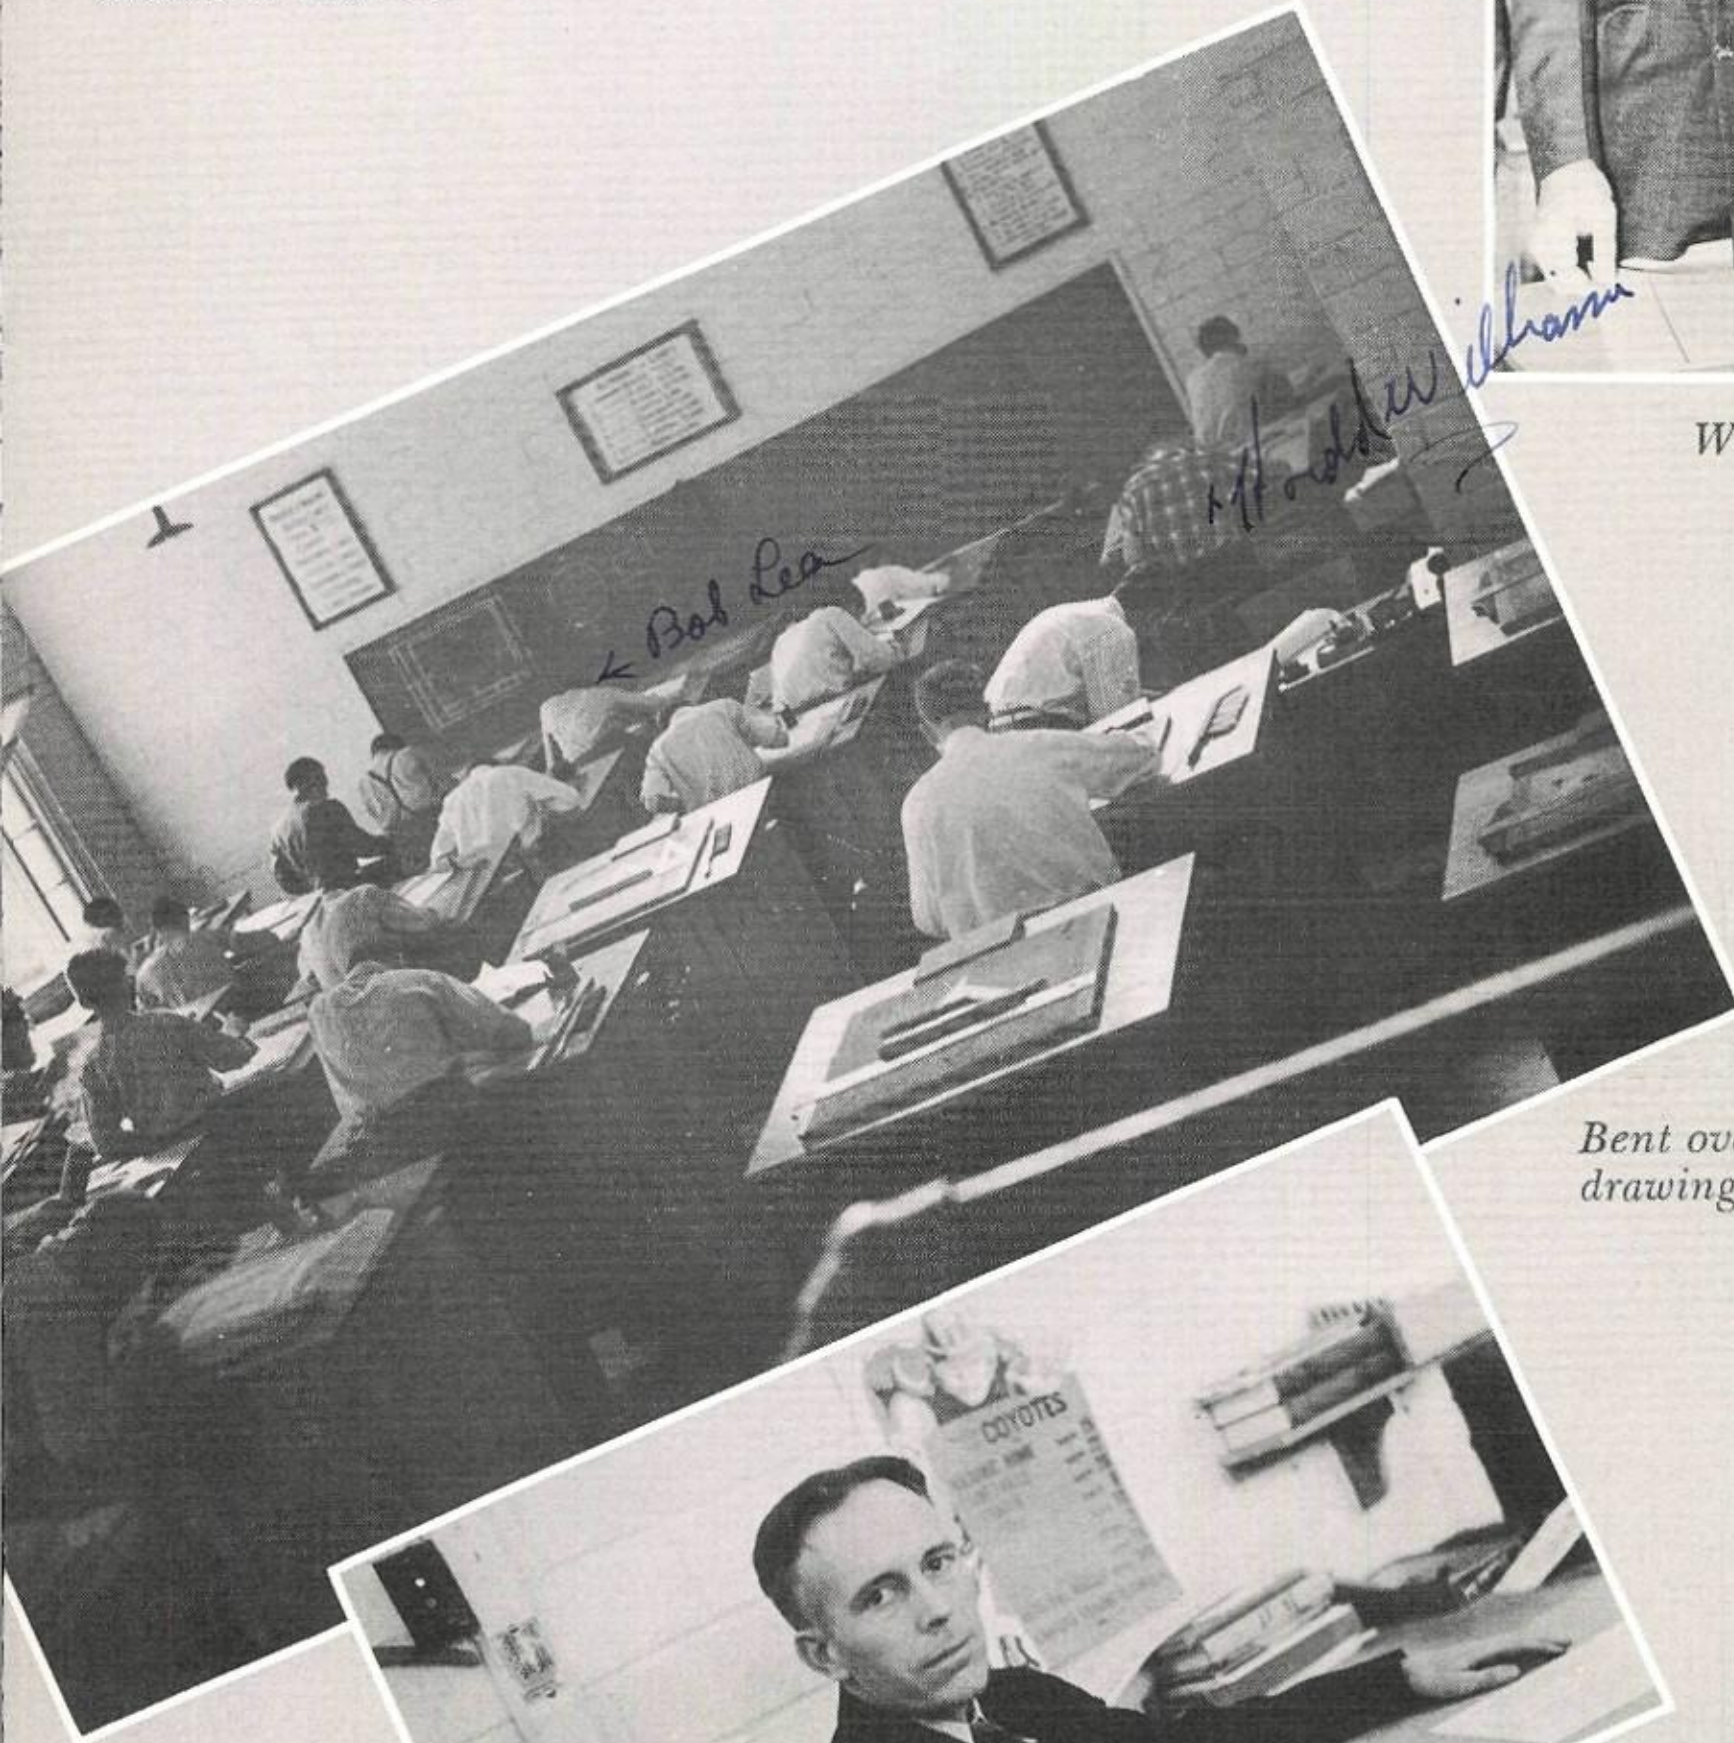

A teacher beloved of his students for his earnest desire to make of those who came under his influence, not only skilled workmen, but worthwhile citizens in the community as well.

Mechanical Drawing

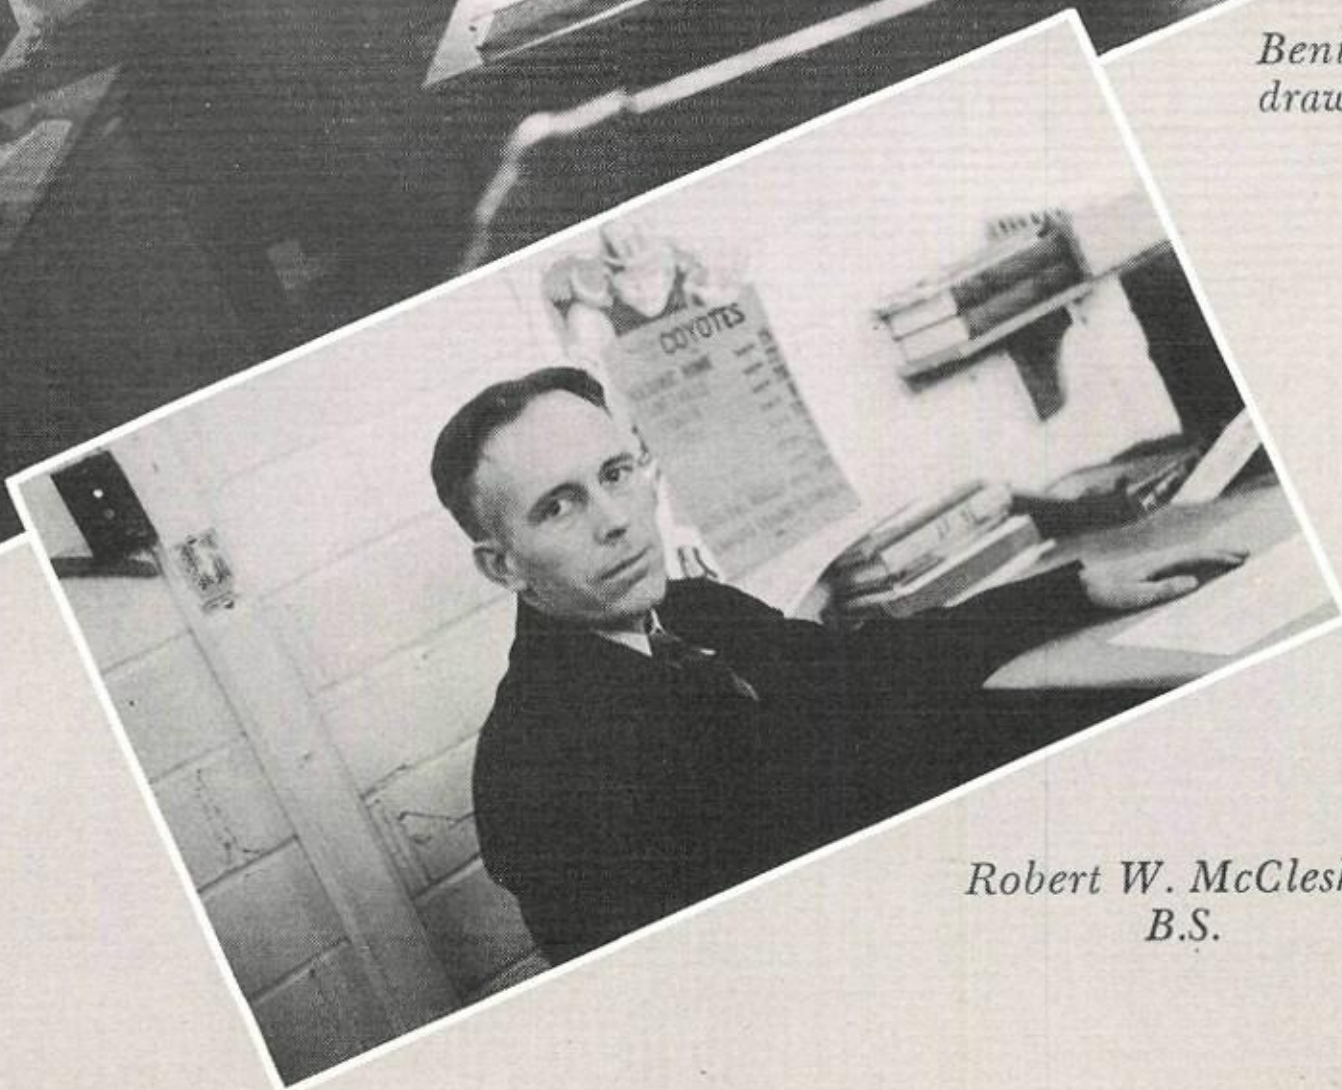

There is no finer place for boys who are preparing for engineering vocations than that found in our own building. Under the fine leadership of these two instructors, a boy begins with the simplest of drawings and works through the courses until he becomes efficient in pictorial, perspective, and freehand drawing. These courses are very popular, and with the excellent equipment of which this department boasts the future of these students should be assured.

W. W. Gibson
B.S.

Bent over their
drawing boards

Robert W. McCleskey
B.S.

Speech

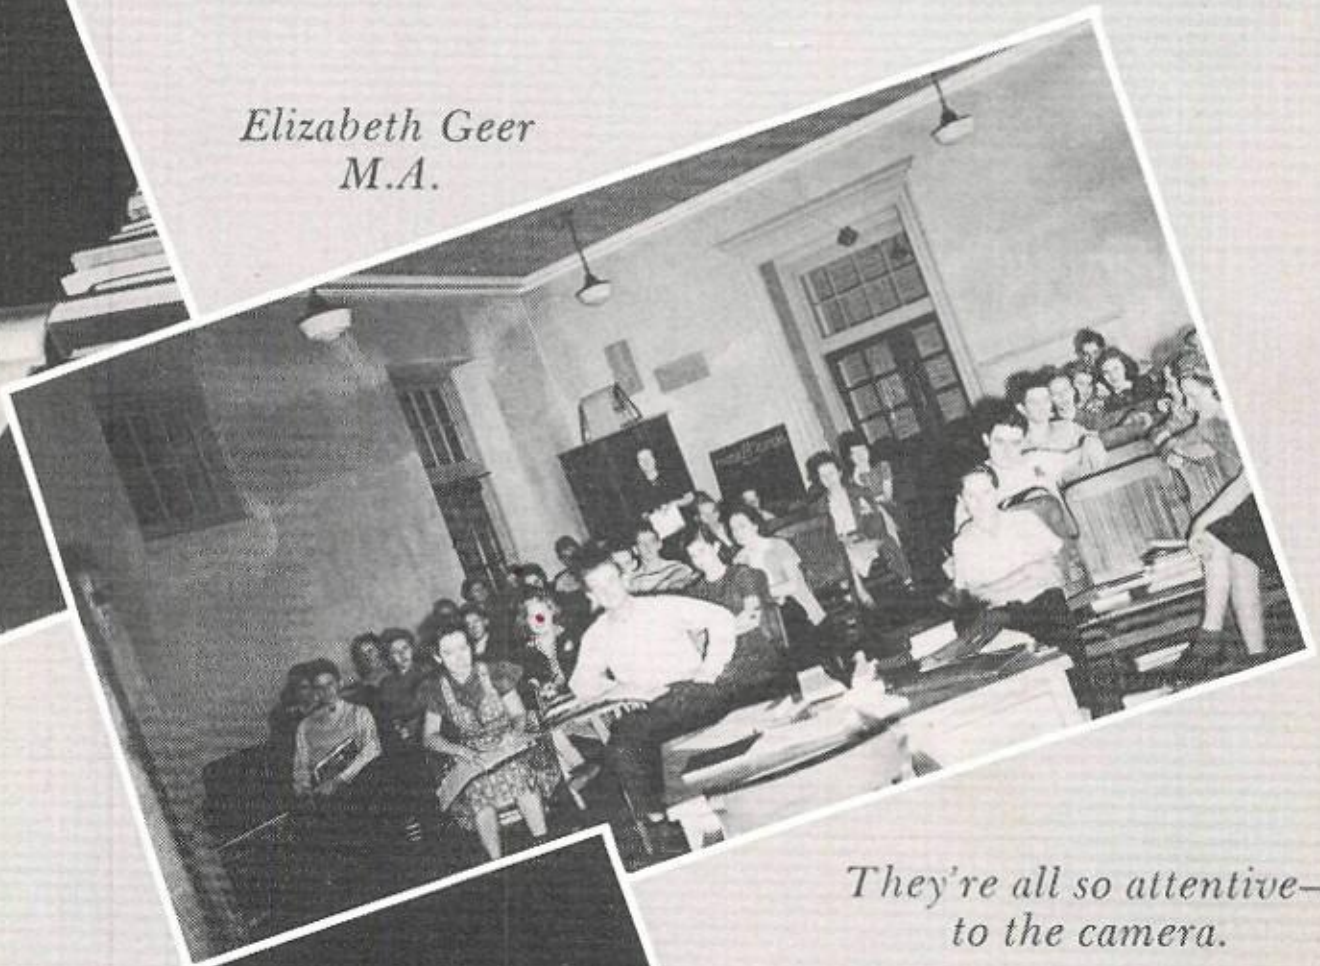

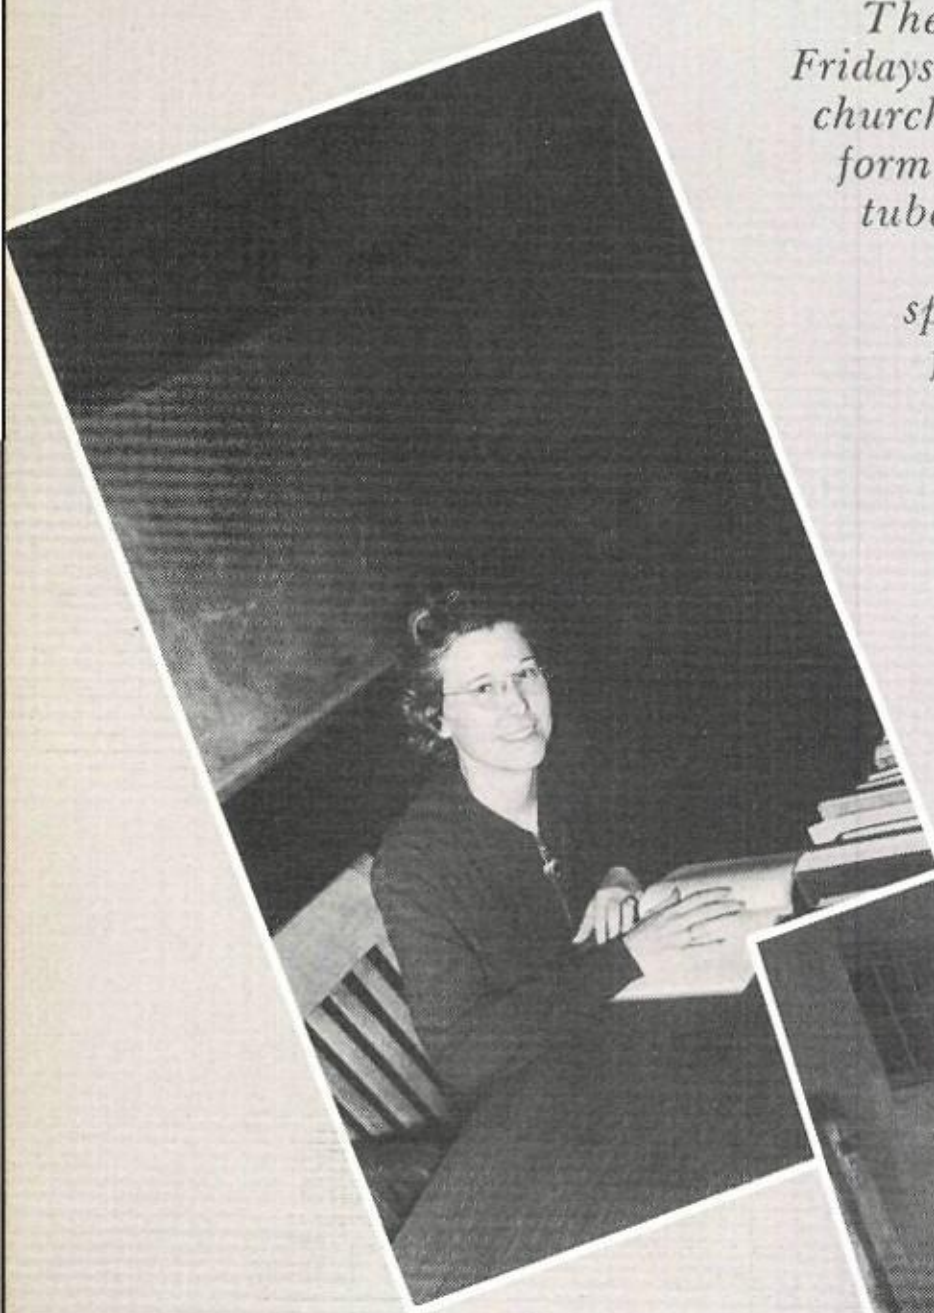

WFSH feels honored this year in having Miss Elizabeth Geer as head of its speech department. Not only has she had regular classes in all phases of speech, but she has aided Mr. Tennyson with his debate group. She has acted as sponsor and official coach on the debate trips out of town.

The department has charge of the assemblies on Tuesdays and Fridays. In addition, groups of these students help the various churches and local organizations when they need assistance. Platform speakers have aided in the drives for the Red Cross and tuberculosis seals.

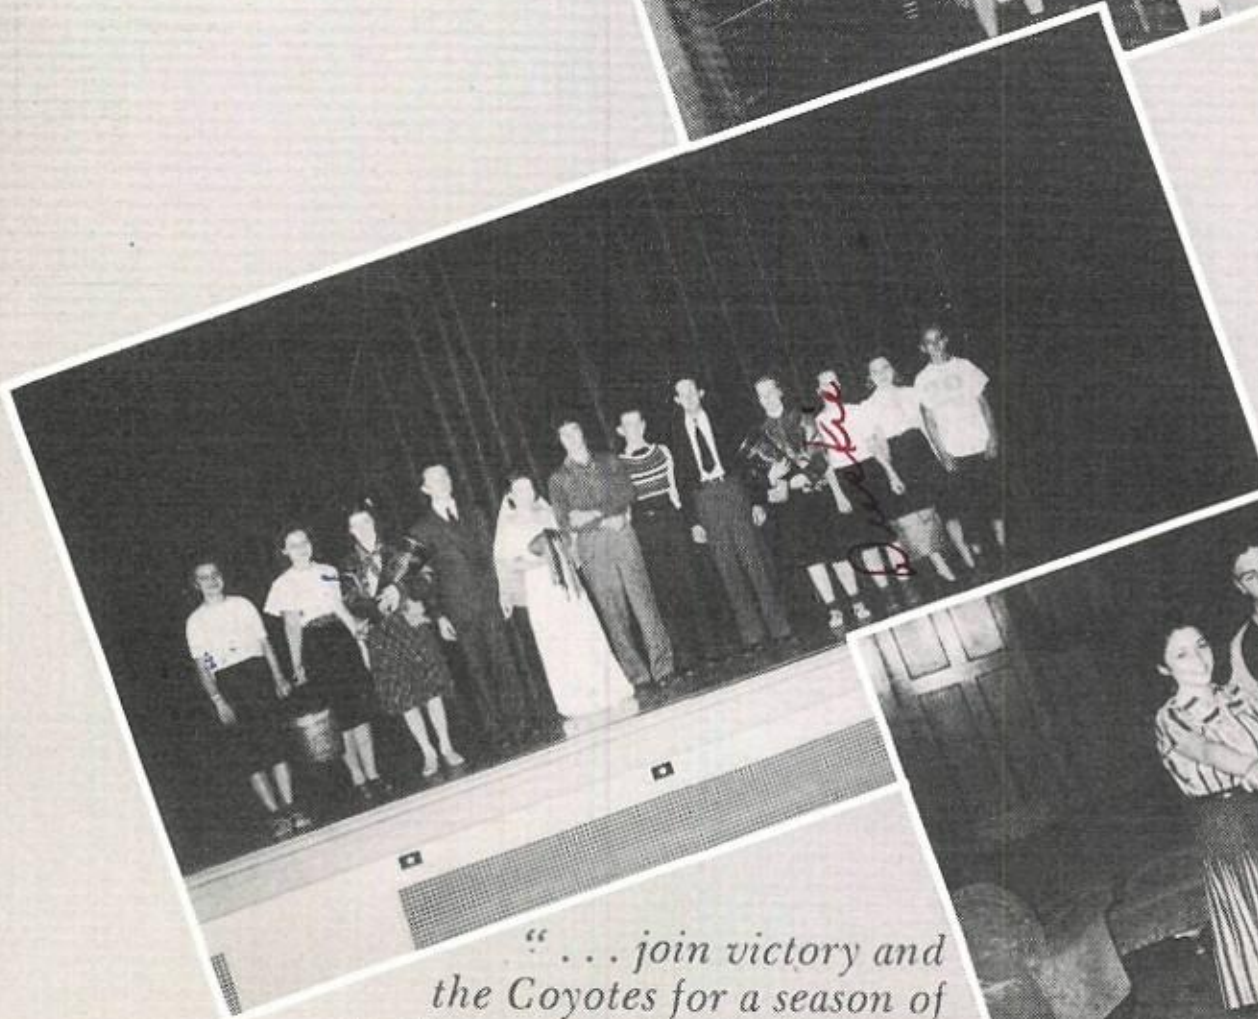

Amateur Guild is another organization belonging to the speech department. Members have given several outside performances and are a live bunch.

The Footlight Players have staged several plays. "New Fires" was very popular, and it received the support of the entire student body.

Elizabeth Geer
M.A.

They're all so attentive—
to the camera.

"... join victory and
the Coyotes for a season of
thrilling games for WFSH."

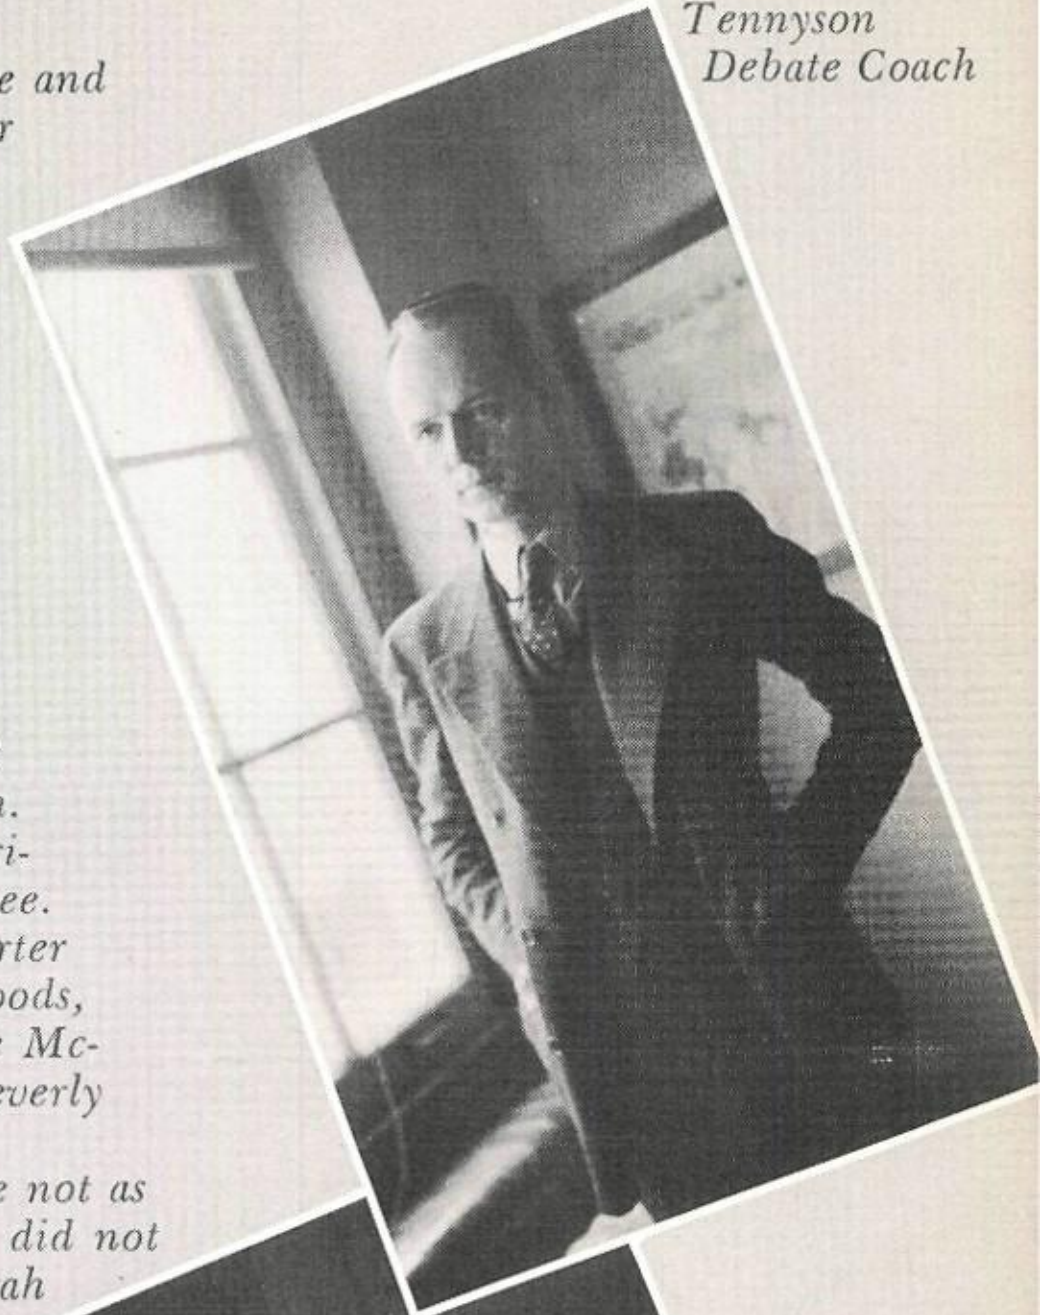

Debate

Charles
Tennyson
Debate Coach

The debate organization is one of the most active and representative in WFSH. Neither distance nor weather has daunted the efforts or spirits of these young debaters. The tournaments they attended include: Denison (twice), Austin, Waco, Sunset (Dallas), Denton, North Dallas, Corsicana, and Abilene. The trip to Lubbock ended in Dickens and Paducah—snowbound.

The local chapter of the Nation Forensic League has been active throughout the year. It has helped in placing Texas at the top of all the districts in the U. S. The chapter officers are: President, J. W. Woods; Vice-President, Jane Hamilton; Secretary, Betty Jo Jones; and Treasurer, Alma Jean Keith. Five members of the WFSH chapter hold the highest degree accorded a debater—the Degree of Distinction. Alma Jean Keith, Betty Jo Jones, Margaret Hall, Patricia Carson, and J. W. Woods have attained this degree. Other members of the chapter which received its Charter No. 793 in 1937, are: Helen Sepkowitz, Jean Woods, Price Lowry, Jane Hamilton, Lelia Bulkeley, Bettie McSpadden, Dub Hamilton, Jackson Basham, and Beverly Bennet.

There are several members of the class who have not as yet attained a place in the League. Many of them did not enter until mid-term. These are: Betty Jane Gray, Sarah Ruth Morgan, Pat Lambert, Betty Jo Humphries, Marilyn Stephens, Arah Mae Hetch, Jacqueline Cantrell, Jack Jeffus, Jacqueline Max, and Dorothy Fritzmyer.

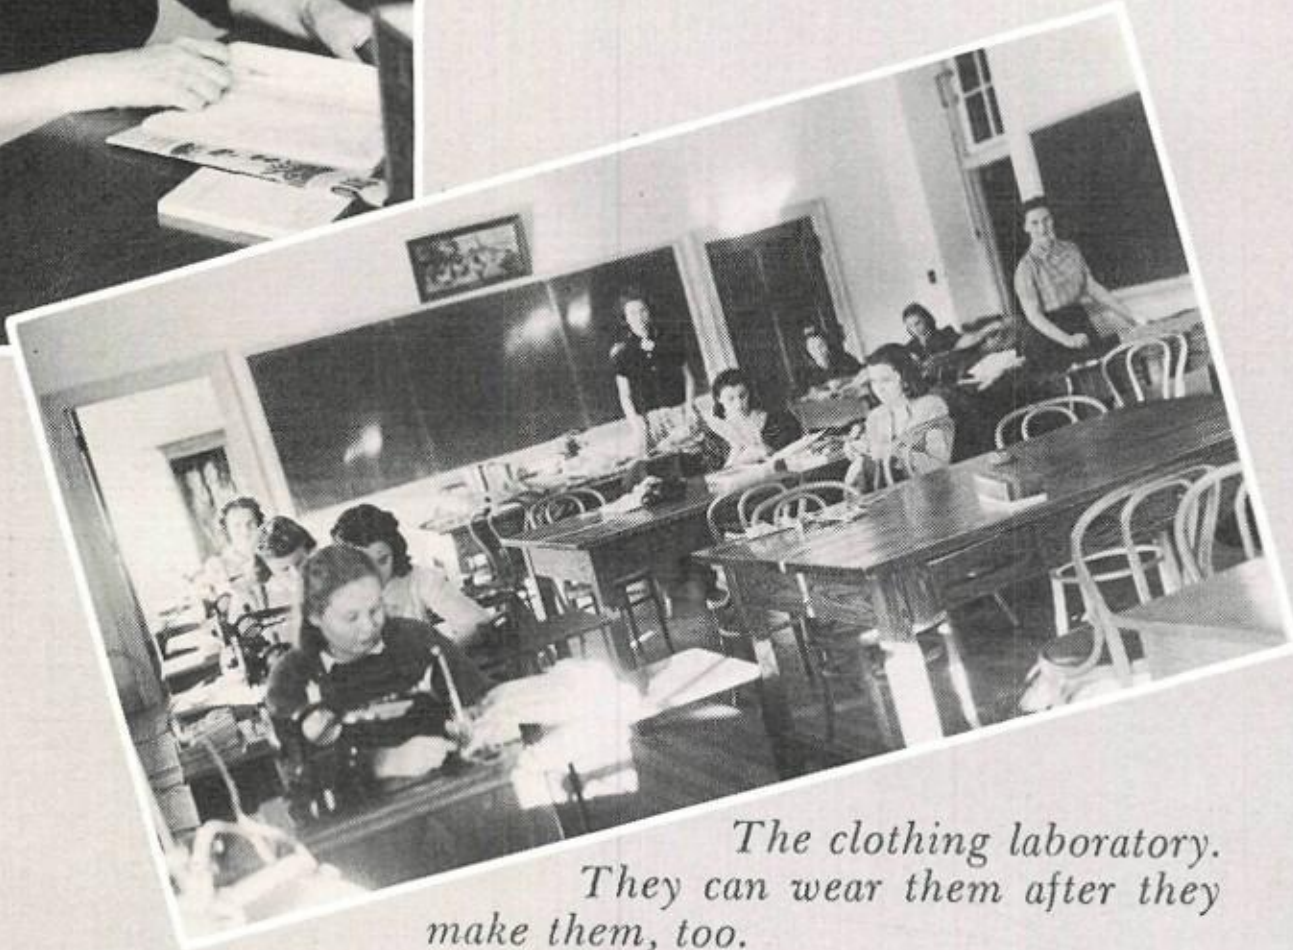

This class of young debaters should be our speakers of tomorrow. Their enthusiasm bespeaks a promising future.

Homemaking

Homemaking education contributes to the adjustment of the individual in a changing social order by providing problems dealing with the relation of each member of the family to his own group and to the members of the community as well.

This department has two expert teachers, well-trained in the art of assisting young girls in the business of homemaking.

*Sadie Frazer
B.S.*

*The clothing laboratory.
They can wear them after they
make them, too.*

*Young
Domestics*

For the girls who expect to make efficient housewives, there is no finer place to get training than that afforded the girls of WFSH. Under the capable guidance of Miss Tomlinson, the study of foods and the preparation of appetizing meals should appeal to all who desire such training.

*Lela Tomlinson

*Lois McGaughy
M.A.*

For the first time in WFSH, a three-year art course is being offered under the direction of Miss Lois McGaughy and Miss Joyce Samuels.

The art department has two well-equipped laboratories. Work done by this department includes not only all phases of elementary art work; but metal work, painting, life drawing, and block printing, as well as general appreciation courses in industrial design, painting, and architecture are offered.

Practically every department in school calls on this department for posters, block prints, or lettering.

and instructor*

The Coyote band, under the enthusiastic direction of Tom McCarty, has been active during the whole year in making the kind of music the students like. Music at football games, school programs, and the spring concert show that the boys can work hard on classical as well as popular music.

Lois Ruth Mitchell
B.M.

Music

A cappella singers

The music in WFSH has been under the direction of Miss Lois Ruth Mitchell for the first time. This department has participated in a number of local as well as State programs. They have sung for the local Kiwanis organization, the Rotary Club, and the Musicians Club.

During the State meeting of Women's Clubs in Wichita Falls, the A cappella group and the orchestra furnished entertainment.

An out-of-town pilgrimage was that to Fort Worth, where the music department sang for the district meeting of Federated Music Clubs.

Snider Library

There is no busier place in WFSH than the Snider Library. History reports, outside reading reports for English, and term themes—all take shape here. Under the guidance of such efficient librarians and helpers, this workshop is a humming center for all literary activities.

The school is greatly in debt to Mr. and Mrs. C. W. Snider for making this library such a pleasant place for reading and doing research work of all kinds.

The library is especially fortunate in having such an unusually large collection of Texas books. Many of these have been donated by the owners themselves, while many are the gifts of friends.

Study Halls

Three study halls—220, 240, and 222, besides the library—house most students in high school at least once a day. Alternating so that students in each study hall have at least one day in the library, those regularly assigned to library study hall go to three different rooms for study during a week. At least study hall students can't complain of being bored by the same "four walls" day after day.

Mrs. Ruth Doty Harris
M.A.

Mrs. John Wilkes has charge of the gym study hall in 222. She has probably the hardest job of all keeping her roll checking straight and maintaining order in the large room of which she has charge. Mrs. Ruth Doty Harris also has a rather unwieldy room to supervise. Other teachers during their off periods oversee study hall 240.

CLASS OFFICERS AND COUNCIL

No meeting place, no meeting time—just an enthusiastic class of about 658 juniors. So they met in the hall, elected officers, found two eager sponsors; and now everybody knows that juniors have what it takes when action is needed.

The hall's
their home.

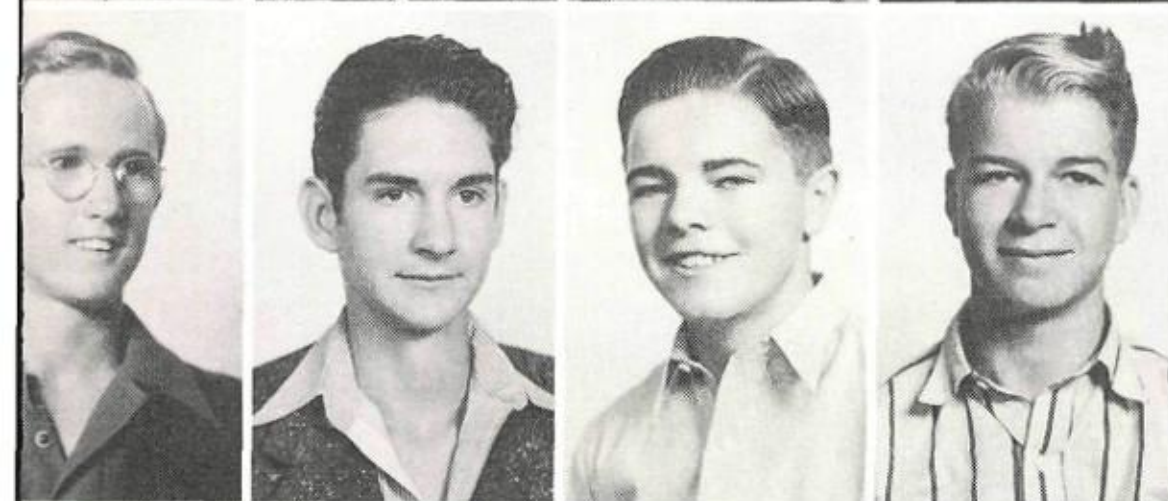

What are they dis-
cussing?

Everybody's
happy.

Corridor Assistants

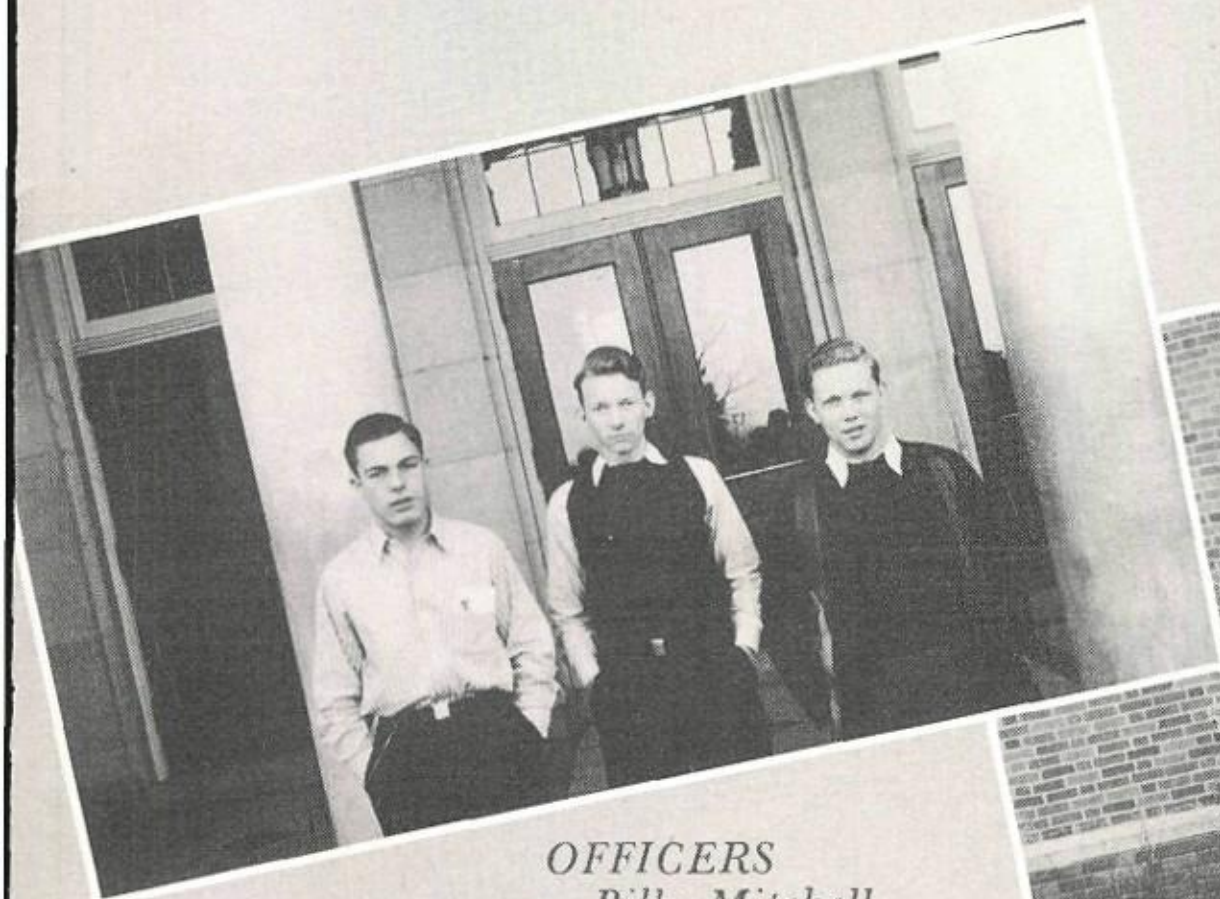

"I just can't understand it; your order of handling such a large group of students in your building is marvelous," a recent visitor to WFSH remarked.

The efficiency of the corridor force, under the expert guidance of Dudley Gordon, is responsible for the limited amount of noise in the corridors and the quietness of the passing periods. This group of assistants is courteous, well-mannered, and skilled in the handling of such large groups.

Hi-Y

The Hi-Y organization is composed of our finest boys. F. M. Lisle is the capable leader and sponsor of this group. The most outstanding accomplishment of the year was being hosts to the Older Boys' Hi-Y Conference. The local boys were organized into groups, and, with the able assistance of the business men of Wichita Falls, the large delegation was handled in a creditable manner.

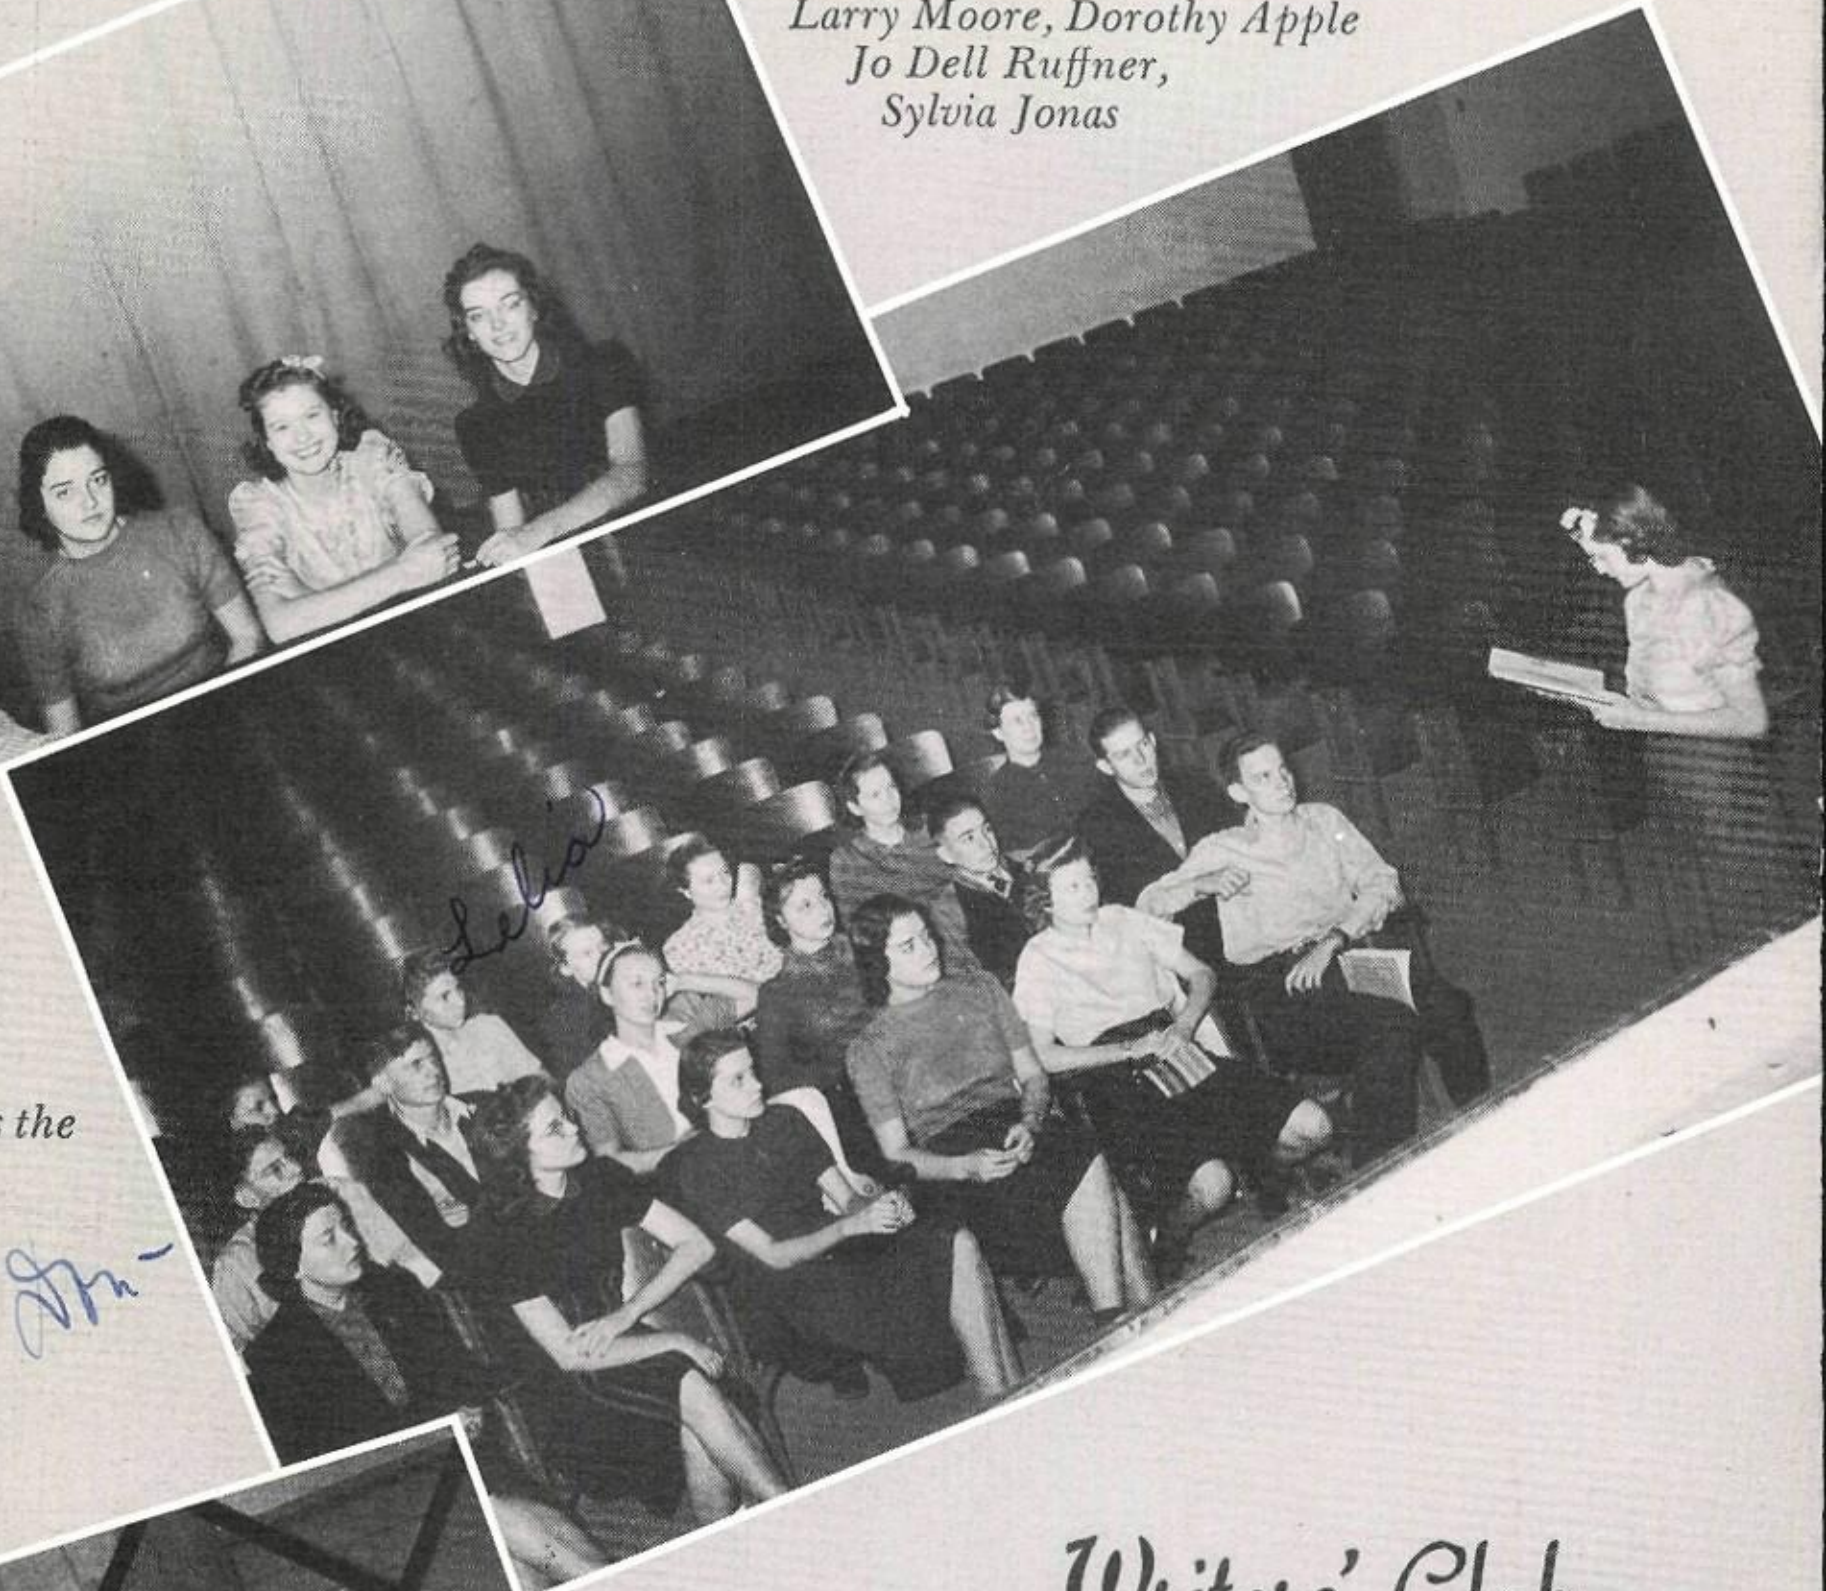

"To create and maintain in the school and the community high standards of Christian living," the worthy motto of this organization, is well-carried out in the lives of its members.

Left to right are:
secretary, president, historian,
vice-president—

club

John

Writers' Club

Since 1937 the Writers' Club has met regularly twice each six weeks at WFSH. Organized for the primary object of entering the Interscholastic League essay contests, the club has devoted time to poetry and short stories as well.

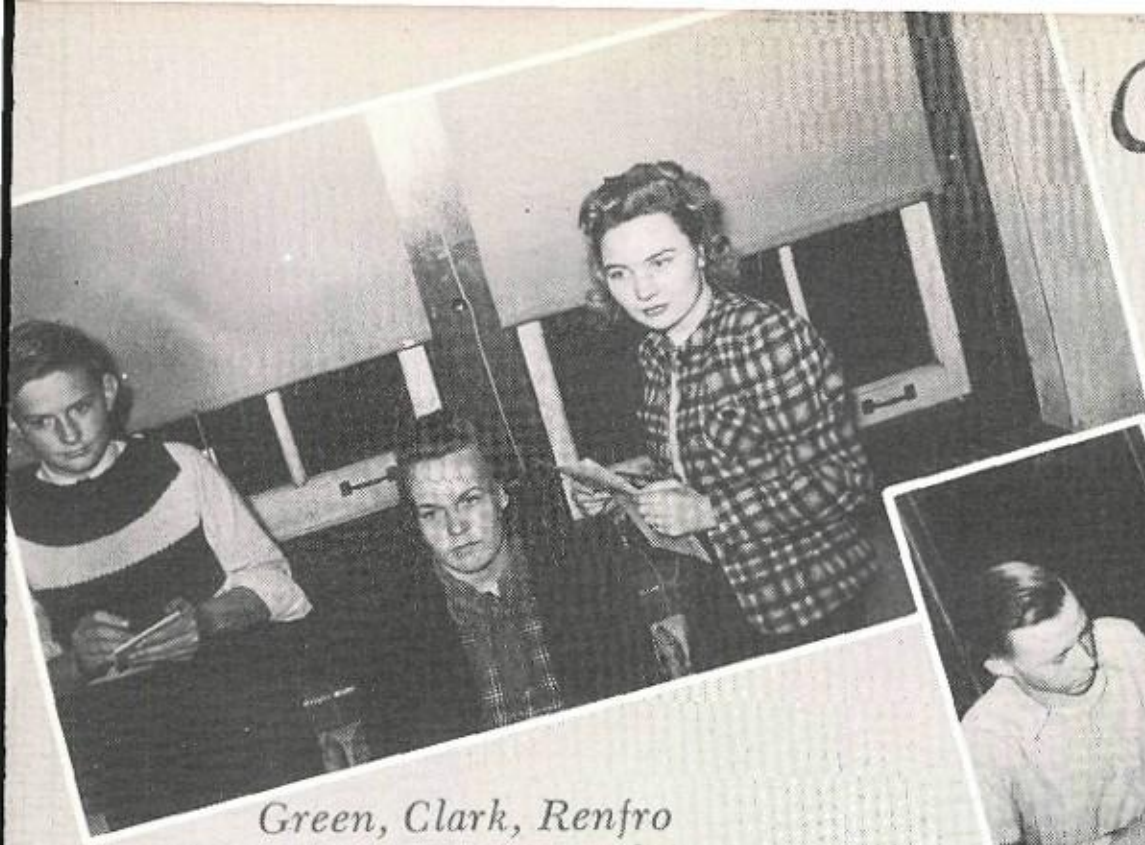

This year the 26 members elected Dorothy Apple president, Sylvia Jonas vice-president, Larry Moore secretary, and Jo Dell Ruffner historian. Miss Belle Tibbets sponsors the club.

Two

Girls' Reserves

The Girl Reserves still maintain the distinction of being the largest organization of its kind in Texas. Its chief function is that of service to others by doing various kinds of charity work when any need occurs. To the loyal sponsor, Miss Kathleen Melat, the organization owes much of its success. The untiring efforts of the group of officers have meant much to the entire club. They have been on duty in the office, in the halls, and have assisted the teachers at the beginning of each semester.

Providing baskets for the needy at Thanksgiving and at Christmas time has been a part of the schedule of the Girl Reserves, and they have contributed substantially to all charitable causes.

In an effort to promote good fellowship among its members, the organization has sponsored various kinds of entertainments. The cabinet of thirty-six dependable girls has aided in this entertainment.

As a parting contribution, the girls have presented each year a gift selected by the group.

THE PACK

*At work . . . at rest . . . at play . . .
Henry and Joe the night they were
elected co-captains for 1939. . .*

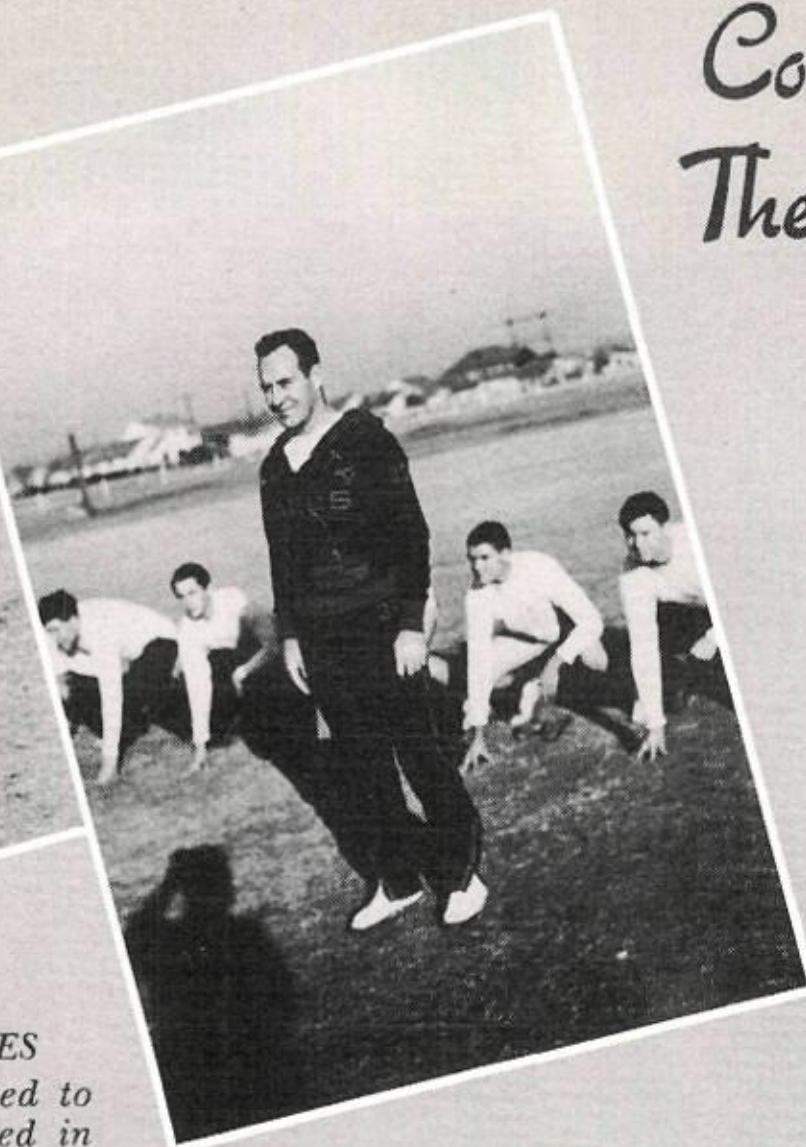

Coaches of The Coyotes

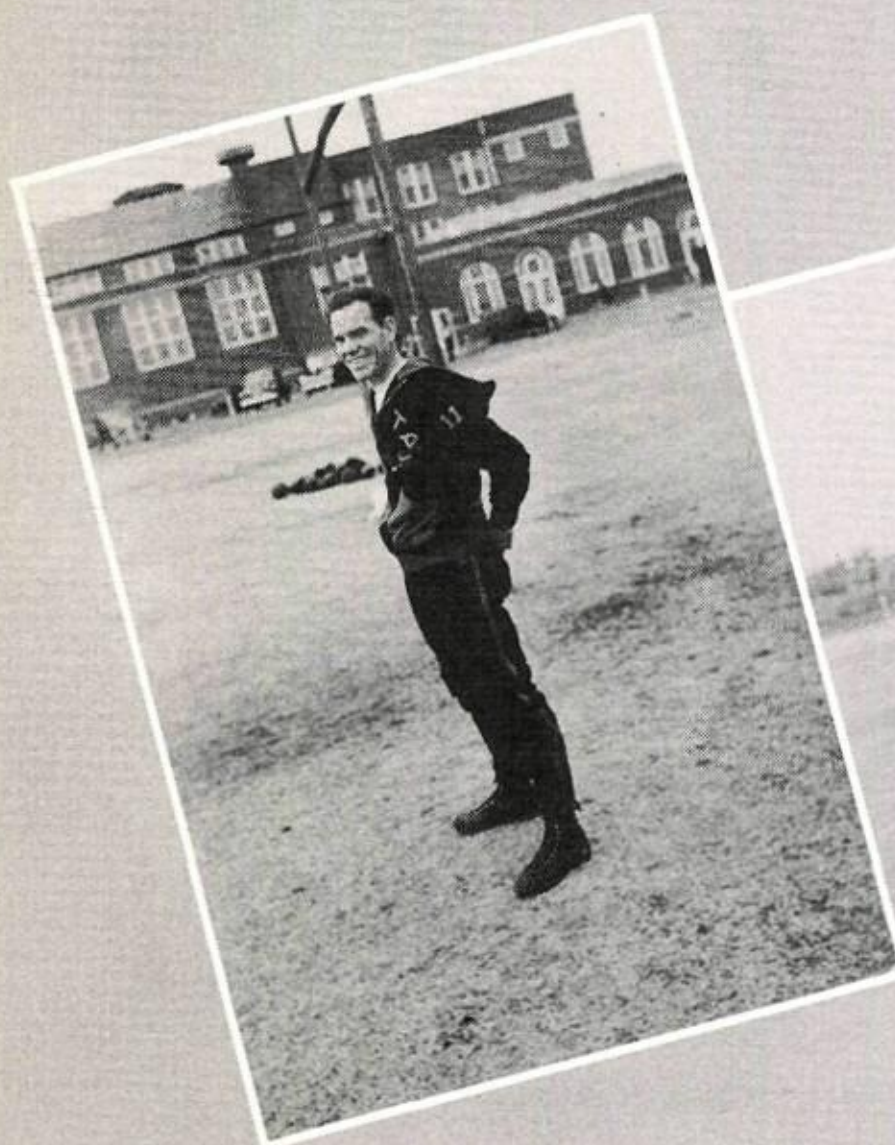

TED JEFFERIES

Coach Jefferies, even though his team failed to materialize into championship quality, proved in this and former years his ability for coaching. Well liked by the boys, he is the most popular mentor to coach the Coyotes in many years.

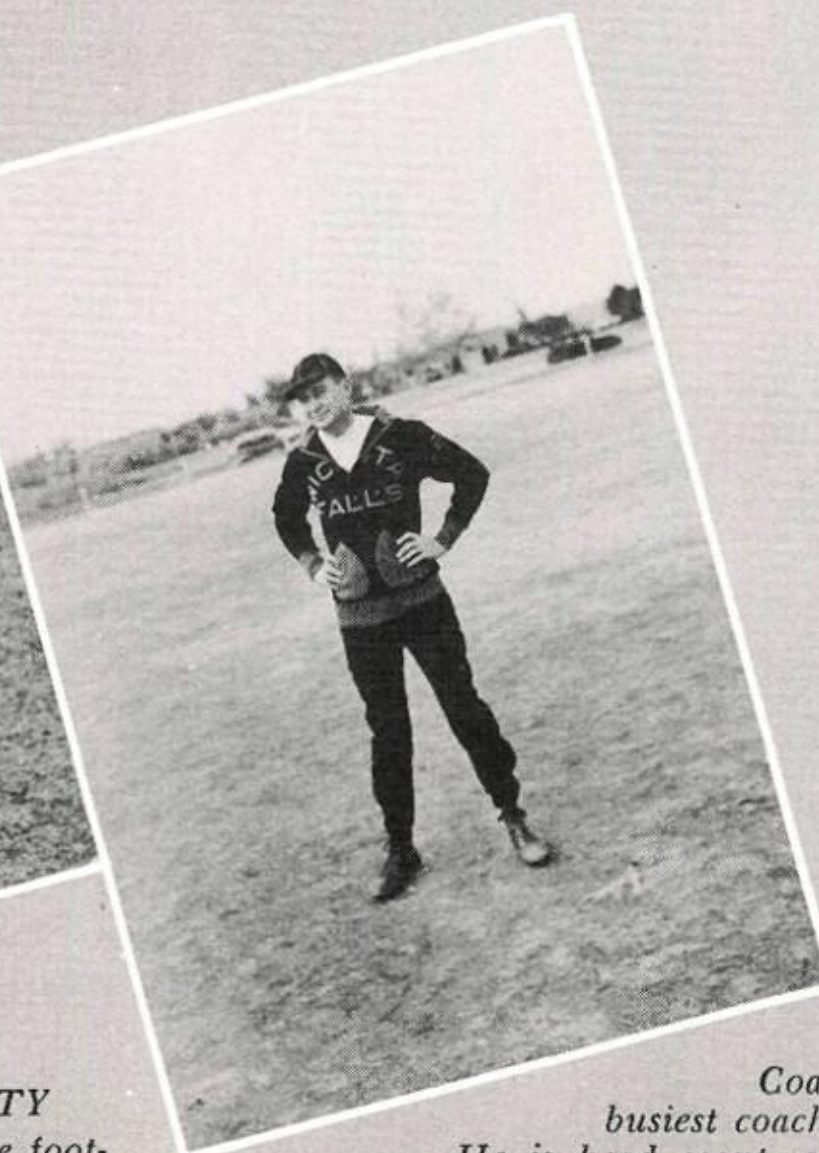

BILL ALLEN

As coach of the Rowdies and assistant coach of the basketball team, Bill Allen finished his second year with the Coyotes. His boys didn't do so well, perhaps because of the constant drain on material for the needs of the first team.

CURTIS BEATY

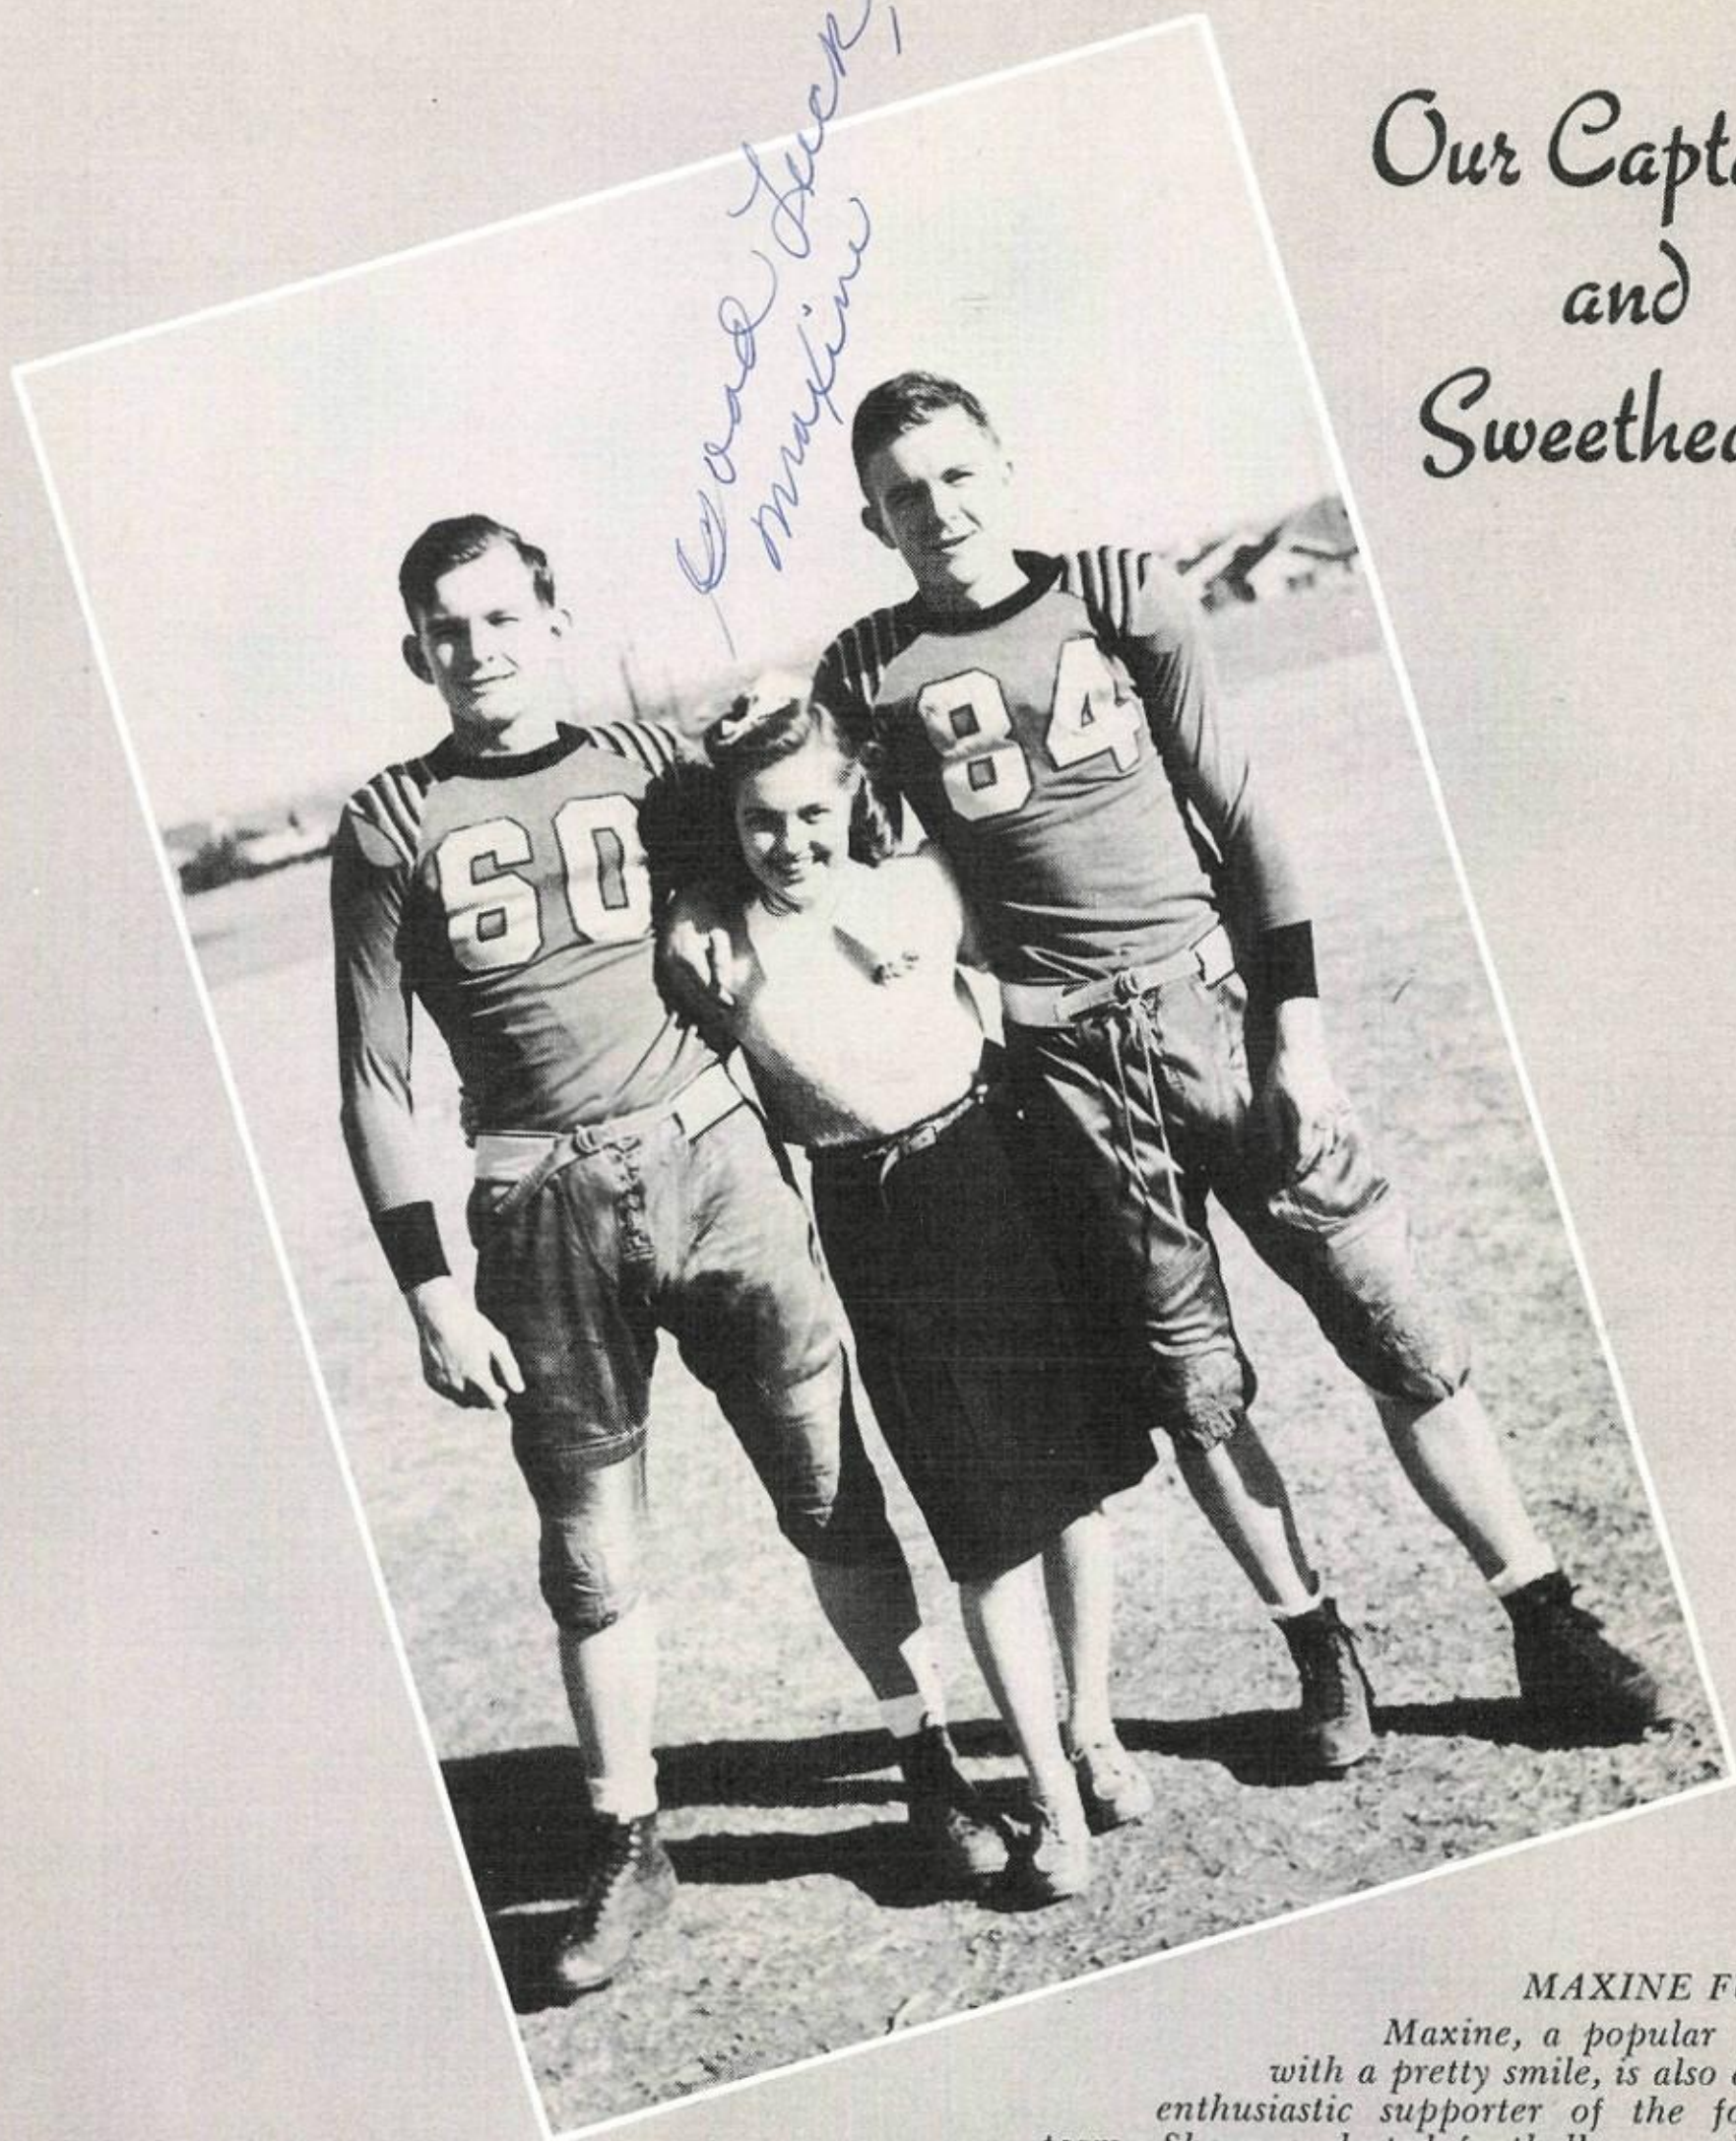

Mr. Beaty's biggest job is line coach of the football team, but he is also head track coach. Rated with best line coaches in the state, Coach Beaty has a most important duty on the coaching staff.

A. D. BECK

Coach Beck is one of the busiest coaches with the Coyotes. He is head scout, end coach, and head mentor of the basketball team besides. With a team of seasoned veterans he has had a successful season in basketball this year.

Our Captains and Sweetheart

MAXINE FUSON

Maxine, a popular junior with a pretty smile, is also a most enthusiastic supporter of the football team. She was elected football queen by the football boys last season.

JOE PARKER

Co-captain of the Coyote team, Joe served as end and later as a fullback last season. A hard charging and an aggressive end, he was honorably mentioned on the all-district team. He is among the regulars who may return next season and play his third year on the "A" team. Joe is as popular among the students as he is with the fans.

HENRY ARMSTRONG

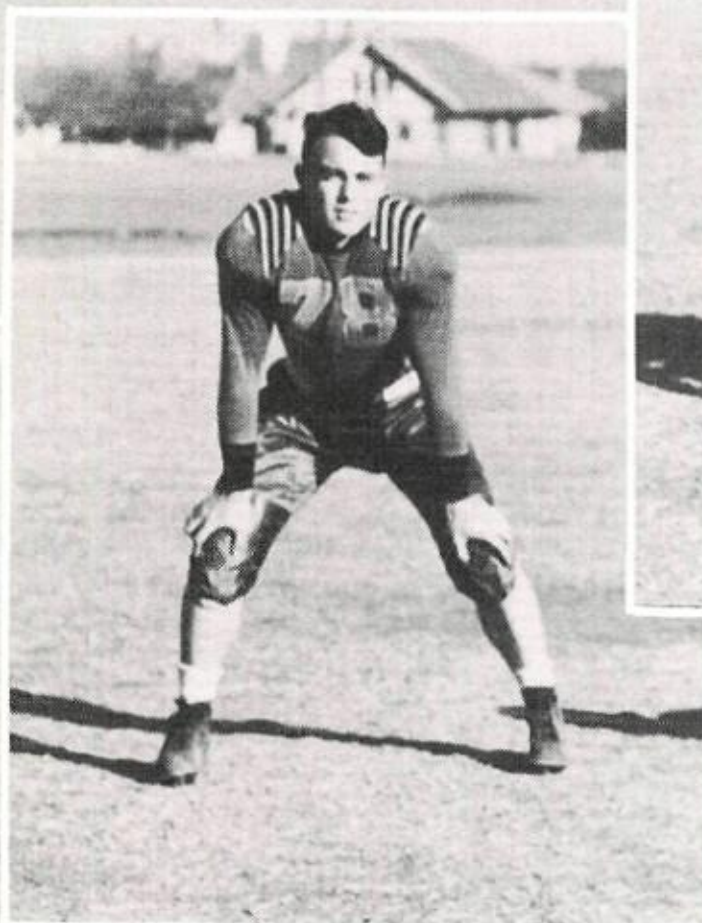

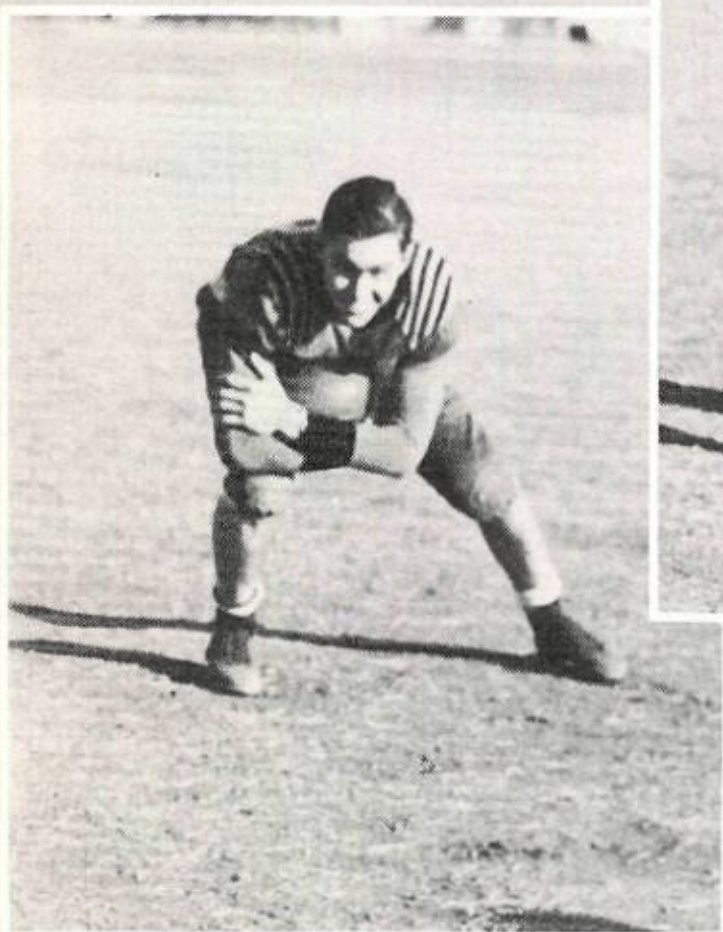

Henry Armstrong was the other co-captain of the Coyotes. He was chosen as right guard on the second all-district team. Henry has played two years as a regular on the first string and will return for his third season with the Coyotes. With his weight and aggressiveness he should be better than ever next year.

J. P. McMAHON

J. P. is one of the fastest backs on the squad. He was especially good at defensive play and also showed himself a good runner.

HUBERT LESLEY

Hubert Lesley is a senior with a lot of experience; he may return next year. He played about half of every game and was an excellent man for line plunges.

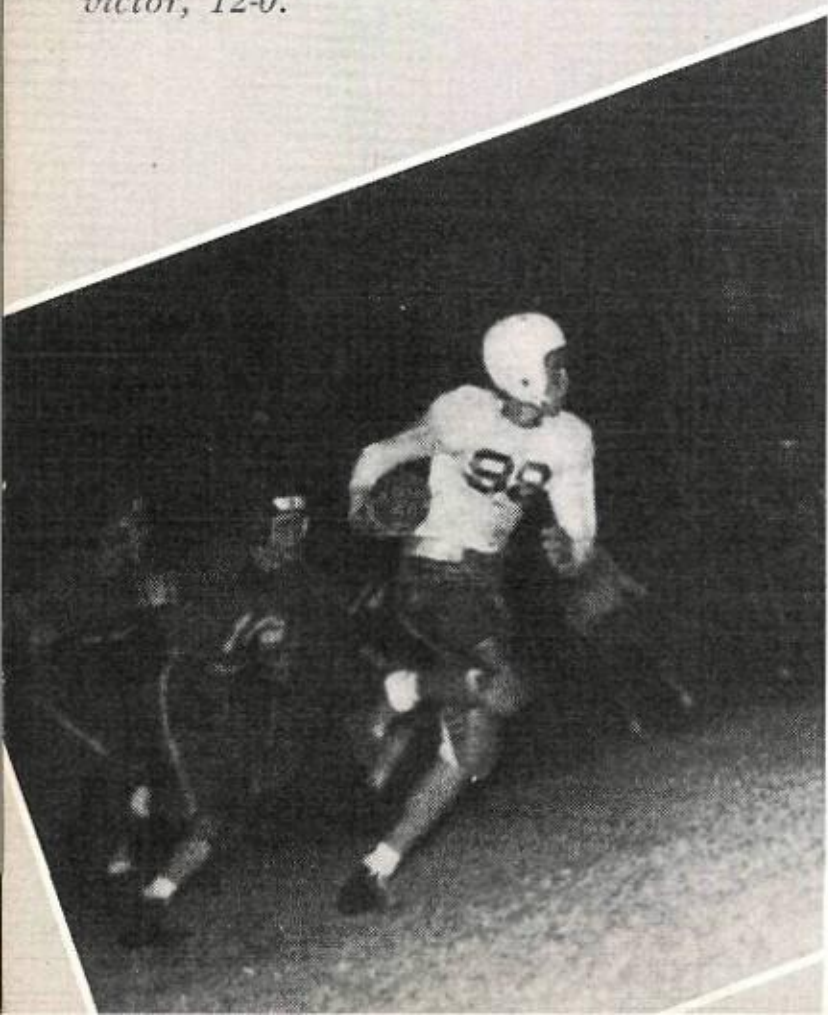

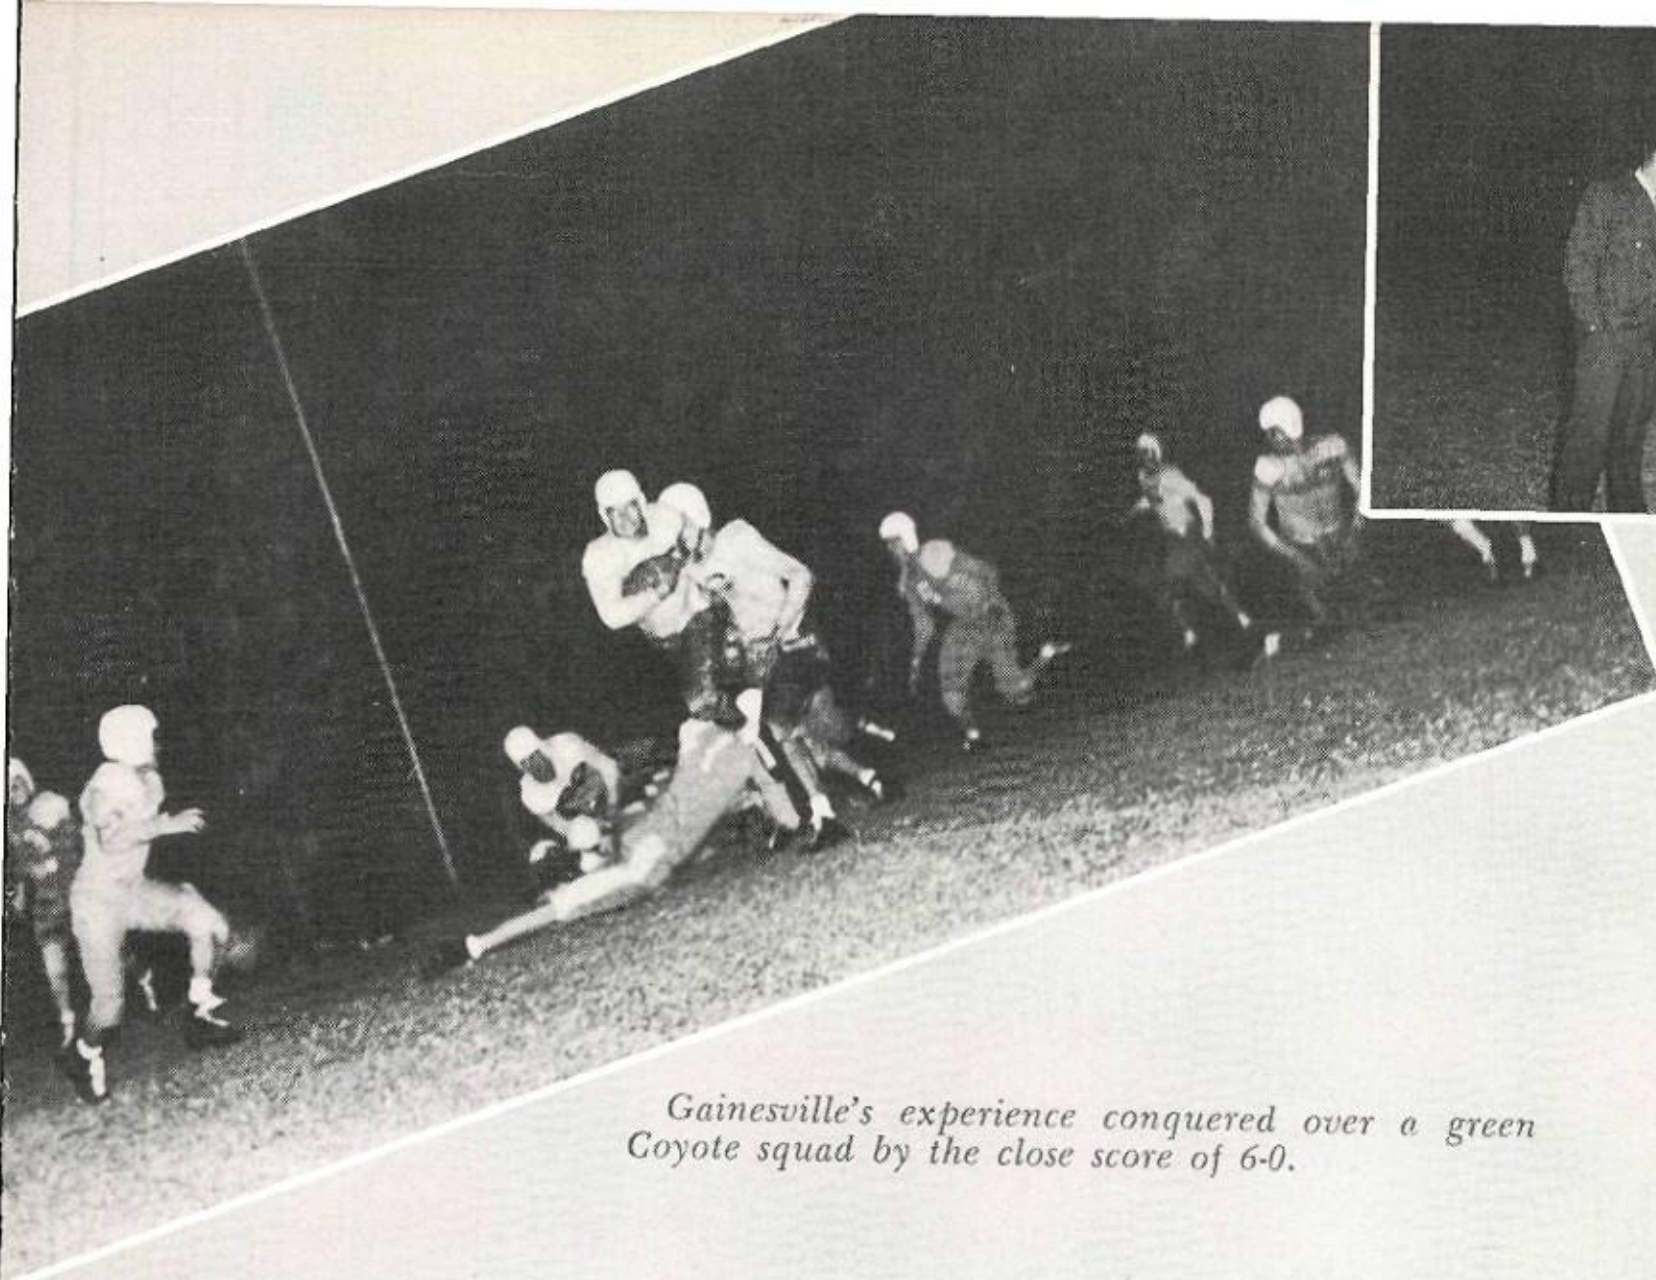

RUDOLPH MANZ

Rudolph was one of the best backs on the Coyote squad last season. He played every position in the backfield well and was most outstanding as a runner. He graduates this year after playing two seasons with the "A" team.

The Coyotes came out ahead in a free-scoring game with Olney, 25-19. Joe Parker has assumed the role of plunging fullback below.

Baumgardner intercepts a pass in the Electra-Coyote game. Electra, who later won the district, was the victor, 12-0.

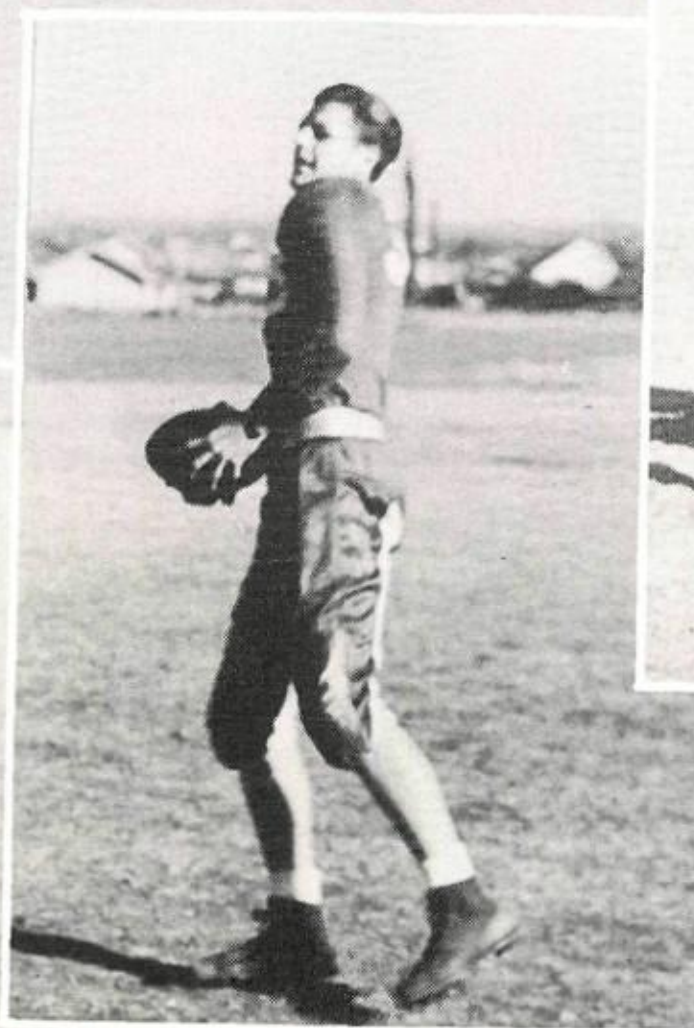

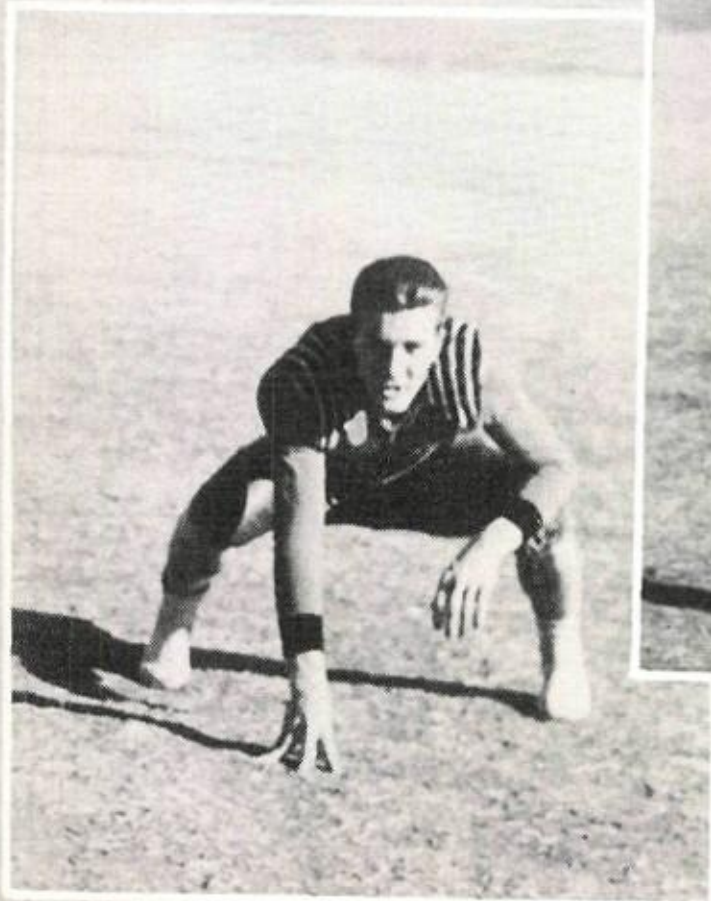

Gainesville's experience conquered over a green Coyote squad by the close score of 6-0.

Coach Lindsay of Gainesville, former Rowdie coach, manifests his friendship in a picture taken just before the game.

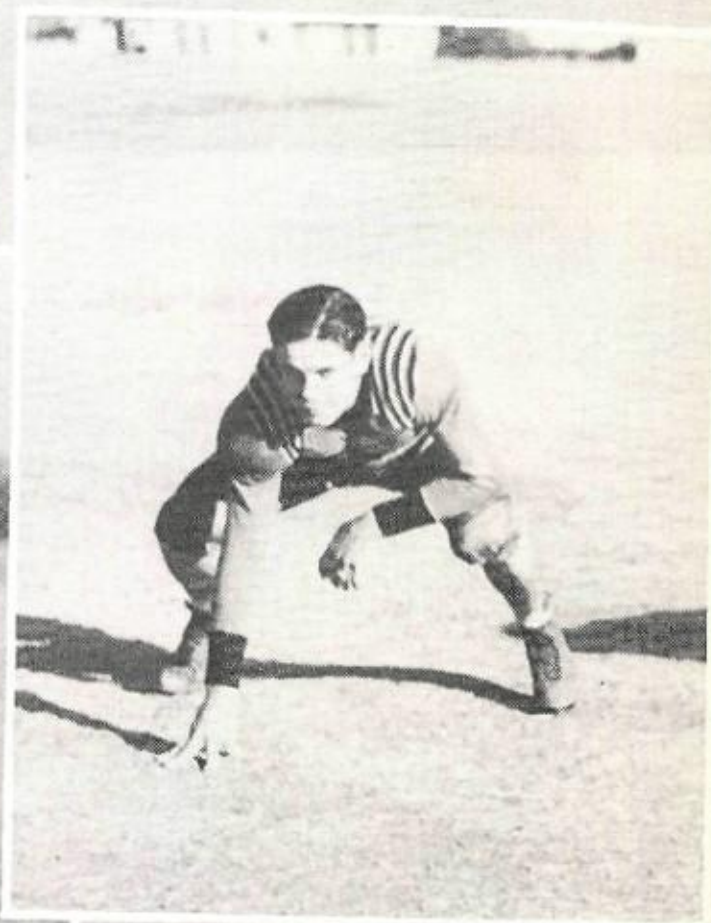

TOM BILL ARTHUR

Tom Bill is a junior who broke into the starting line-up about mid-season. He proved to be the hardest plunger, even though he is very light. He caught passes on offense and was a good man at his halfback post on defense.

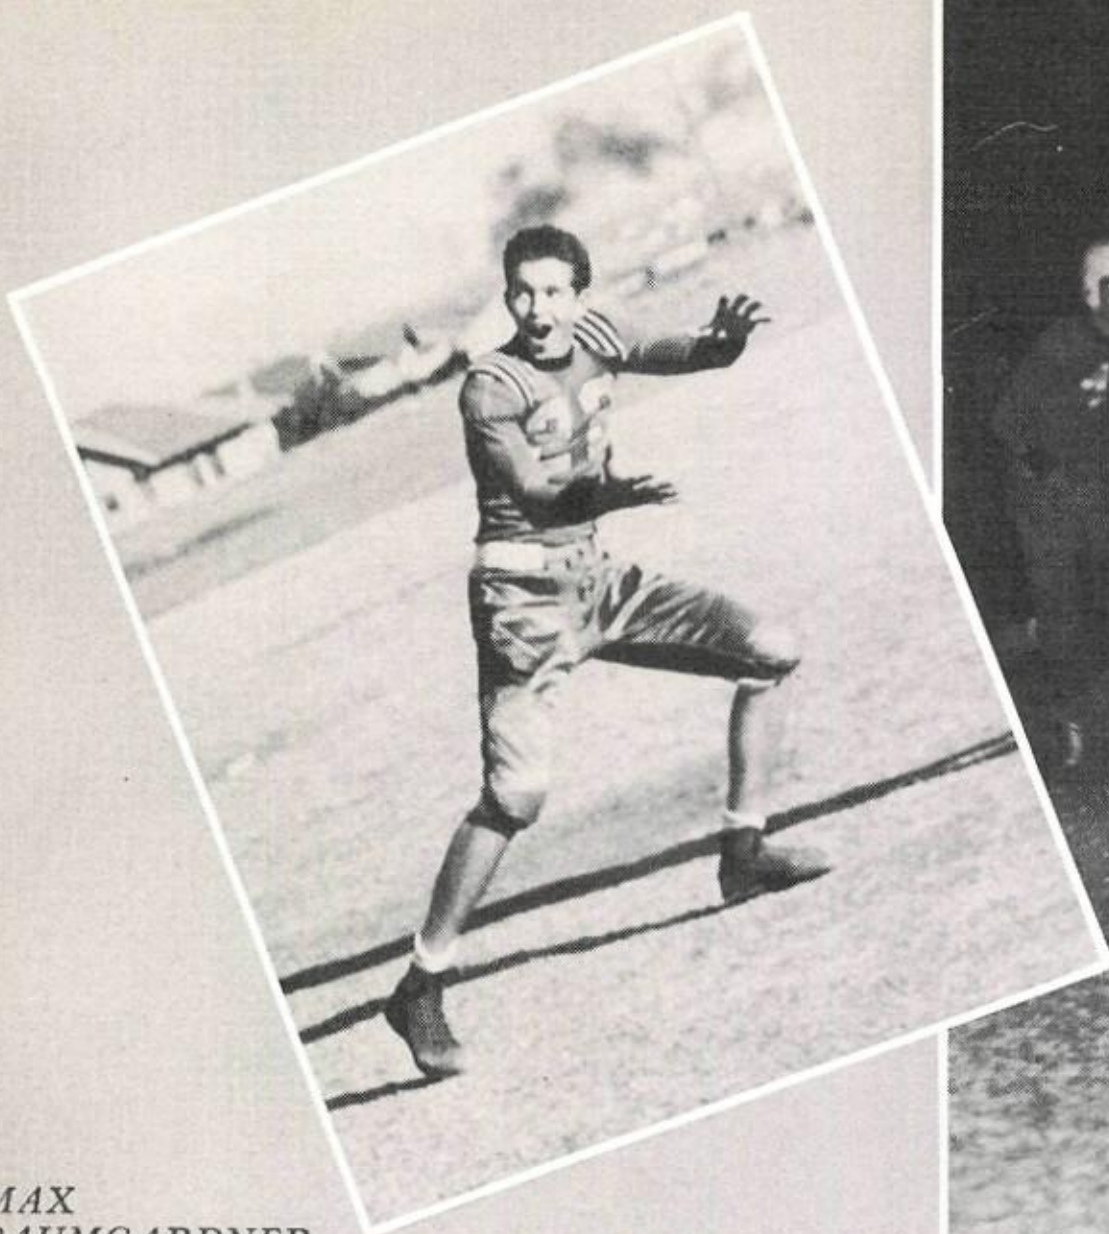

DAVID SMITH

David is a junior who received much necessary experience in games last fall. He will be a good end and a valuable member of the team next year.

BILLY OGLESBY

Billy is another end who played a great aggressive game at his position. He may return, and if he does he will be a regular starter.

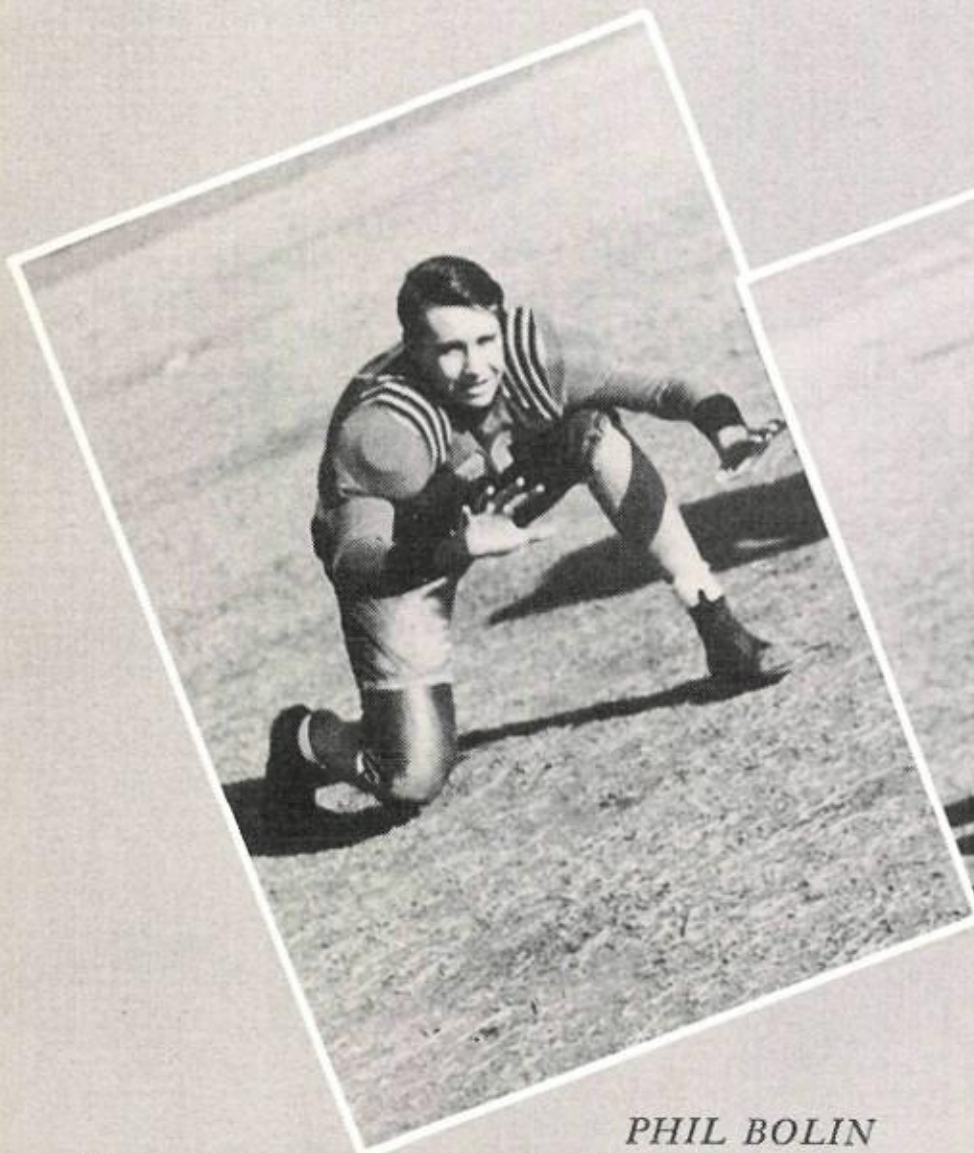

**MAX
BAUMGARDNER**

Max was the most aggressive end on the team. Noted for his slashing tackles and his ability to catch passes, he may return next year and will be excellent all-district material.

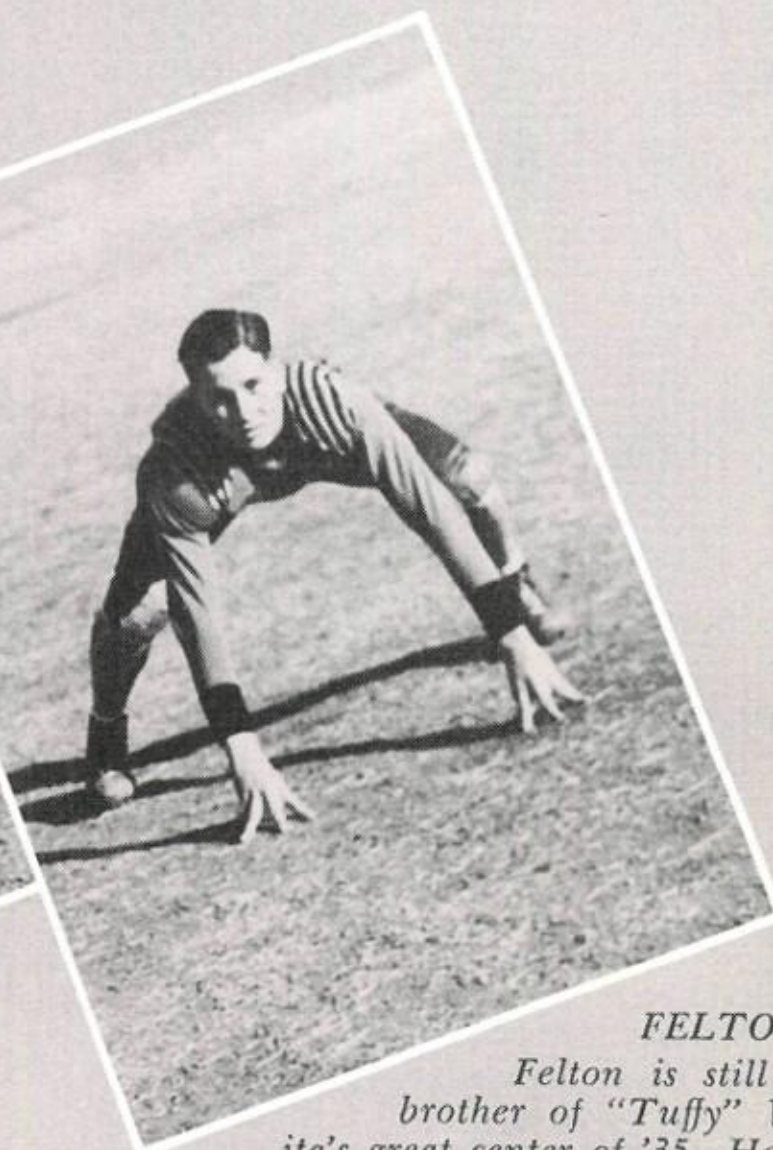

Curtis Holder is shown sidestepping his way the Coyotes in the Childress game. Holder was favor of the Coyotes; however, Childress won, 11-7.

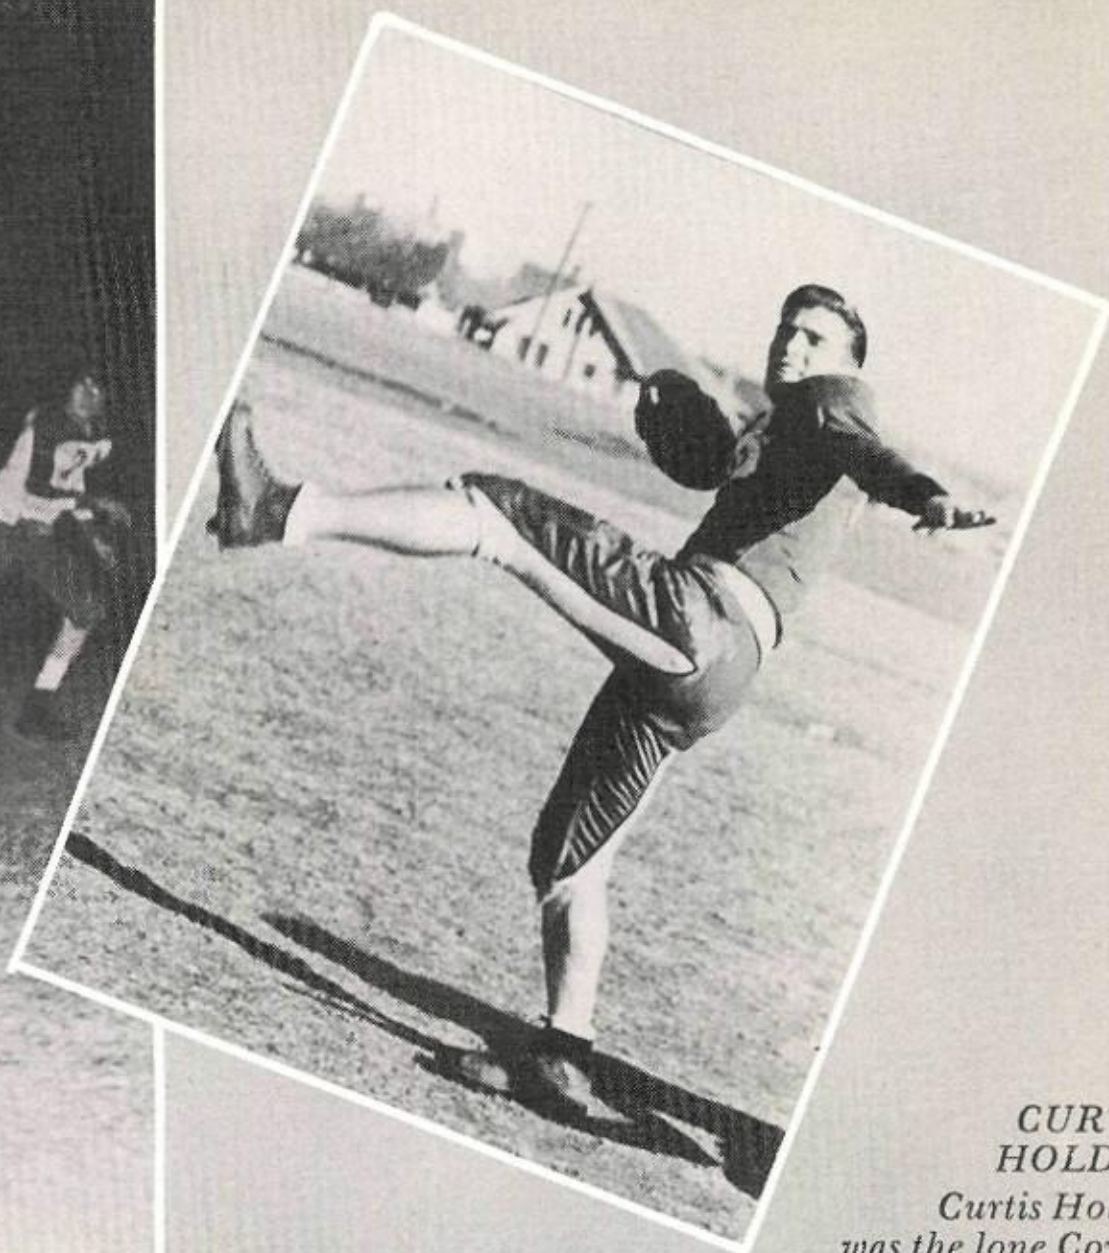

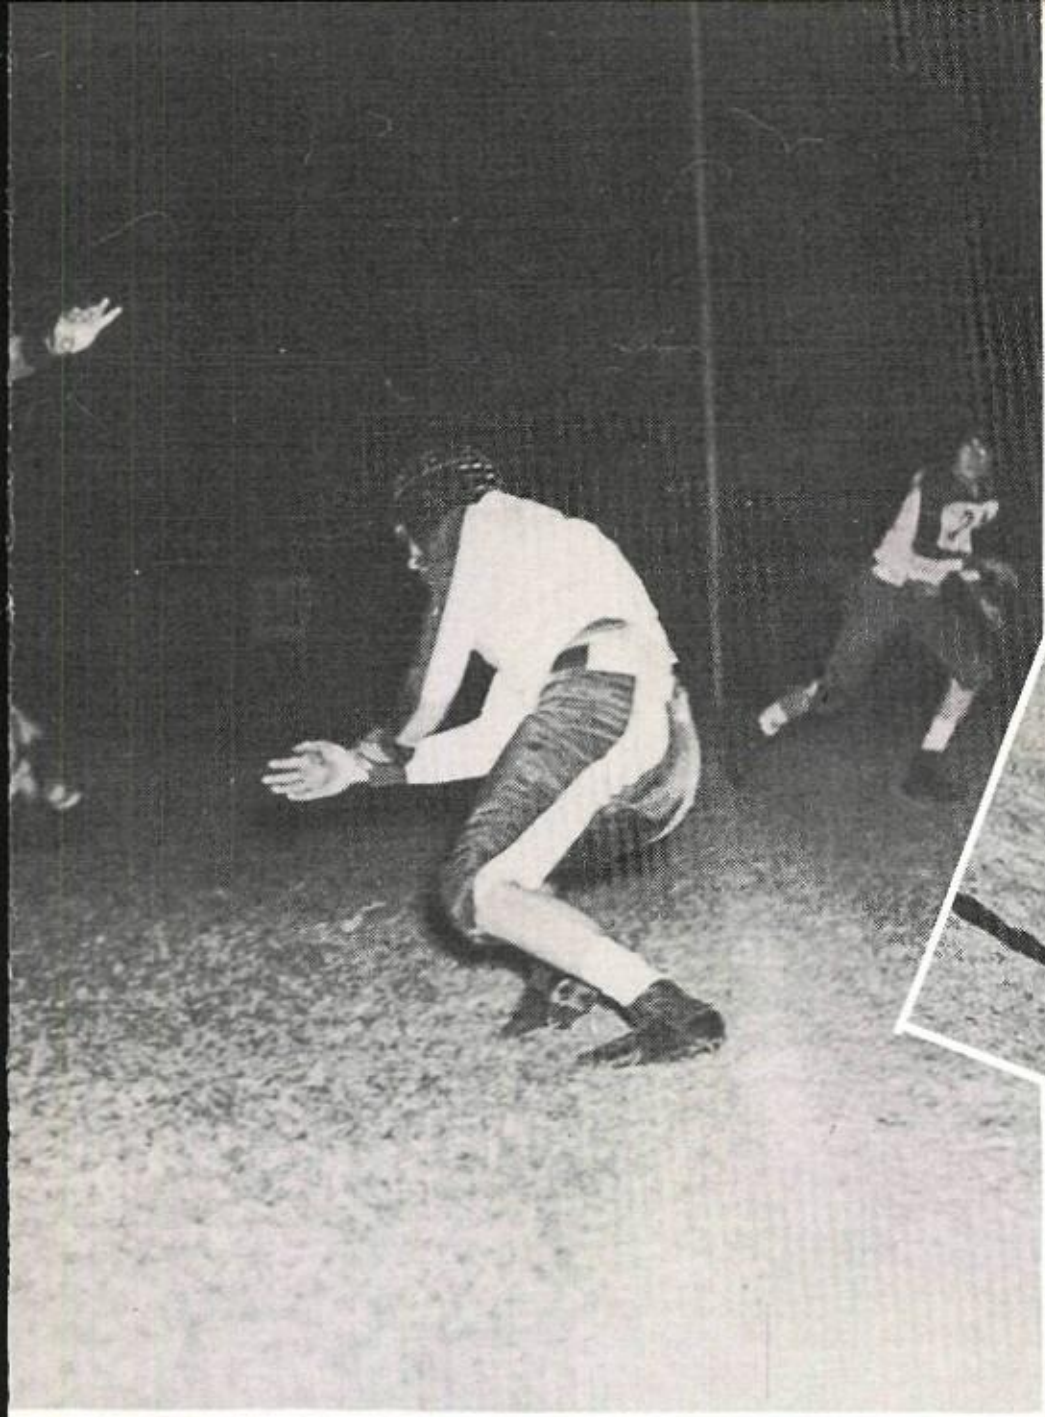

PHIL BOLIN

Phil was starting guard last fall, even though he was a junior. He is an excellent line backer, being especially adept in intercepting passes. He will be a vital part of a great line returning next year.

FELTON WHITLOW

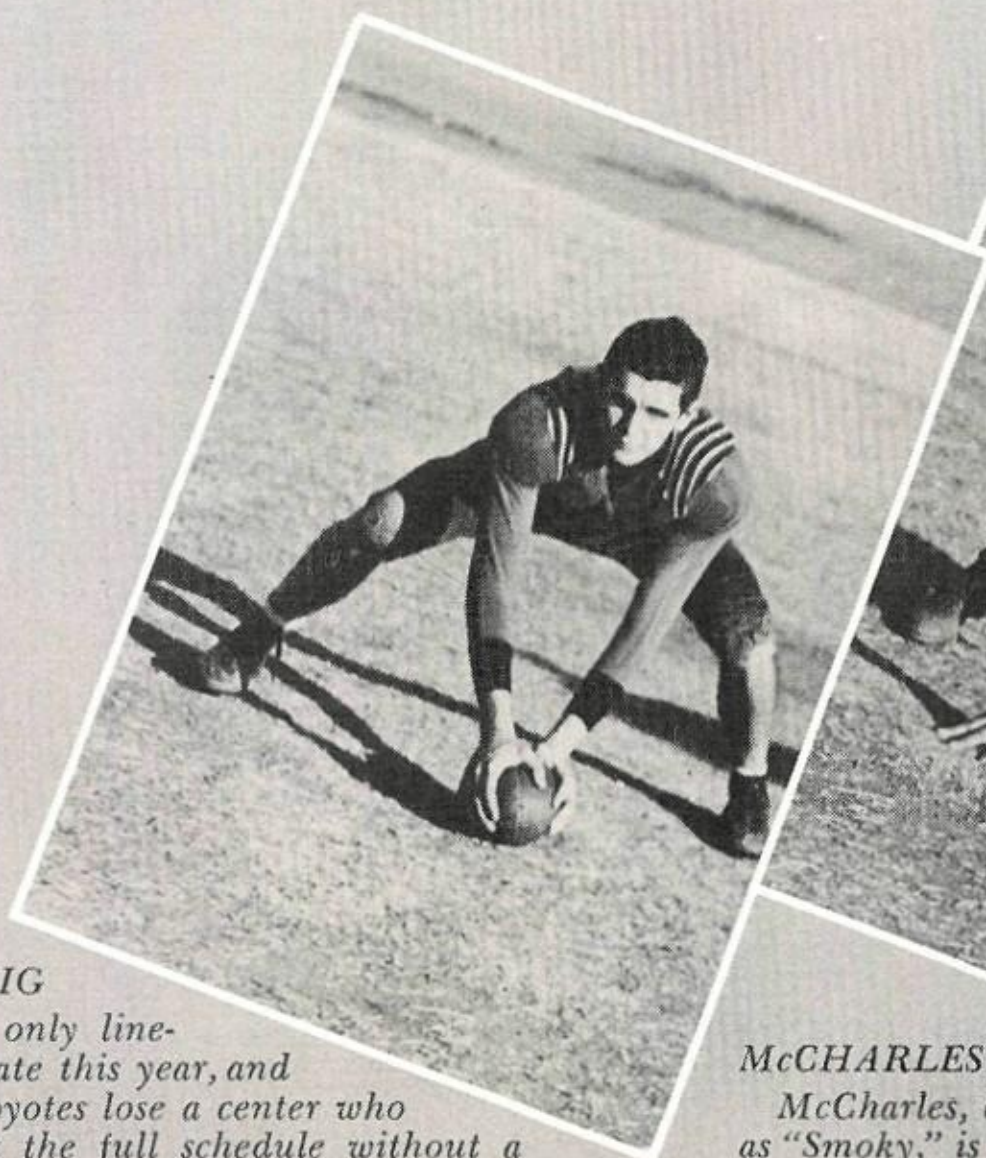

Felton is still known as the brother of "Tuffy" Whitlow, Wichita's great center of '35. However, he is famous on his own merits for his slashing tackles. He plays regularly at tackle, and may play another season.

CURTIS HOLDER

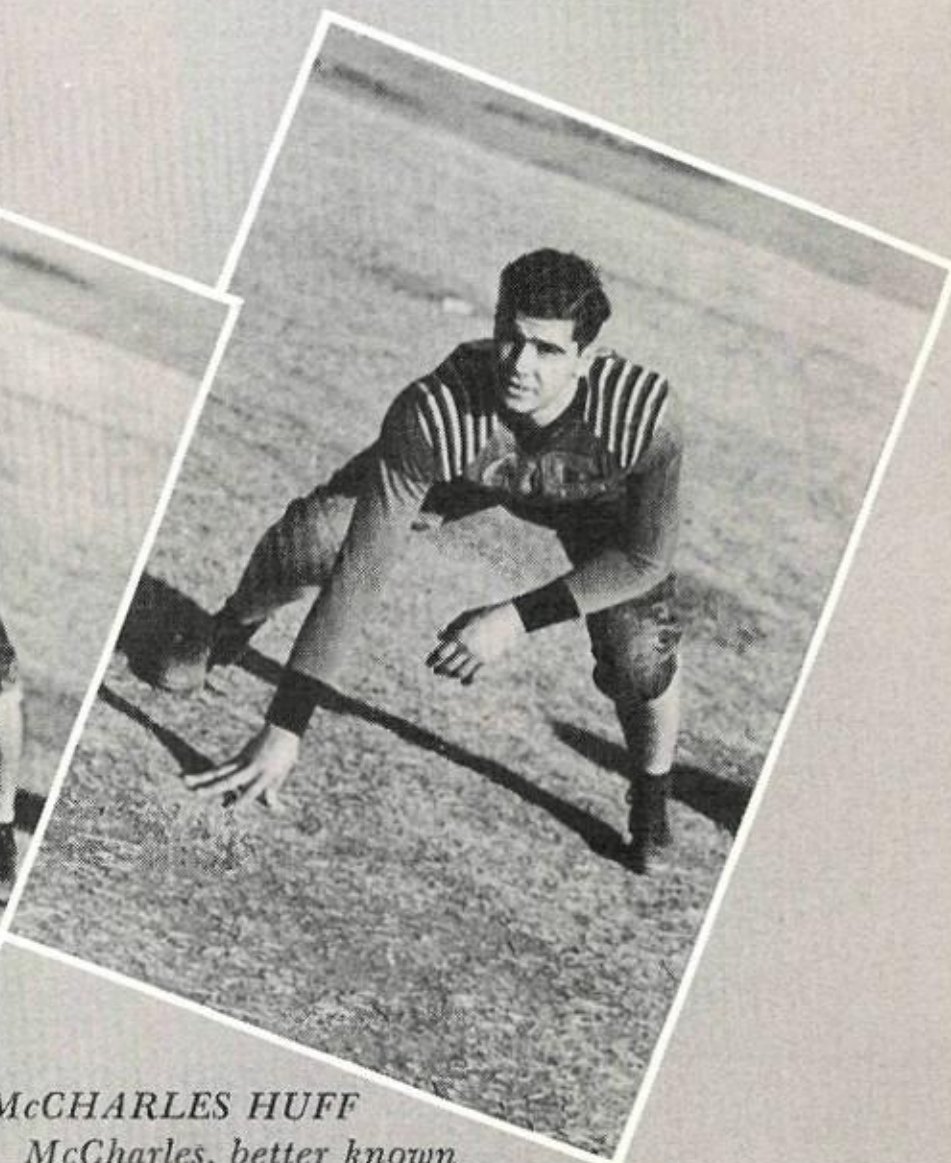

Curtis Holder was the lone Coyote on the all-district team. He was the greatest climax runner and most feared in the conference. He punted and passed well and was quarterback for the Coyotes. He was mentioned on the all-state team.

seventy yards for a touchdown, the only score for magnificent and was almost the deciding margin in

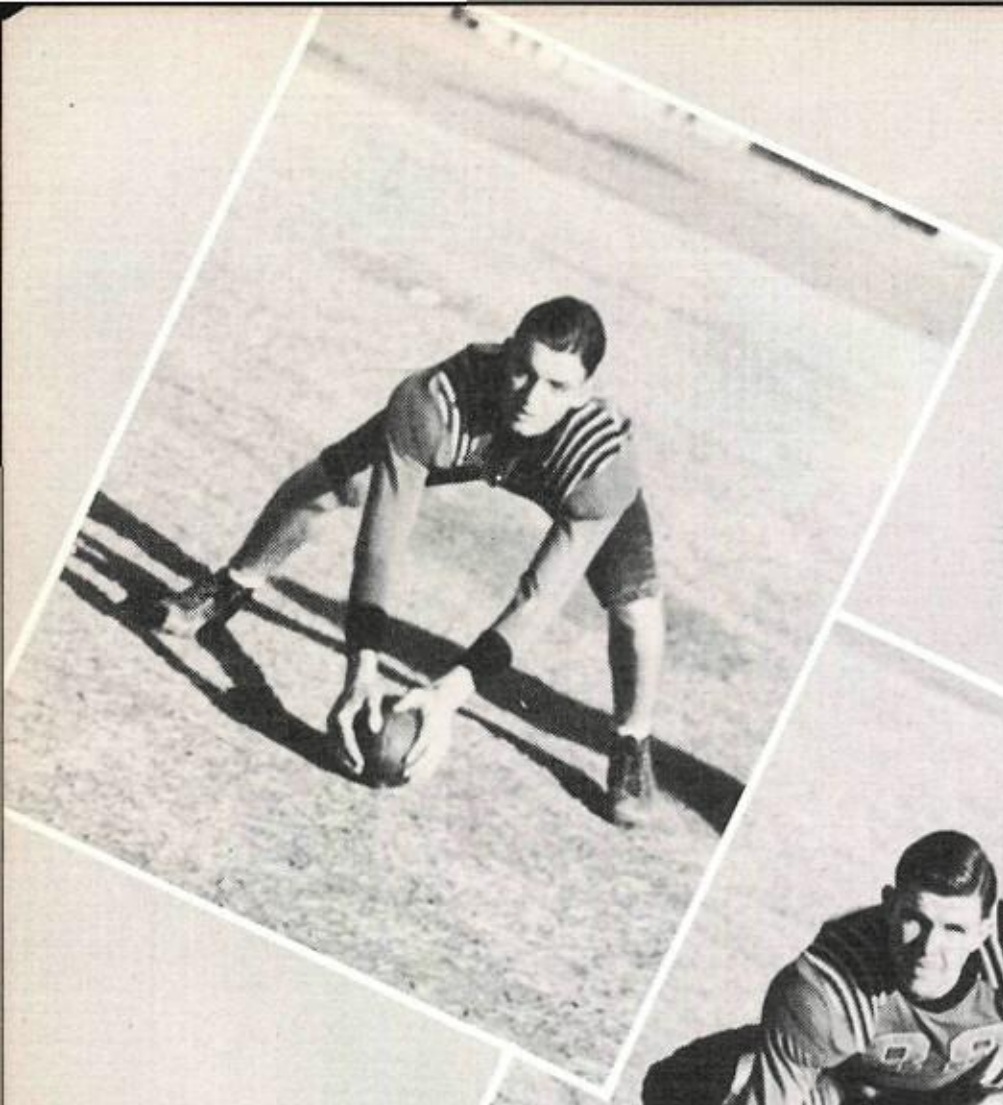

LEO STEINKOENIG

Leo is the only line-man to graduate this year, and in him the Coyotes lose a center who played almost the full schedule without a substitute. He is a tall, rangy center who seldom made a miscue in passing the ball; he was also good at pass defense and among the best as a line-backer.

McCHARLES HUFF

McCharles, better known as "Smoky," is a big two hundred pound tackle for the Coyotes. He may return next year for his third season as a regular and is one of the best prospects for next fall. He was placed on the all-district second team by the conference coaches.

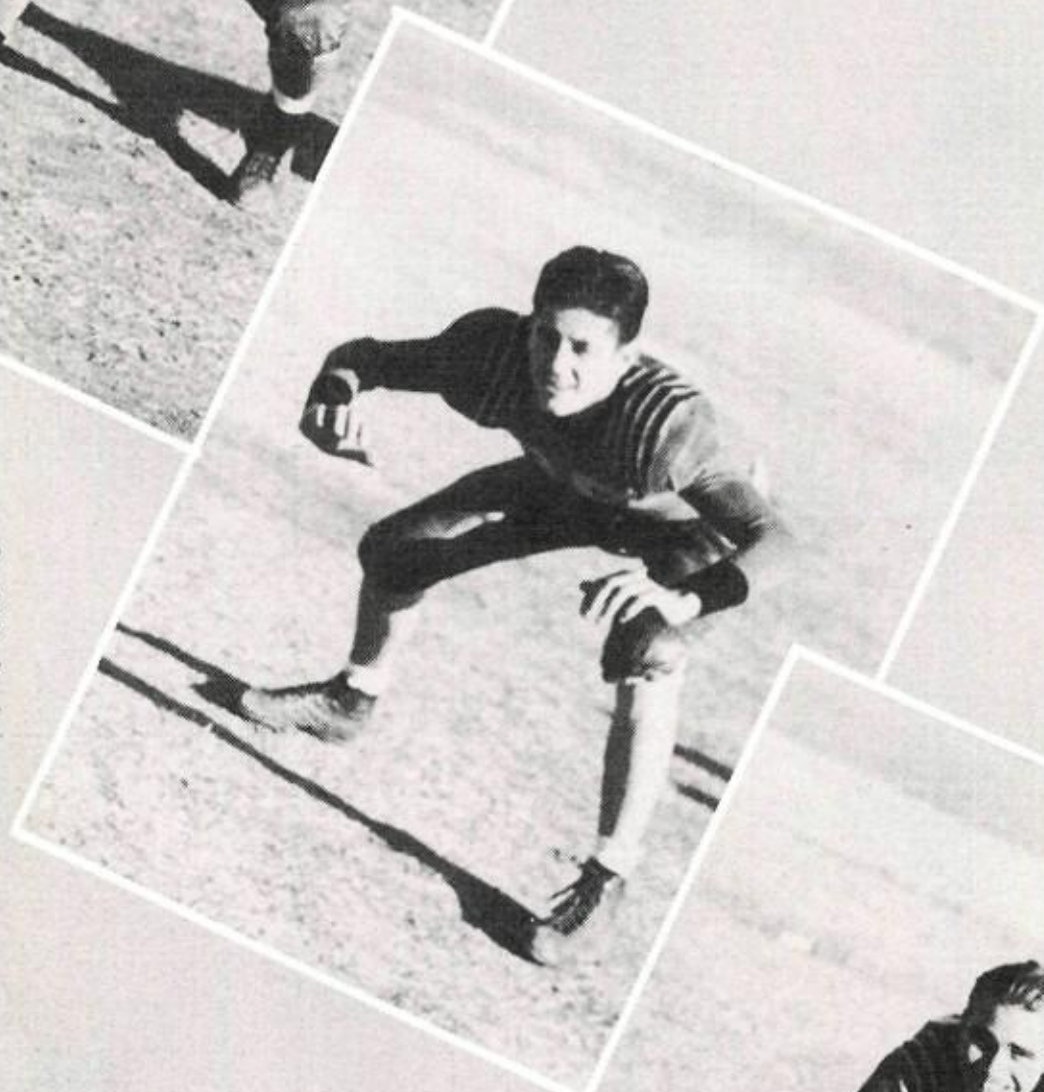

WILLIAM MCGINNIS

William McGinnis picked a position which had a "60-minute" regular playing it most of the time. As substitute center, however, he saw enough service to give him a good chance to be a regular next fall.

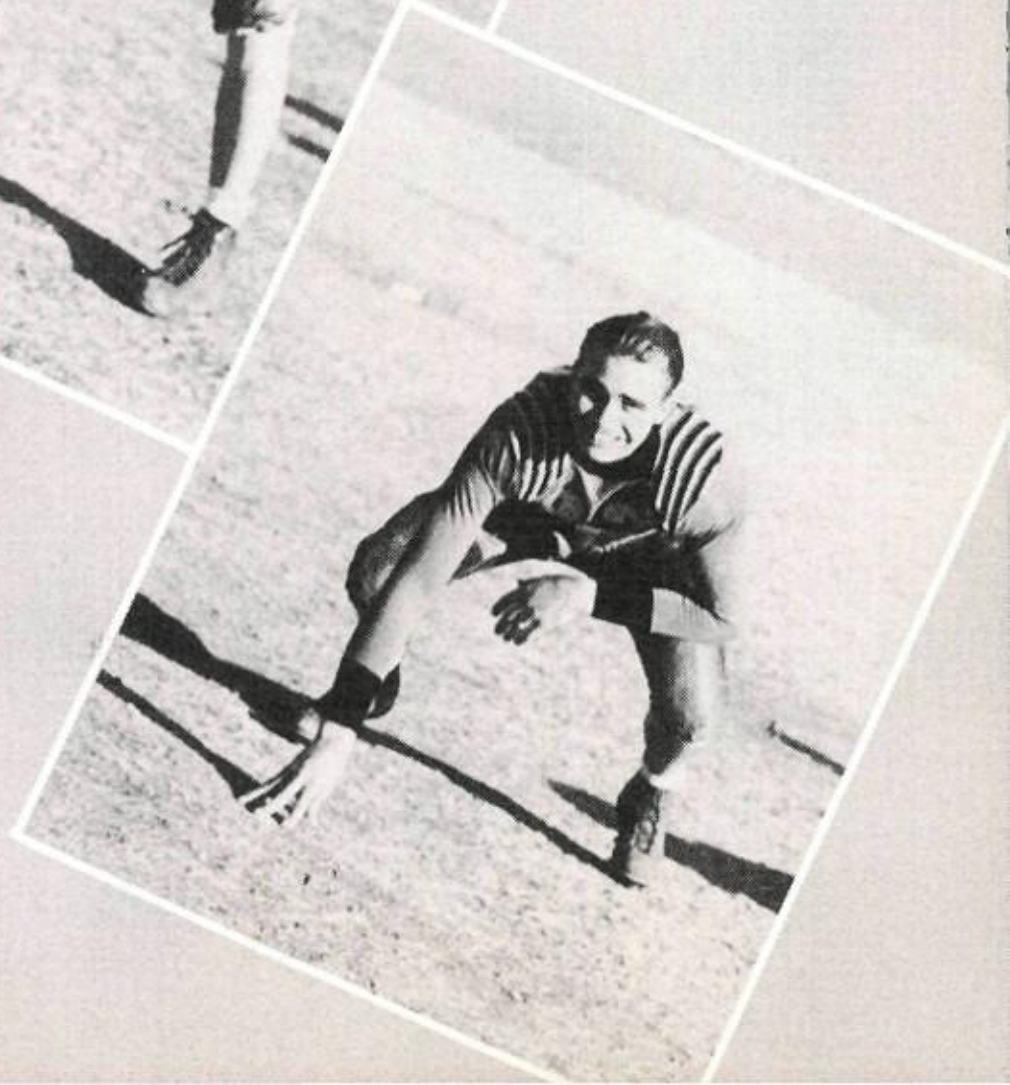

A. D. MICHNA

A. D. was another lineman who, although not a regular, played a large part of the time last year. Next year he will be among the best of many regulars returning.

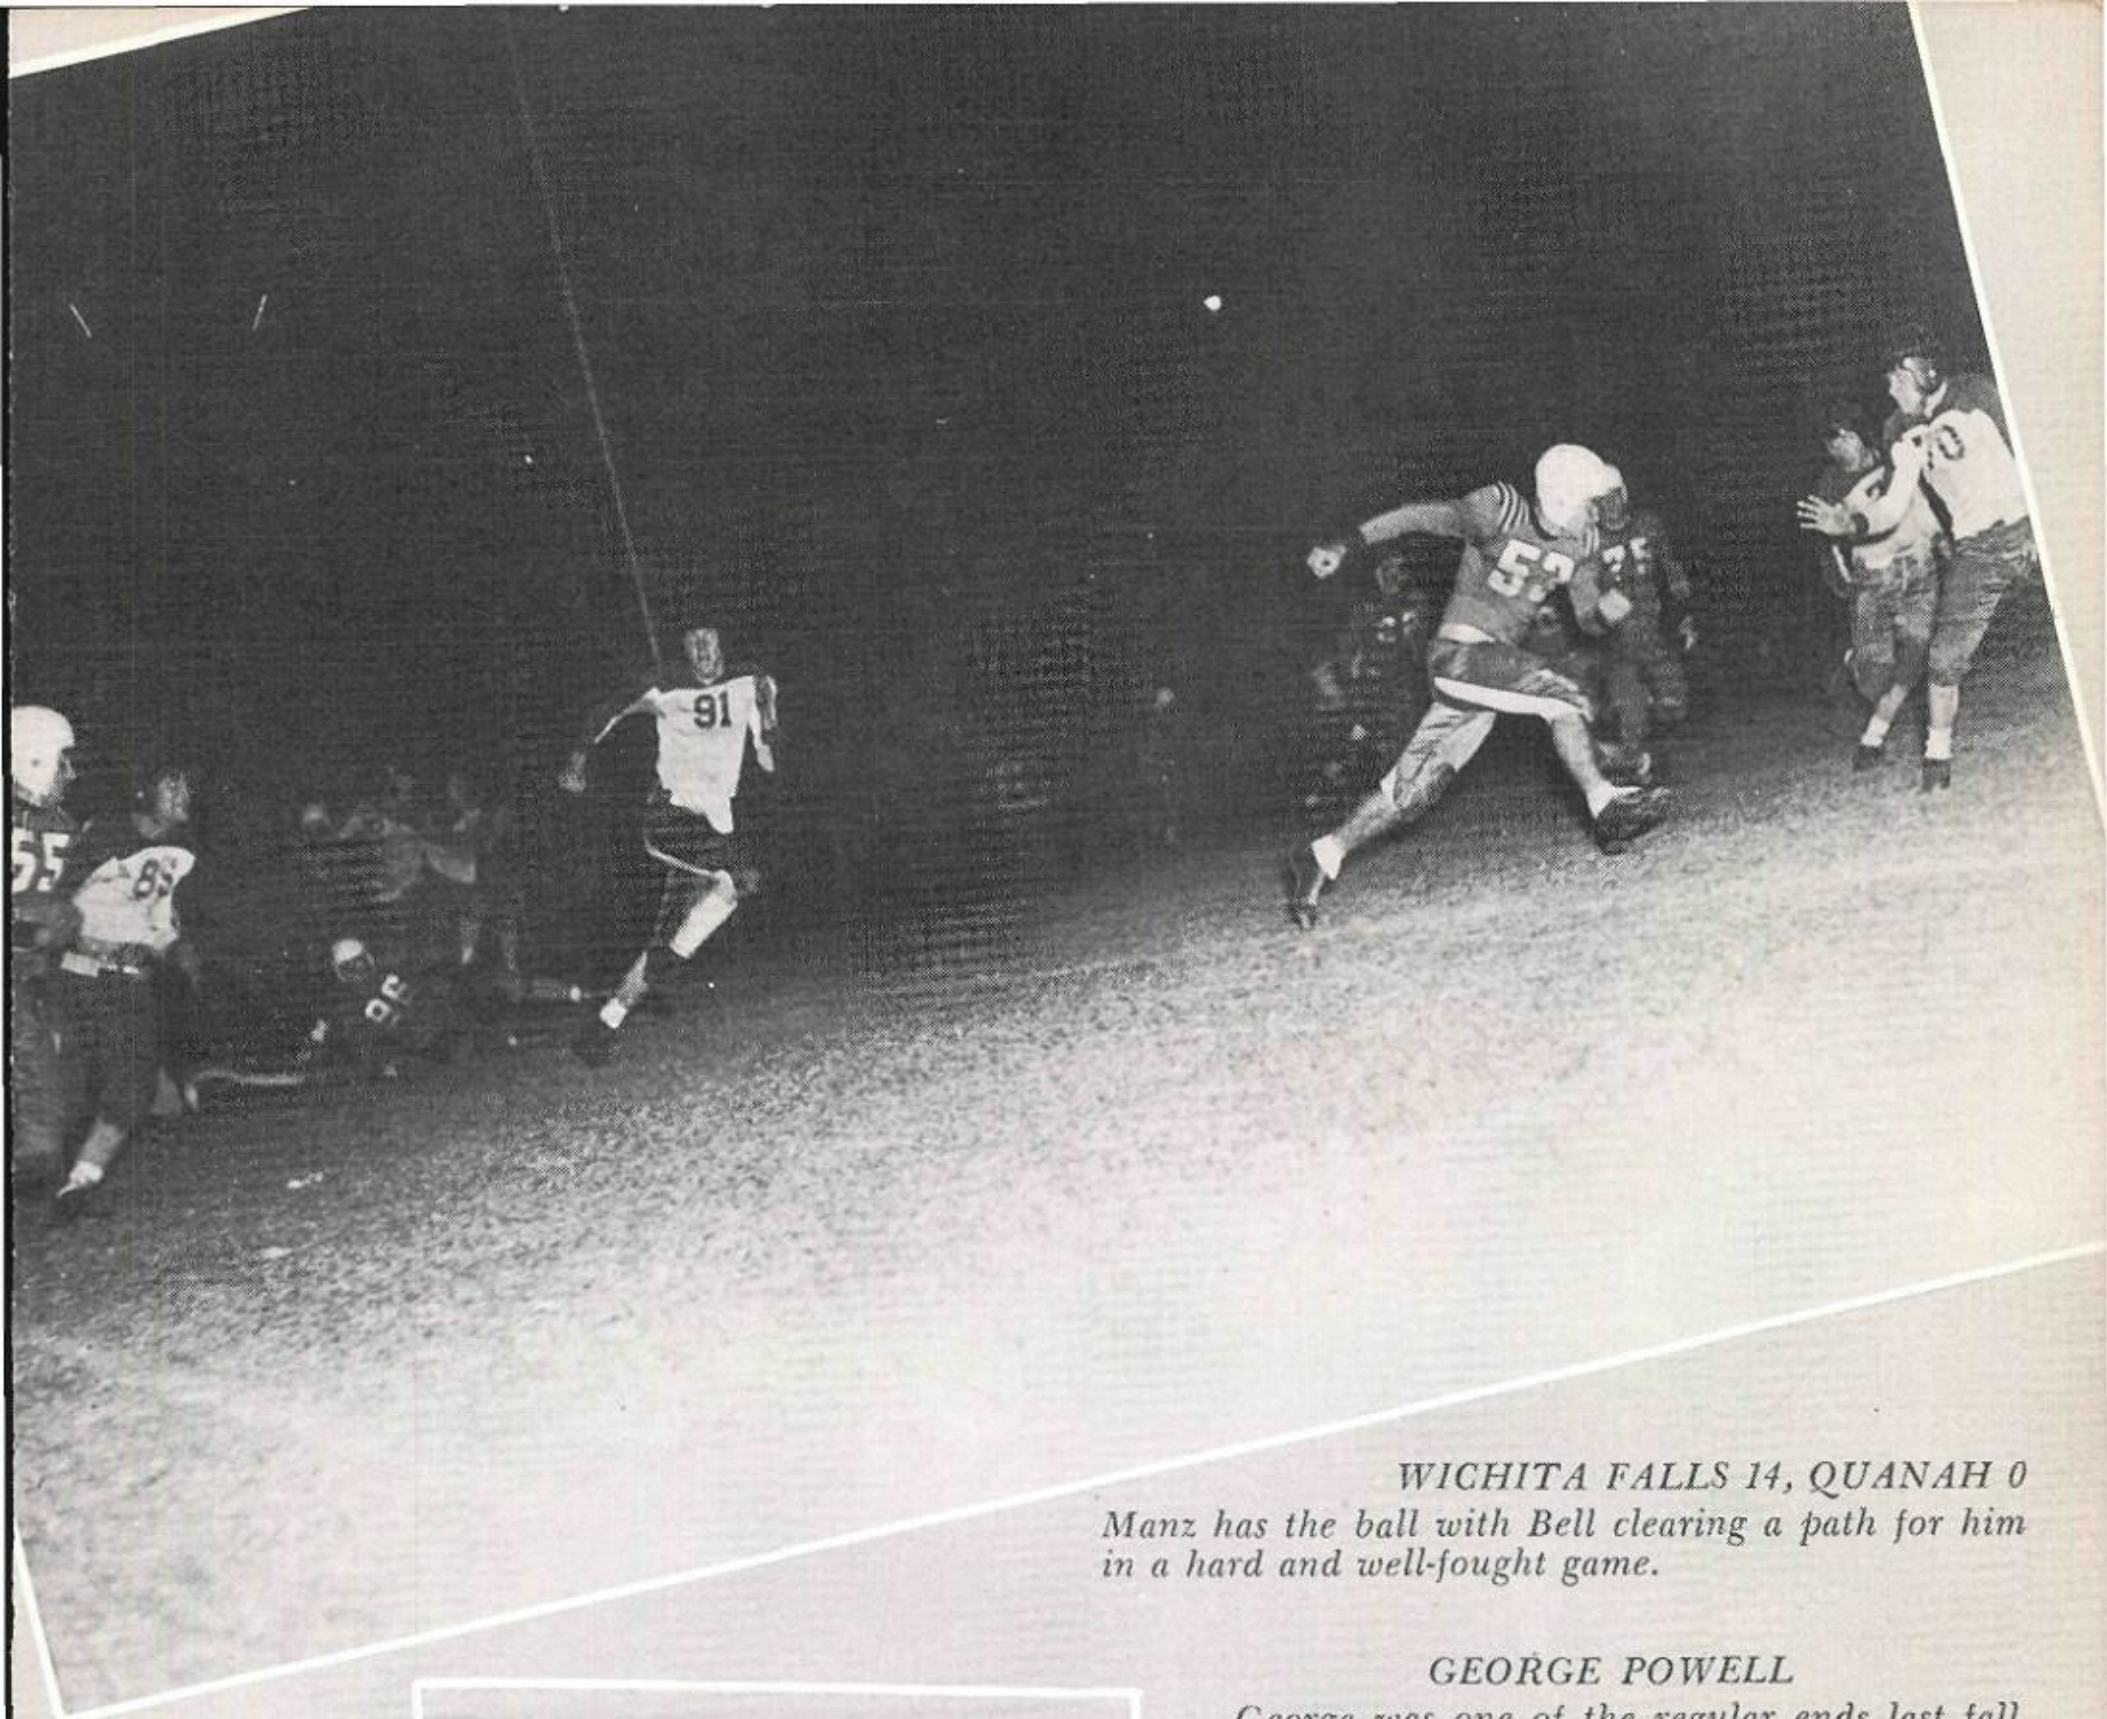

O. T. ADAIR

O. T. was a senior guard who did not see much service during the regular season. While he played, though, he managed his position well and was a good defensive guard.

RAY BRADLEY

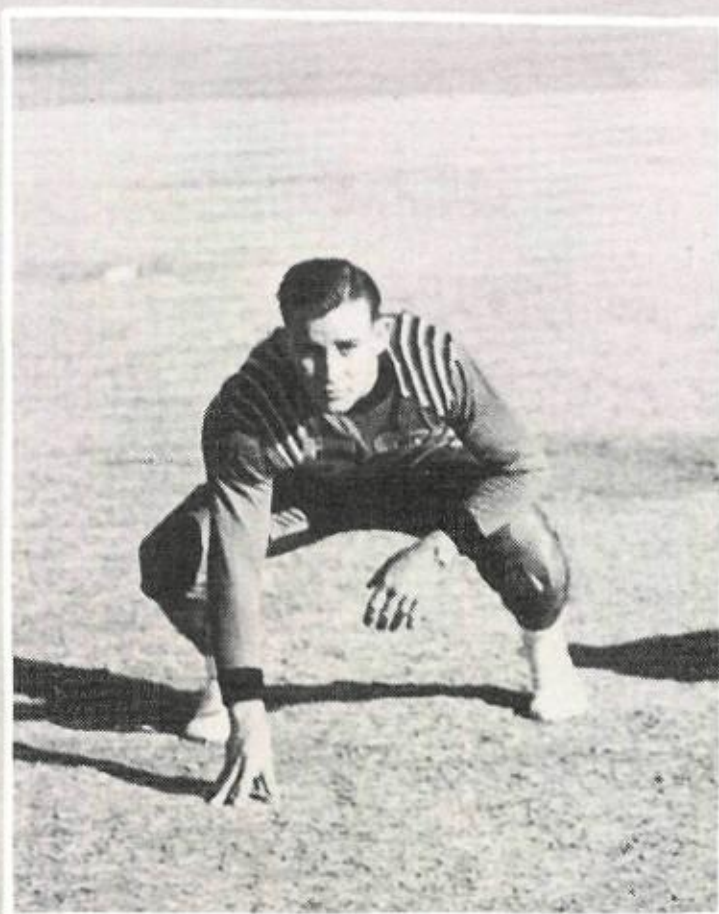

Another senior who played but little was Ray Bradley. While he did play he showed himself to be a fast, shifty back; however, he was a bit too inexperienced for this year.

*WICHITA FALLS 14, QUANAH 0
Manz has the ball with Bell clearing a path for him
in a hard and well-fought game.*

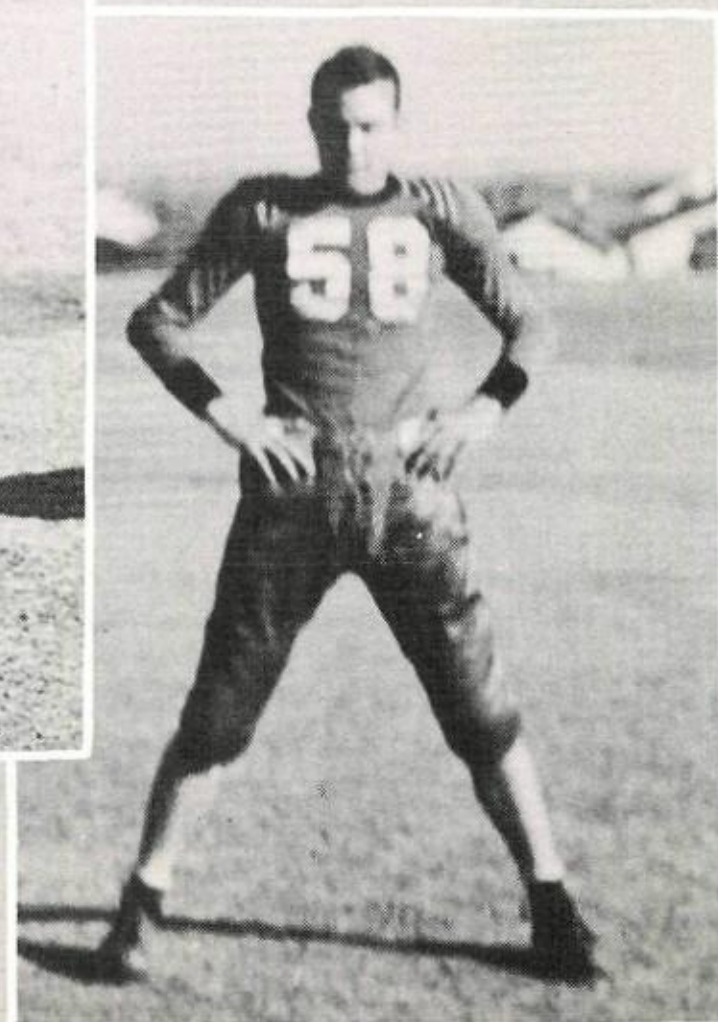

GEORGE POWELL

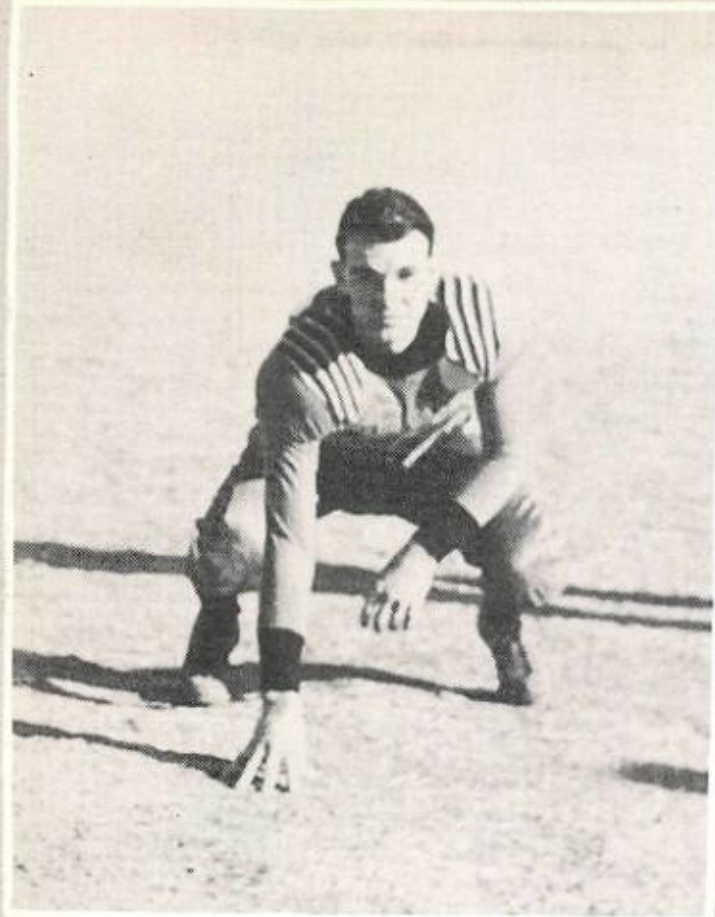

*George was one of the regular ends last fall.
He was best on defense but very good at snag-
ging passes.*

BILL BELL

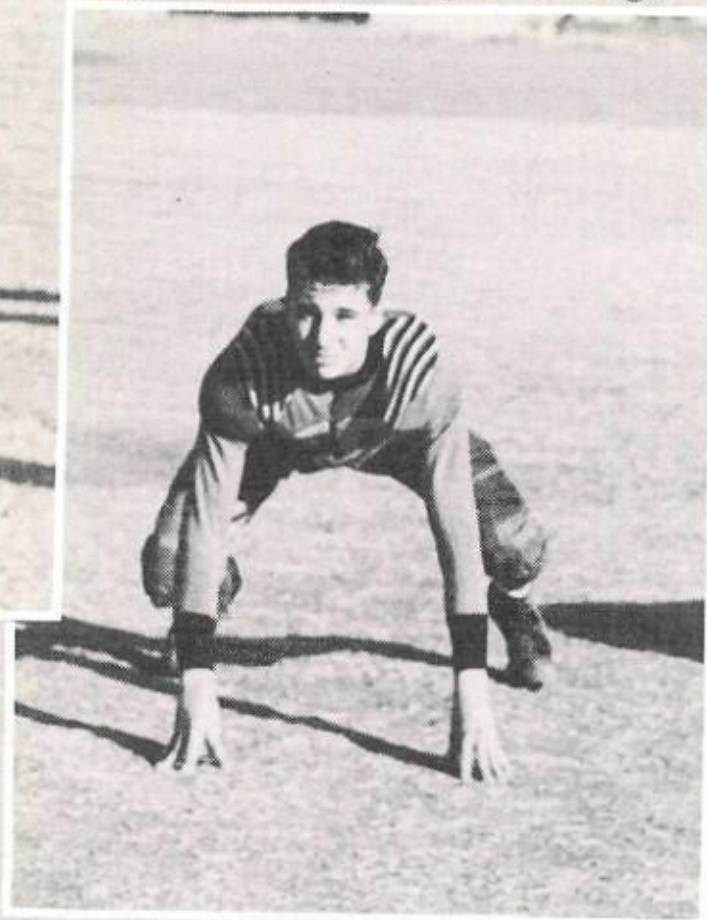

*Bill is a junior who has great ability in pick-
ing up the necessary yardage for a first down or
a touchdown. He could always pick up a yard
or two. He played as a blocking back most of
the season.*

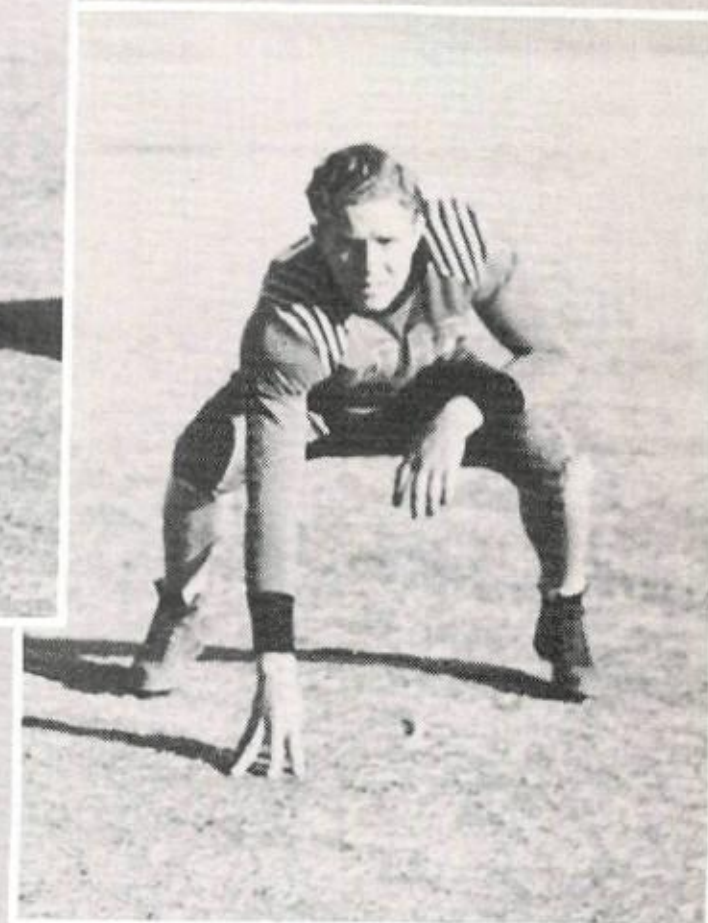

JOE MEISSNER

Joe is a young player who can play for three more years if he wishes. He is fifteen and is a good lineman despite his age.

RALPH BRANDON

Ralph is a large, aggressive tackle who will also return next year. He played much of the season and will have the experience necessary to make a great tackle.

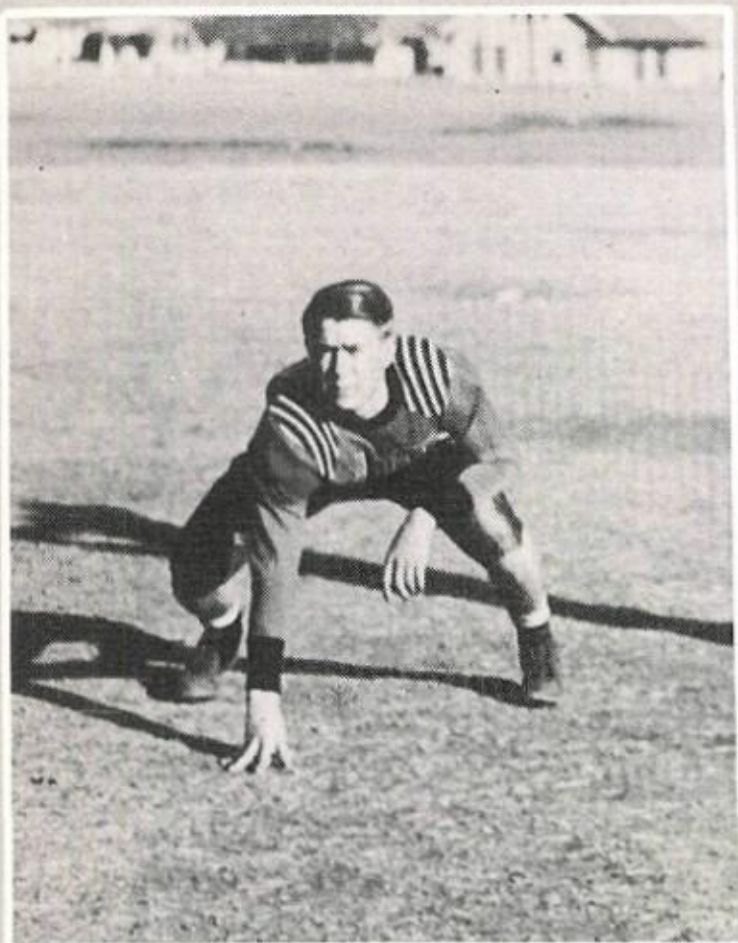

BARNEY BROWN

Barney is a back who played his third year with the Coyotes. Although he seldom started a game, he was looked upon as a valuable substitute.

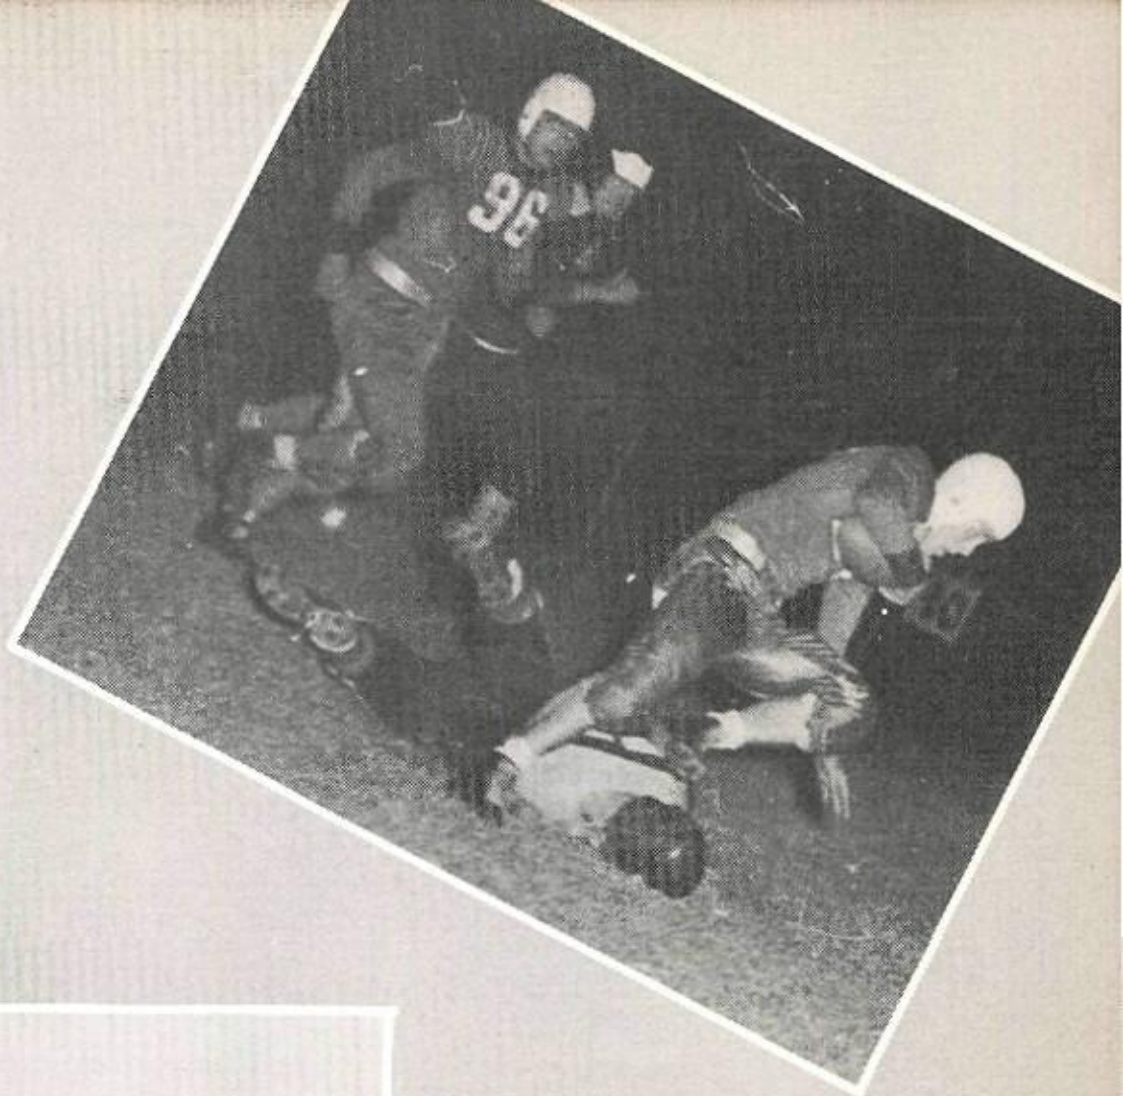

Electra's goal-line stand holds a vicious Coyote thrust.

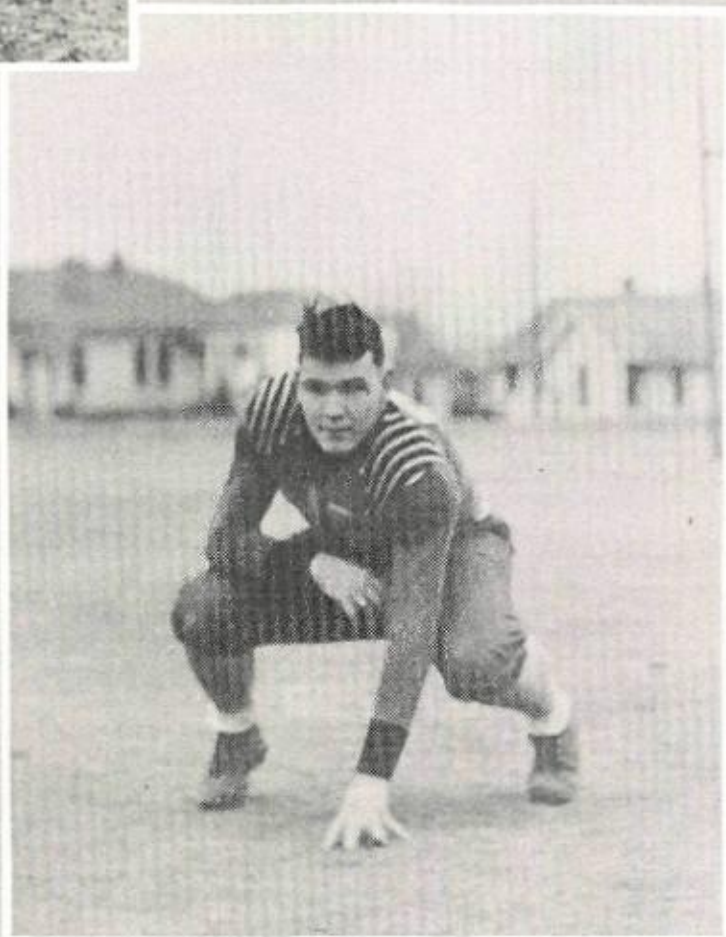

OSMOND WARREN

Osmond was a reserve guard on the "A" squad. His lack of weight and the tough schedule kept him from the lineup much of the time.

COYOTES 25, VERNON 6

At last the Coyotes wreaked vengeance for last year's defeat.

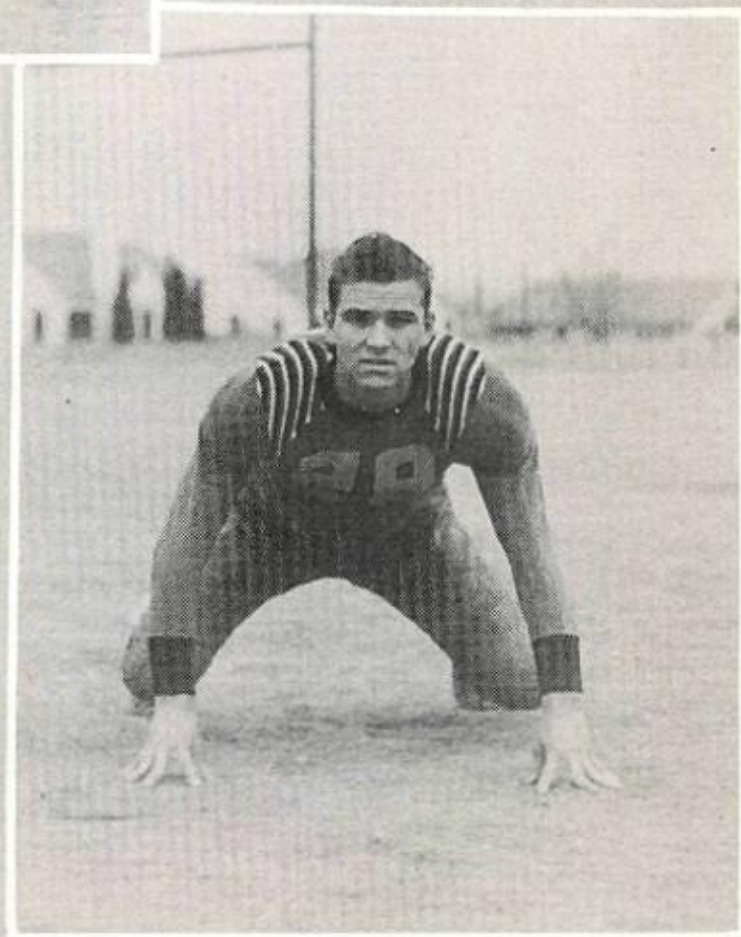

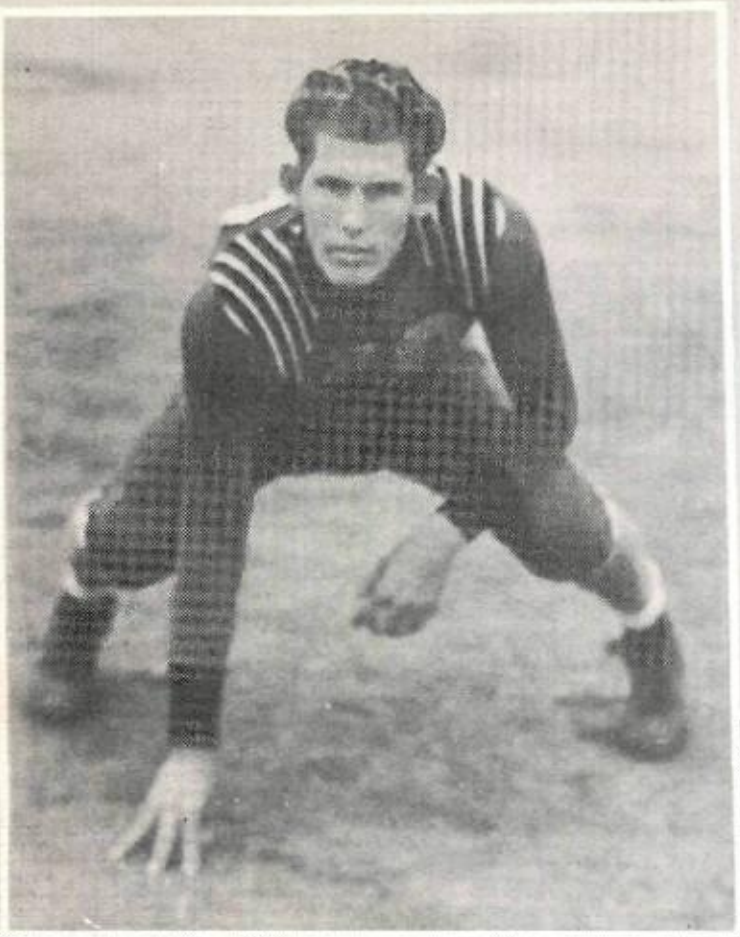

DALE McABEE

Another one of the reservists was Dale McAbee. He was among the most capable of the linemen last season.

ROBERT MAYES

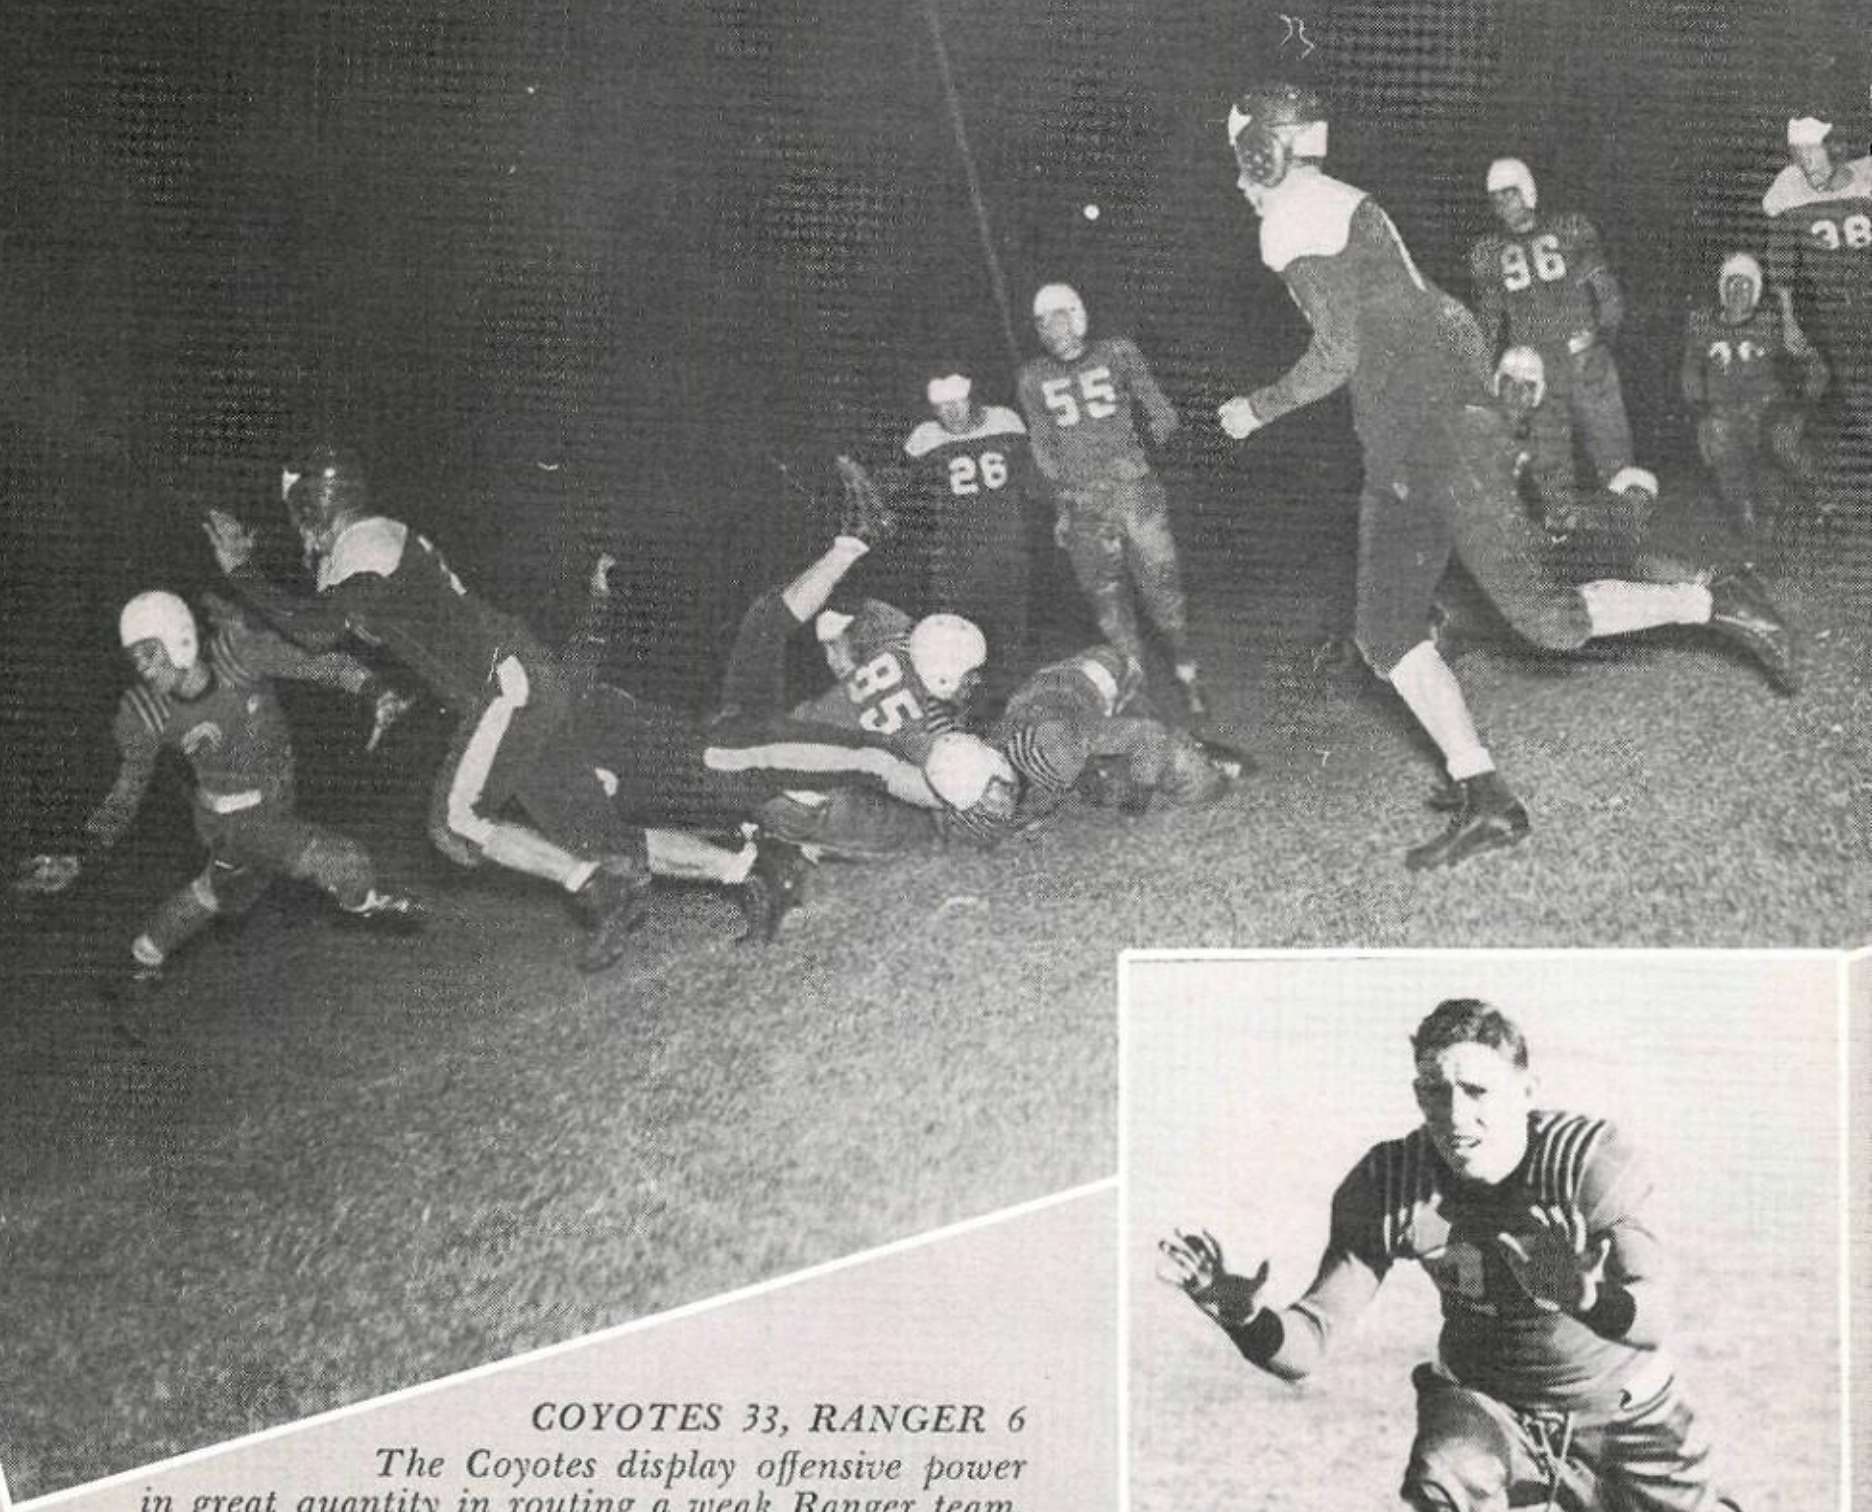

Only lack of experience prevented Robert from breaking into the lineup in the Coyote games. He was among the best of the reserves.

ROY LEE HARMON

Roy Lee Harmon is an end who was injured early in the season. He is an excellent place-kicker and will be back next year to prove his ability.

COYOTES 33, RANGER 6

The Coyotes display offensive power in great quantity in routing a weak Ranger team.

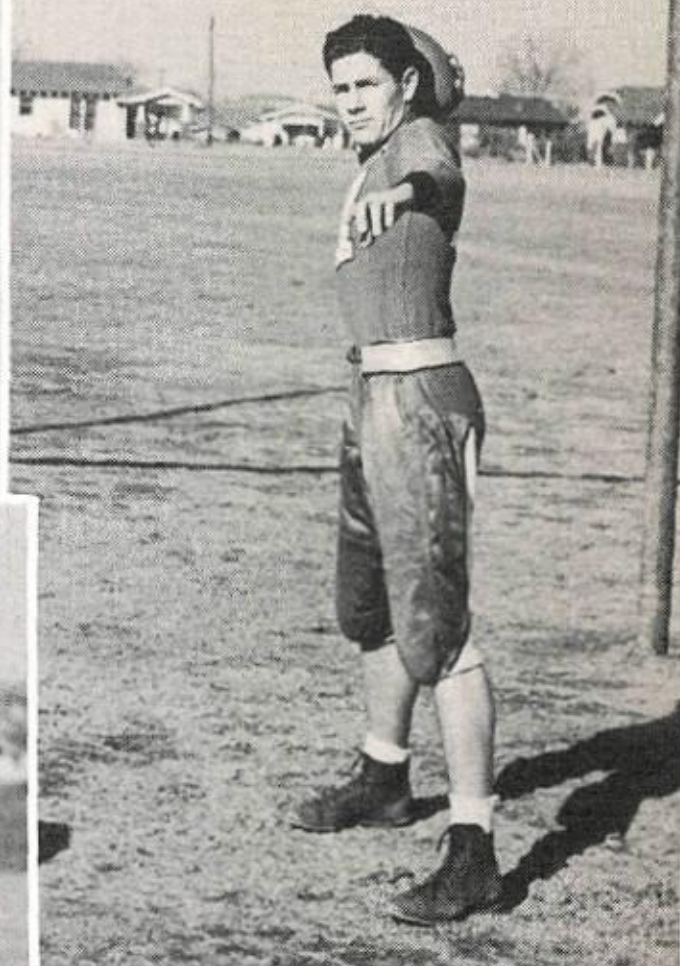

BILL ANDERSON

Billy Anderson is a junior back who first starred in the Ranger game when he made two touchdowns. He is small, but fast and shifty, and has proved best for pass defense.

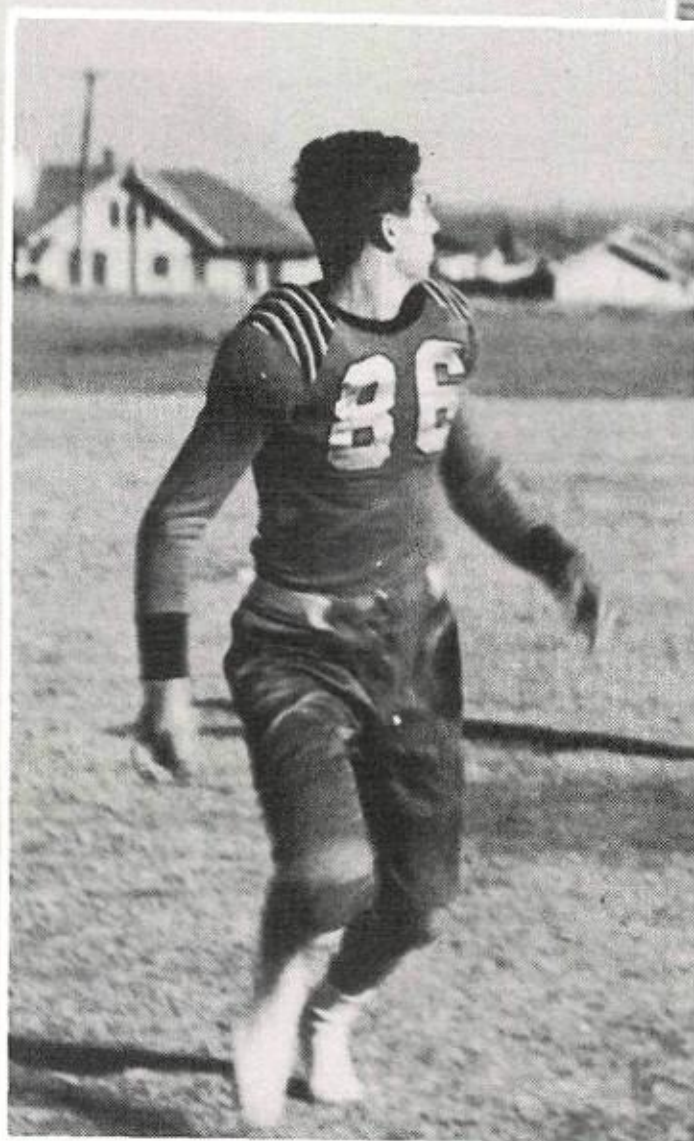

ELLIS ORT

Ellis was an expert passer and punter. The fact that he was Holder's substitute kept him from the lineup much of the time. Still he was of great value to the Coyote team.

R. C. JOHNSTON

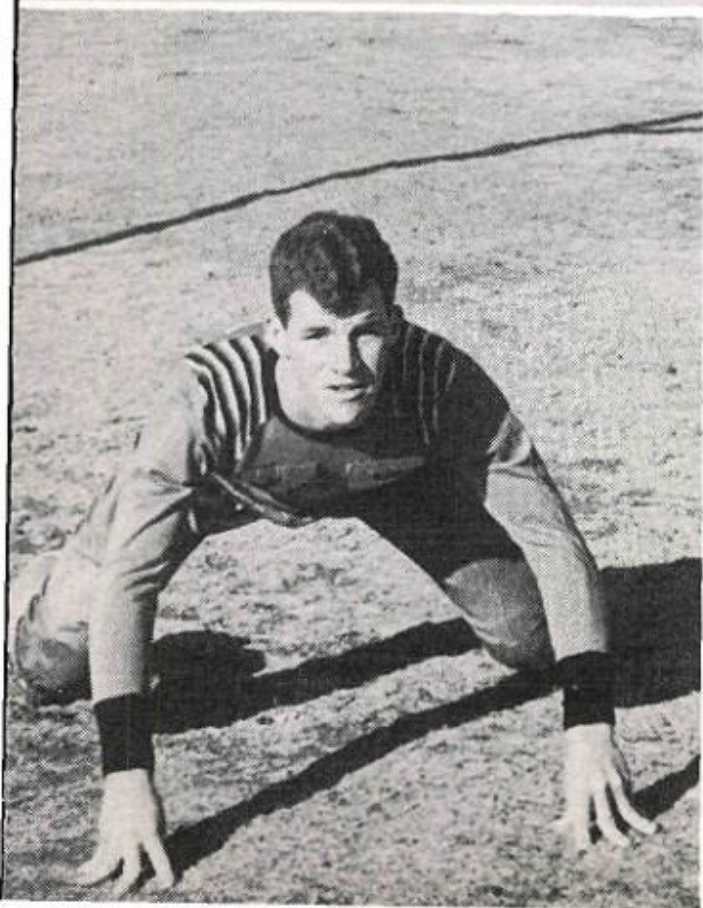

R. C. Johnston was, next to Holder, the most reliable of the backs. He played most of the games without relief and was used much as a line plunger. His educated toe accounted for many points.

The COYOTES in 11 games scored 168 points to their opponents' 99. In the 11 games, they came out victors in 6 and were defeated in 5. They won 4 conference games and lost 2.

KENNETH TASKER

Kenneth Tasker, a guard of the 1939 team, played in almost every game. His brilliant offensive, as well as defensive, play marked him as one of the best of the line.

GAMES

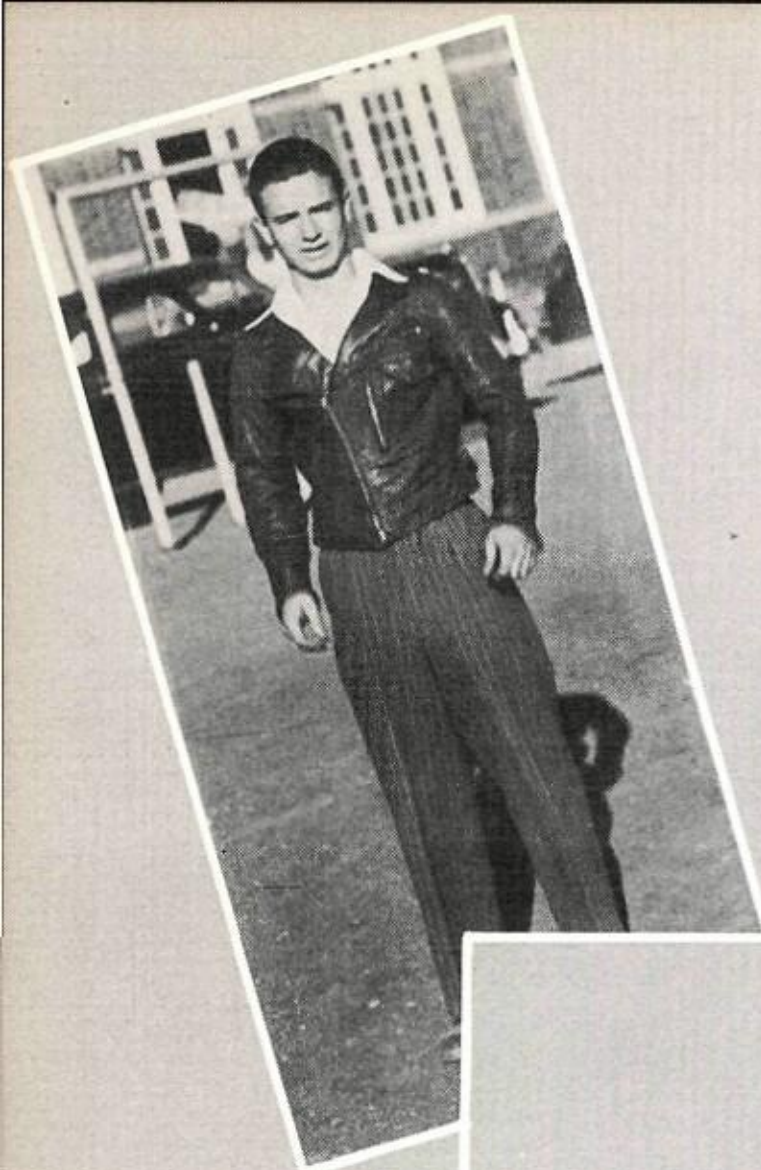

| | | | |

Tyler
Owen

Ray Tatum

R. C.
Johnston

Track

TYLER OWEN

In the upper lefthand corner is the picture of Tyler Owen, one of the best track men WFSH has turned out in many years. He excels in three field events: the javelin, pole vault, and high jumping. He placed in district in 1938-9.

RAY TATUM

Tatum, by long and tiring workouts in practice, became proficient in his chosen race, the 440-yard dash.

CURTIS HOLDER and R. C. JOHNSTON

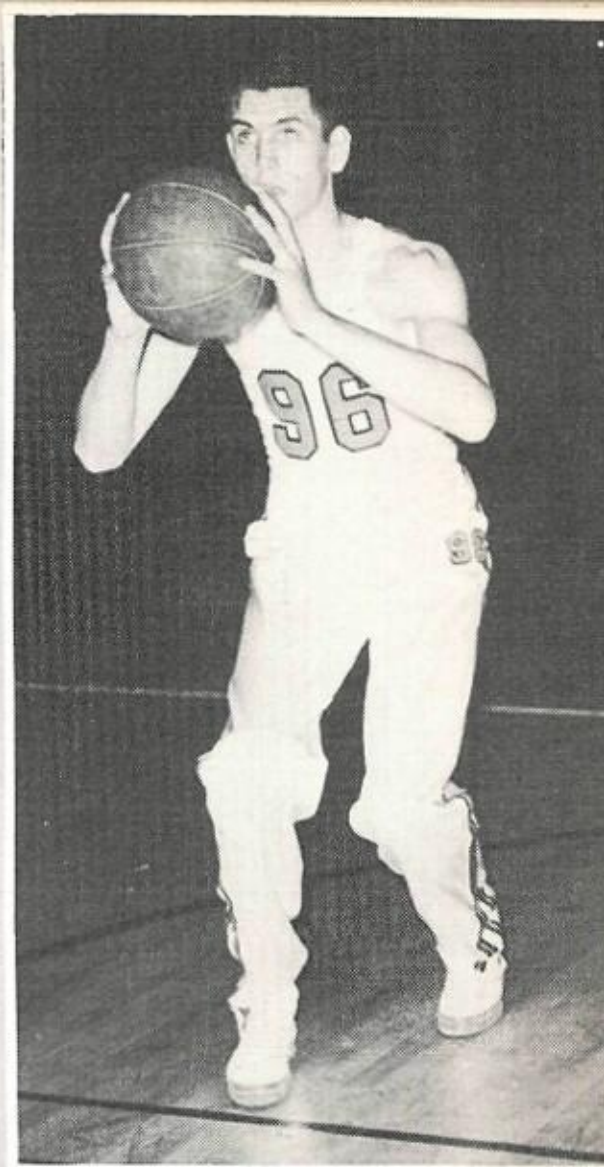

These two carried off all the sprint honors the Coyotes won last year. R. C. and Curtis performed best in the 100 and the 220-yard dashes.

Curtis
Holder

Basketball

MAX BAUMGARDNER

A forward who has faithfully fulfilled his position as a forward. He will return to be a star letterman next year.

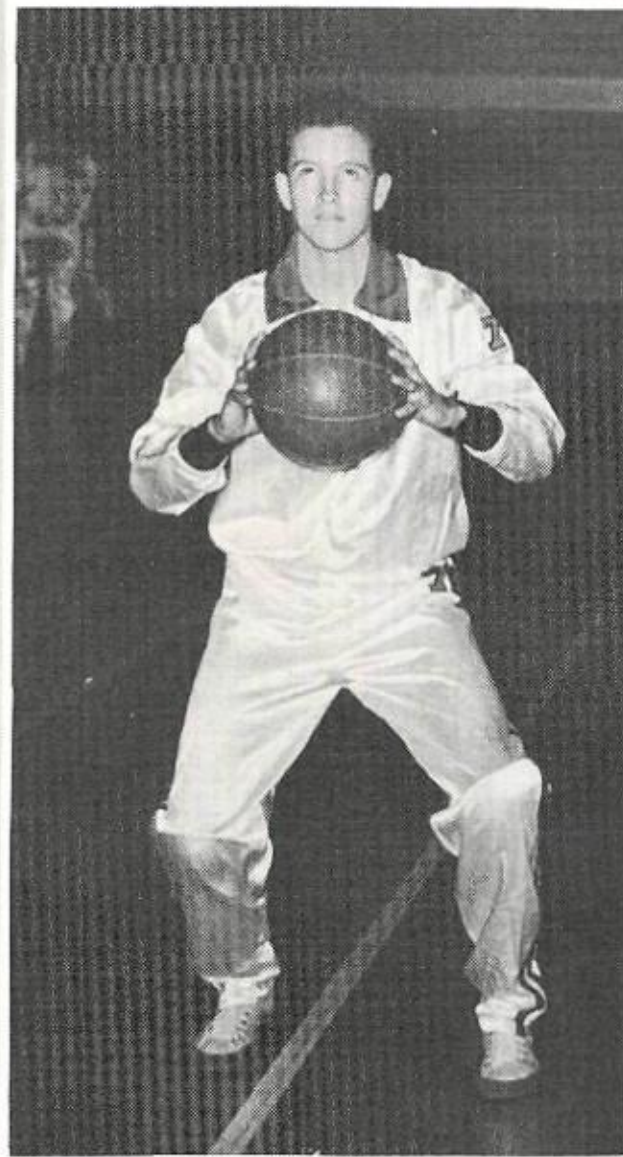

PHIL BOLIN

Phil was a starting guard of last season and did a very good job of filling his position. He will return next year.

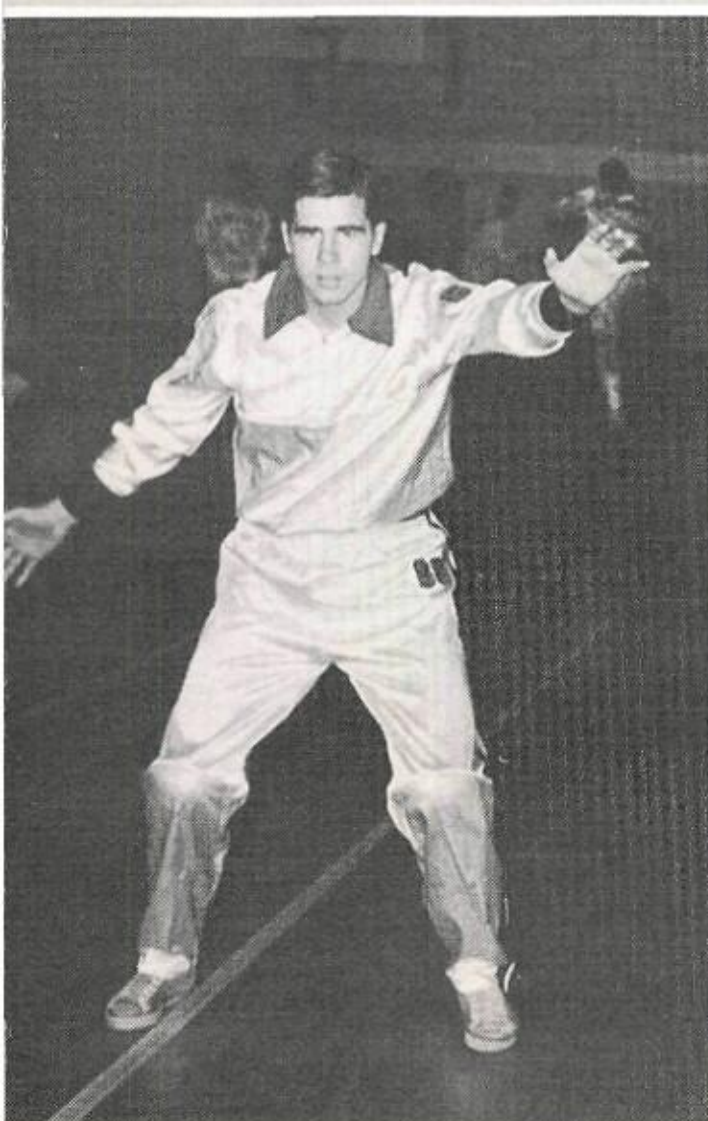

McCHARLES HUFF

Huff was a guard who filled his position excellently last season and was the efficient letterman of the team. He will return in the lineup of next year's team.

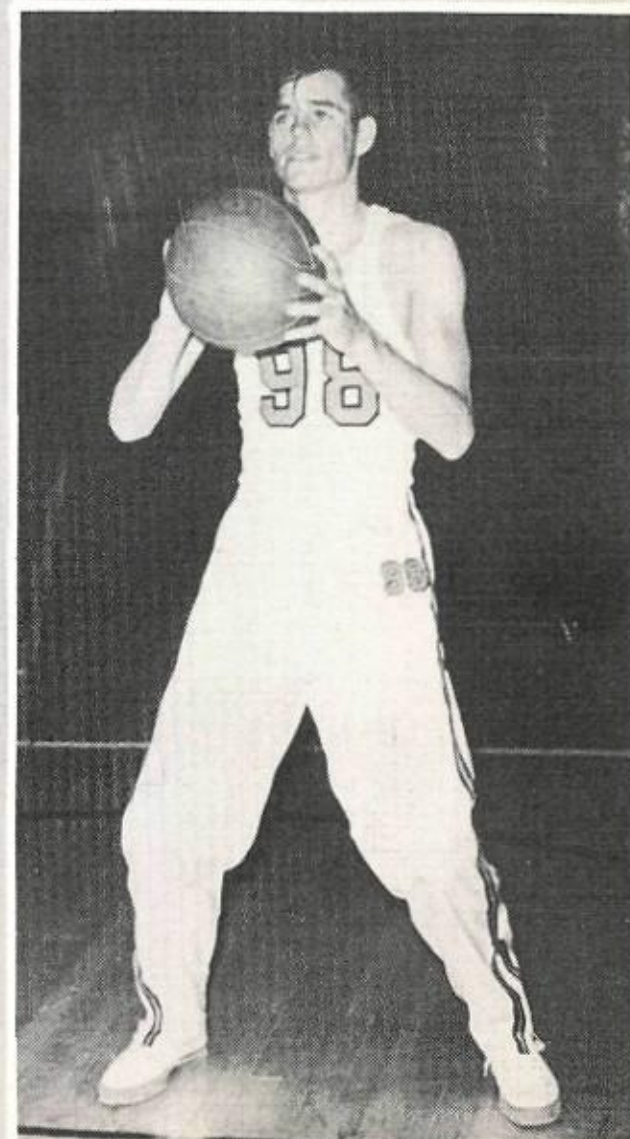

LEO STEINKOENIG

Leo played center, stepping from center position on the football to the basketball team. He was a co-captain with Owen and was second to Owen in total points. Leo, being a senior, must bring to a close his Coyote record.

TYLER OWEN

He played forward, proving to be the fast man of the squad, holding this title throughout the season of this year and last. He was a co-captain with Steinkoenig and was high score man for the team.

FRANK MADDOX

Frank was handicapped by an injured knee when practice started. However, he quickly made up for lost time when his knee healed. He, with Owen and Steinkoenig, will graduate this spring.

Graham defeats the Coyotes 34-29 in the semi-finals of the district meet.

PHILLIPS CUNNINGHAM

A junior star this past season as center is this lanky player. Much is expected from him in his senior year, both because of his height and ability.

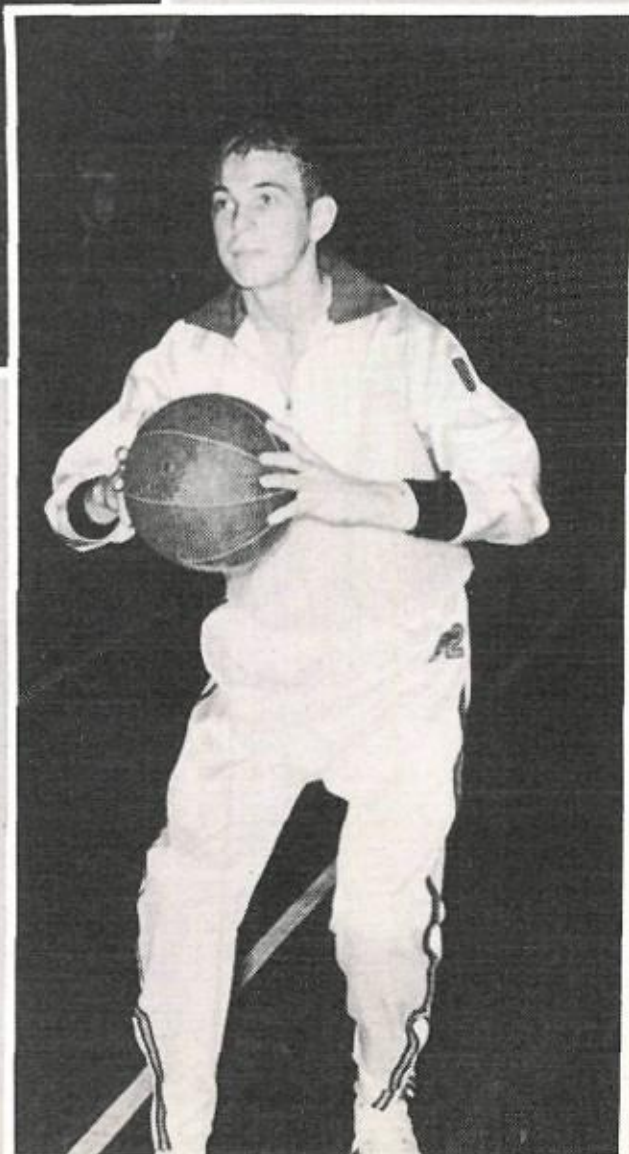

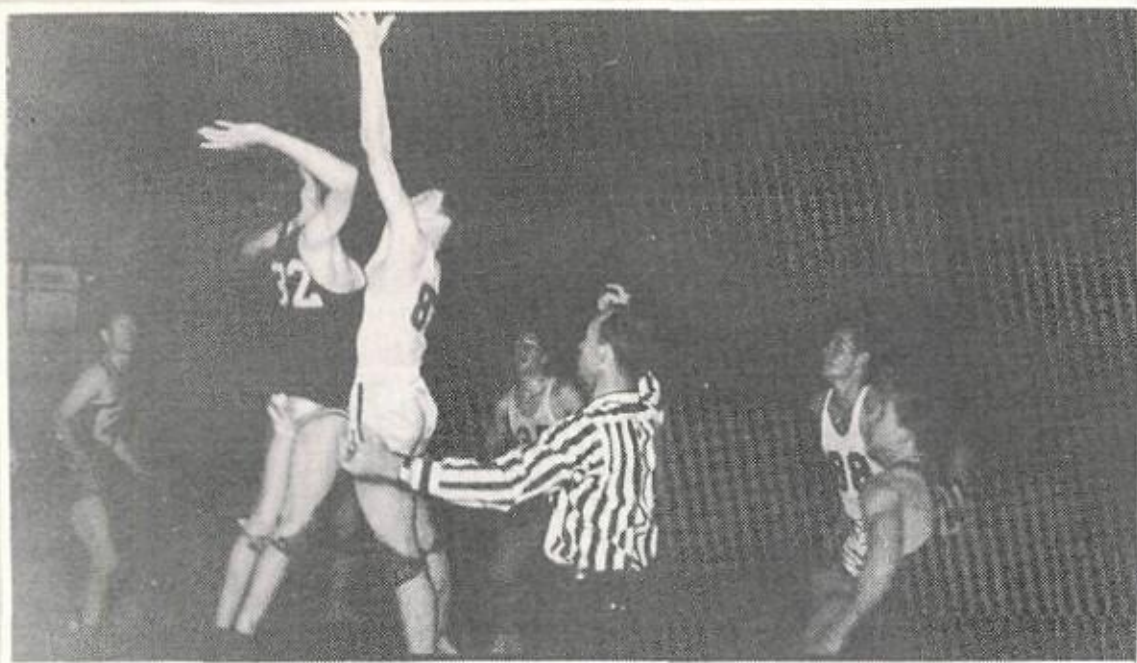

STANLEY WILLIAMSON

He is a guard who has made perhaps the most improvement during the past year. He is one who has promised to start regularly next year.

JIMMY CASTLEDINE

Jimmy will return next year and will help greatly in developing a great team. He plays guard and is one of the best players returning.

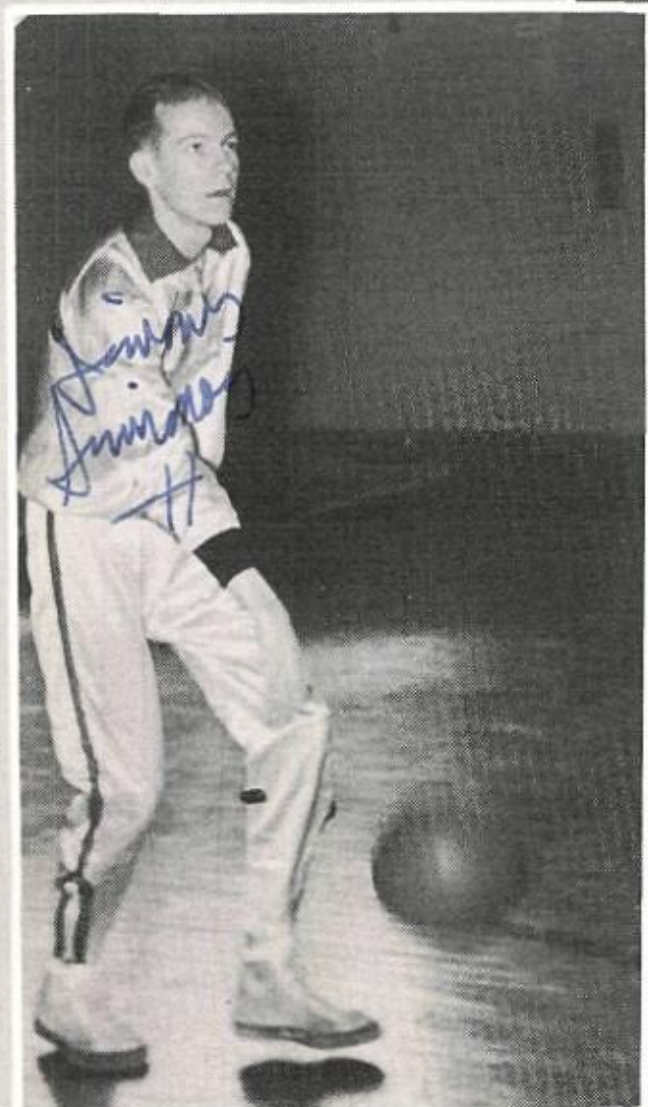

Coyotes 23, Iowa Park 18

DAVID SMITH

A guard who also was one who came up last season from the B team to the A team. He will be a strong contender for a regular guard position on the A squad for next year.

JIMMY SIMMONS

Jimmy is a forward on the A squad reserves now and is expected to be one of the most brilliant stars of the team next year.

JACKIE PARKER

A good forward who came up from the B squad of last year. He is one of our expectant stars for next year.

DICK FRAZEE

Ever since the days of WFSH, there has been a Frazee on the basketball team; and Dick well lives up to the standards left by his brothers. He plays his position of forward with great ability.

Boys' Tennis

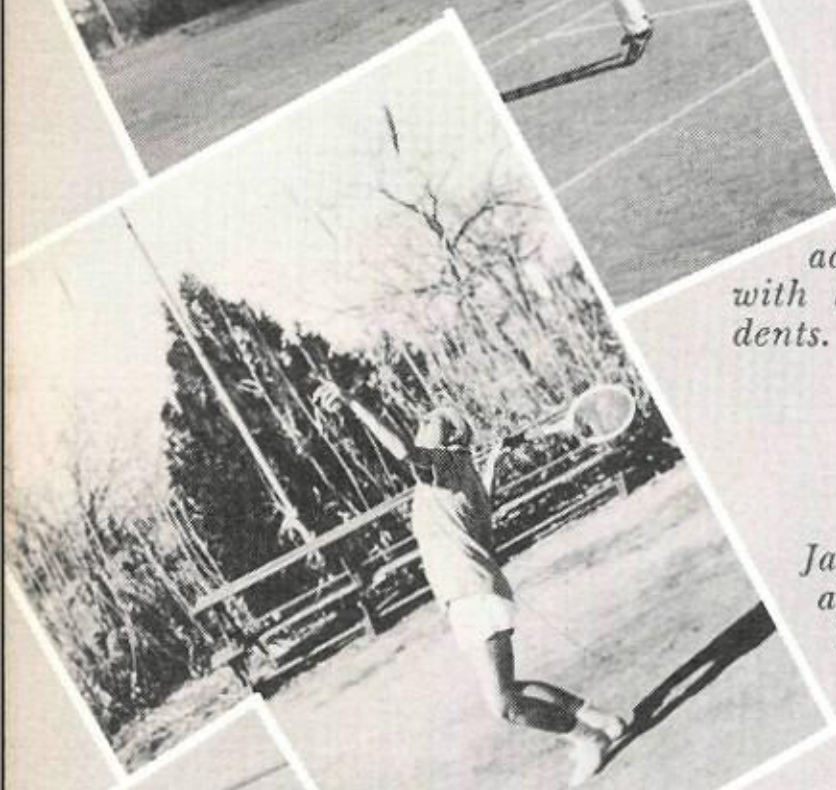

*"Cream of the Crop"
McCarty, coach, and
four champions.*

No tennis club this year—that's been a bit of sadness in the lives of some of the enthusiastic boy and girl supporters of this sport in WFSH. Yet the group, mainly under the direction of Tom McCarty, has entered tournaments, won and lost, and has gained much good experience. Jack Hayden, in a series of school tournaments, came out on top to represent his school in the Interscholastic League singles contests. The superb team of Ed Biggs and Gormley Holman was chosen to give opponents tops in competition throughout the doubles events. Tennis is a favorite sport of Principal Rider. WFSH has excellent prospects for next year's team with Frank Bowdle, Larry Moore, and Dub Hamilton.

*Principal Rider in
action. He still plays
with the best of his stu-
dents.*

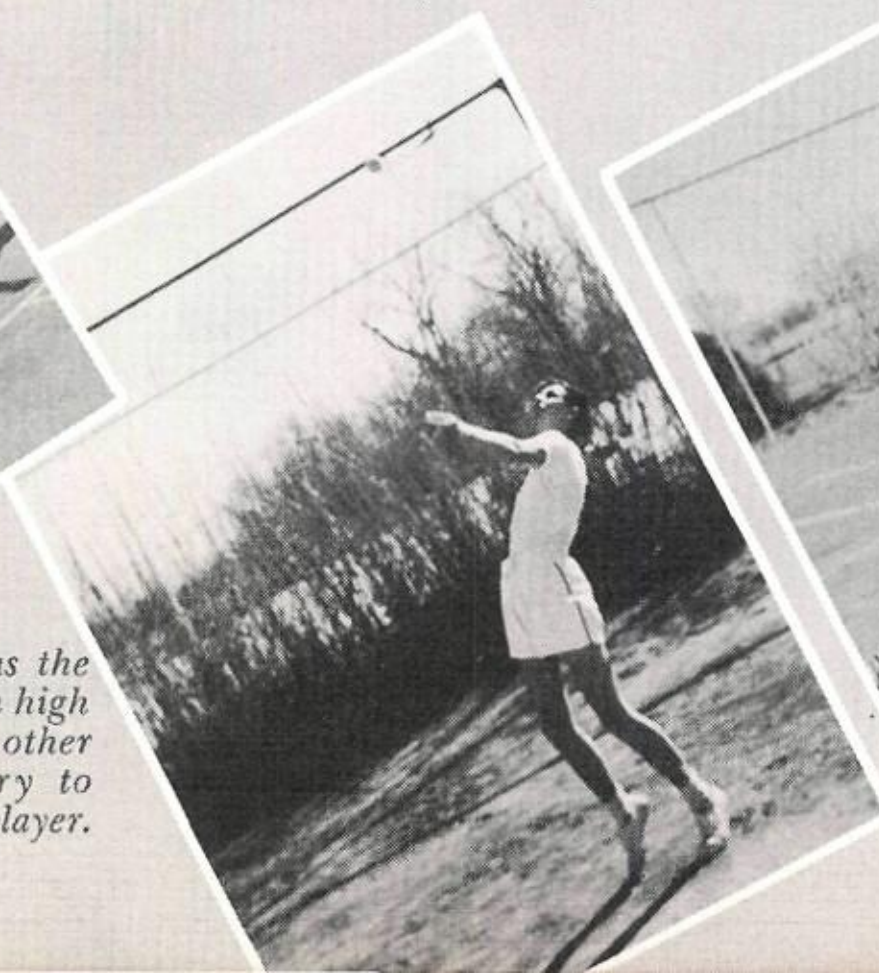

*Jack Hayden became champion by the
aggressiveness of his game. His serve
and ground stroke are placed with
terrific power, making him the most
feared player in WFSH.*

*Ed Biggs is noted for his fine,
all-round game — a beautiful
serve, excellent ground strokes,
and a superb net game.*

*Holman has the
best net game in high
school with all the other
essentials necessary to
make him a good player.*

*Don't be fooled.
Bowdle is a cham-
pion, not the
racquet boy.*

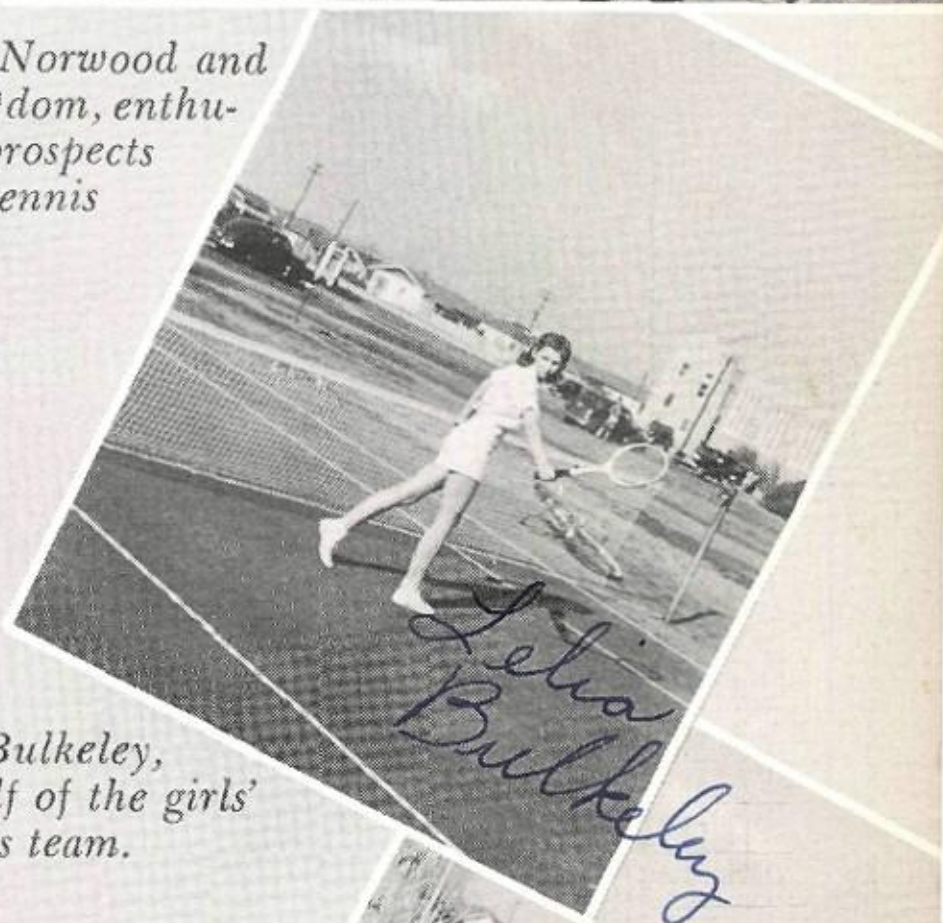

Girls' Tennis

Shirley Hathorne, winner of the school tournament, represented WFSH in the Interscholastic League contests for girls' singles. The main doubles team was Lelia Bulkeley and Marian Lee. There were a number of other prospects who lacked a bit of the necessary practice to be outstanding.

Ada Ruth King and Alice Lou Miller have been the best girls' doubles team to represent WFSH since Jane Johnson graduated. They won the district doubles last year and two weeks later were victorious in the regional meet at Denton. They were later defeated in the State finals at Austin. Their graduation last May was a great blow to the tennis hopes of WFSH.

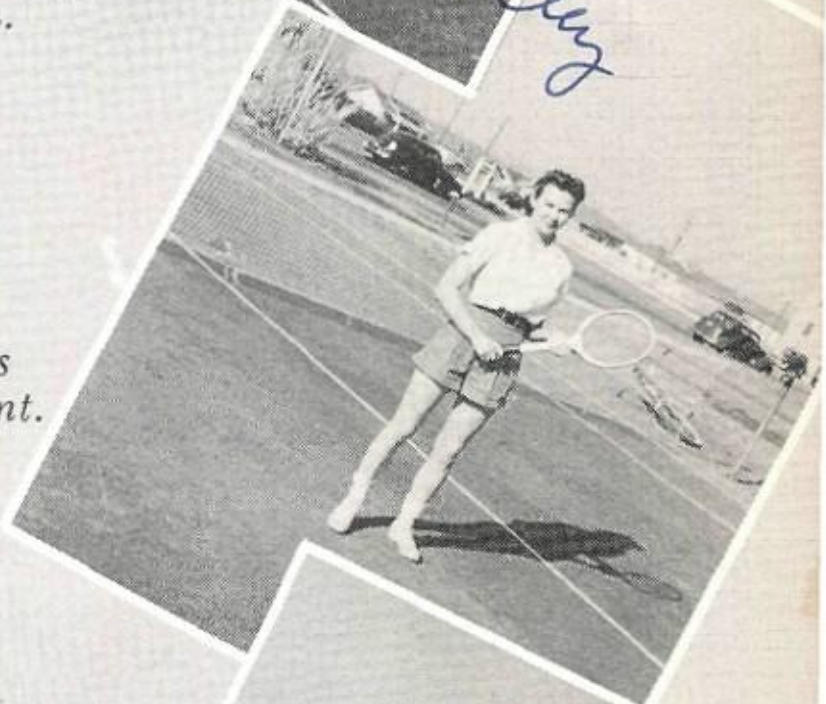

Mickie Norwood and Peggy Odom, enthusiastic prospects on the tennis court.

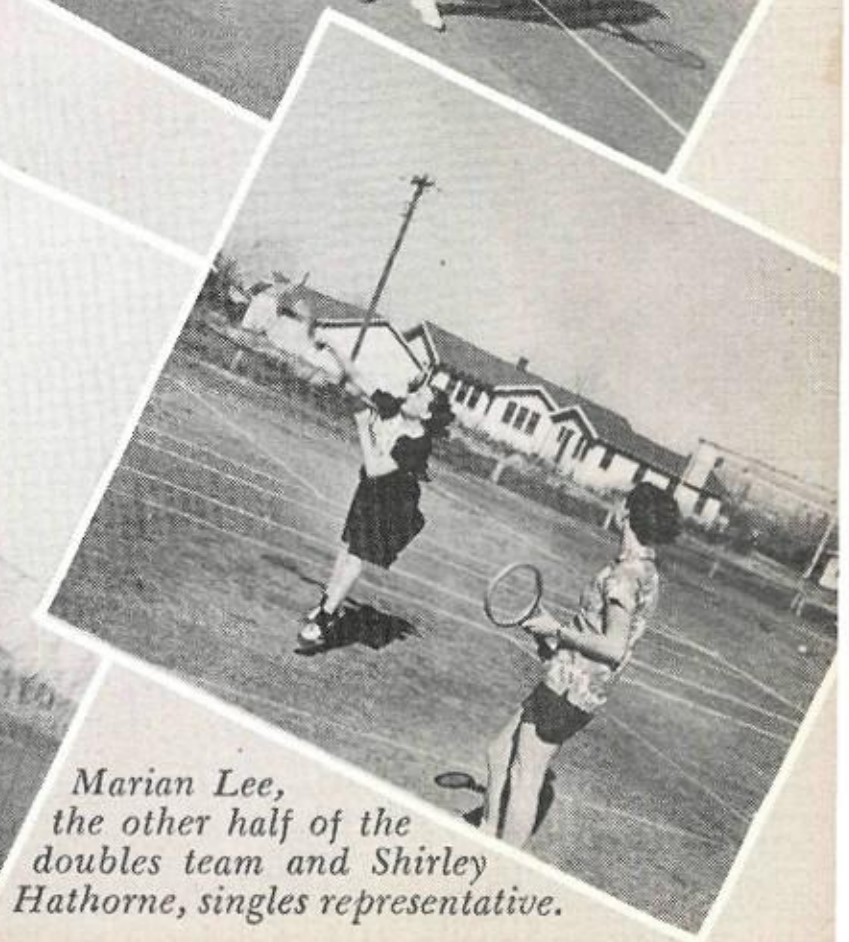

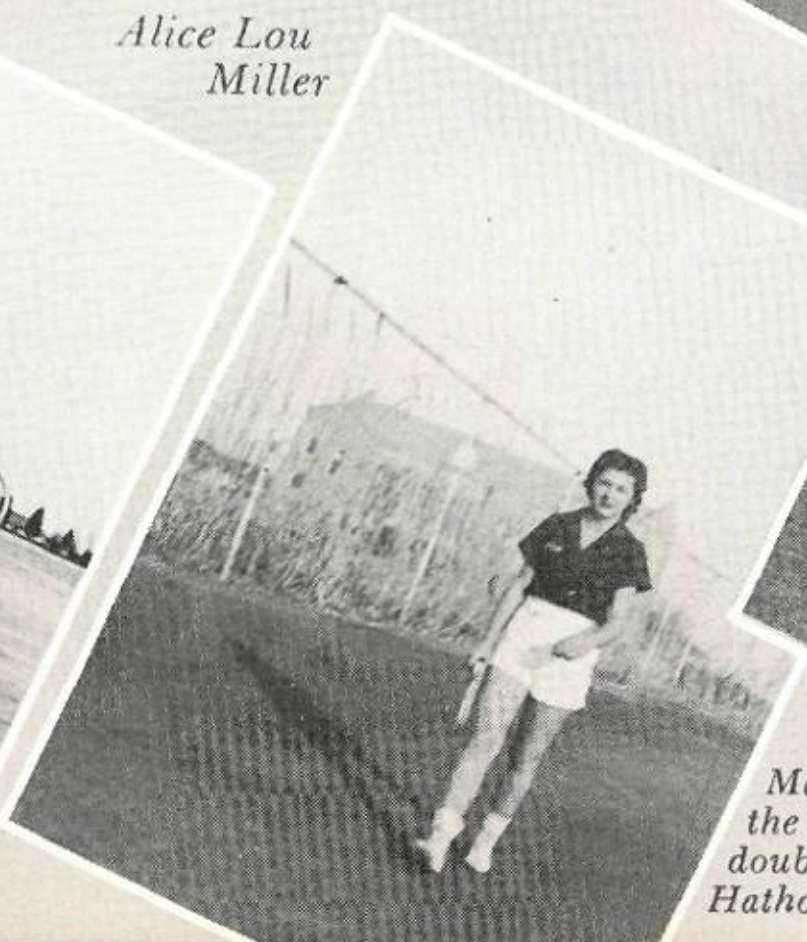

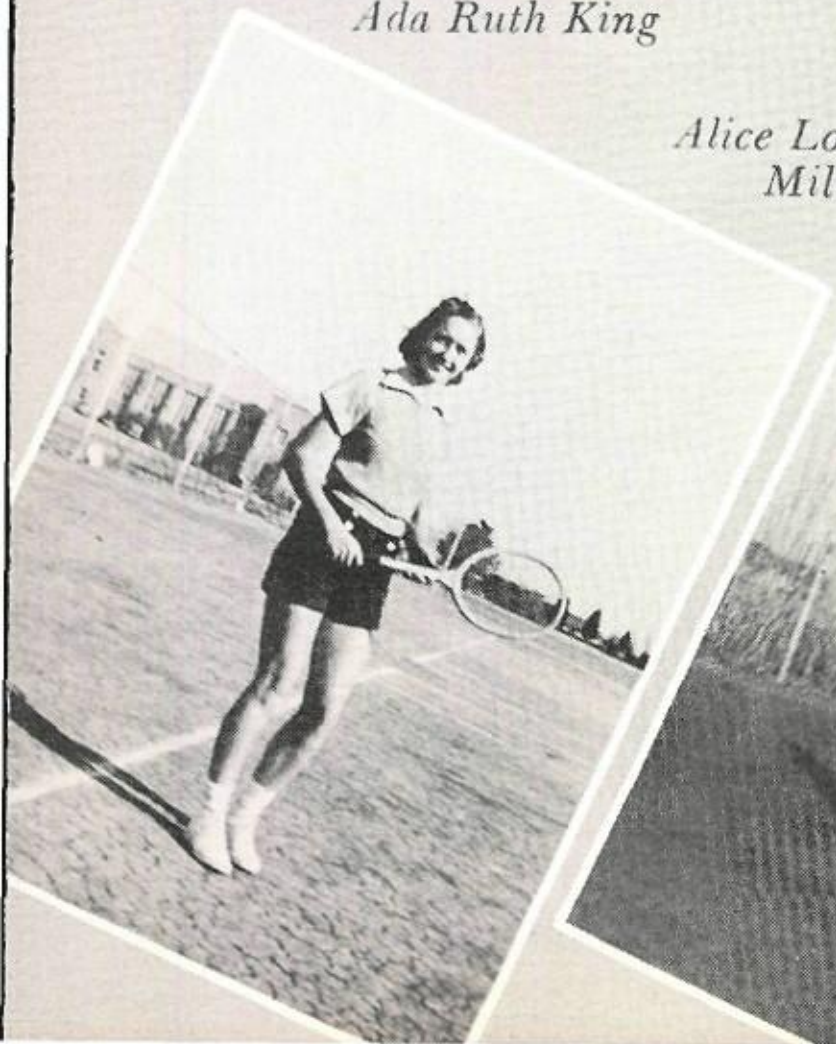

Lelia Bulkeley, one-half of the girls' doubles team.

Juliaett Merrill, one of the tryouts in the tournament.

Ada Ruth King

Alice Lou Miller

Marian Lee, the other half of the doubles team and Shirley Hathorne, singles representative.

Editor's Note

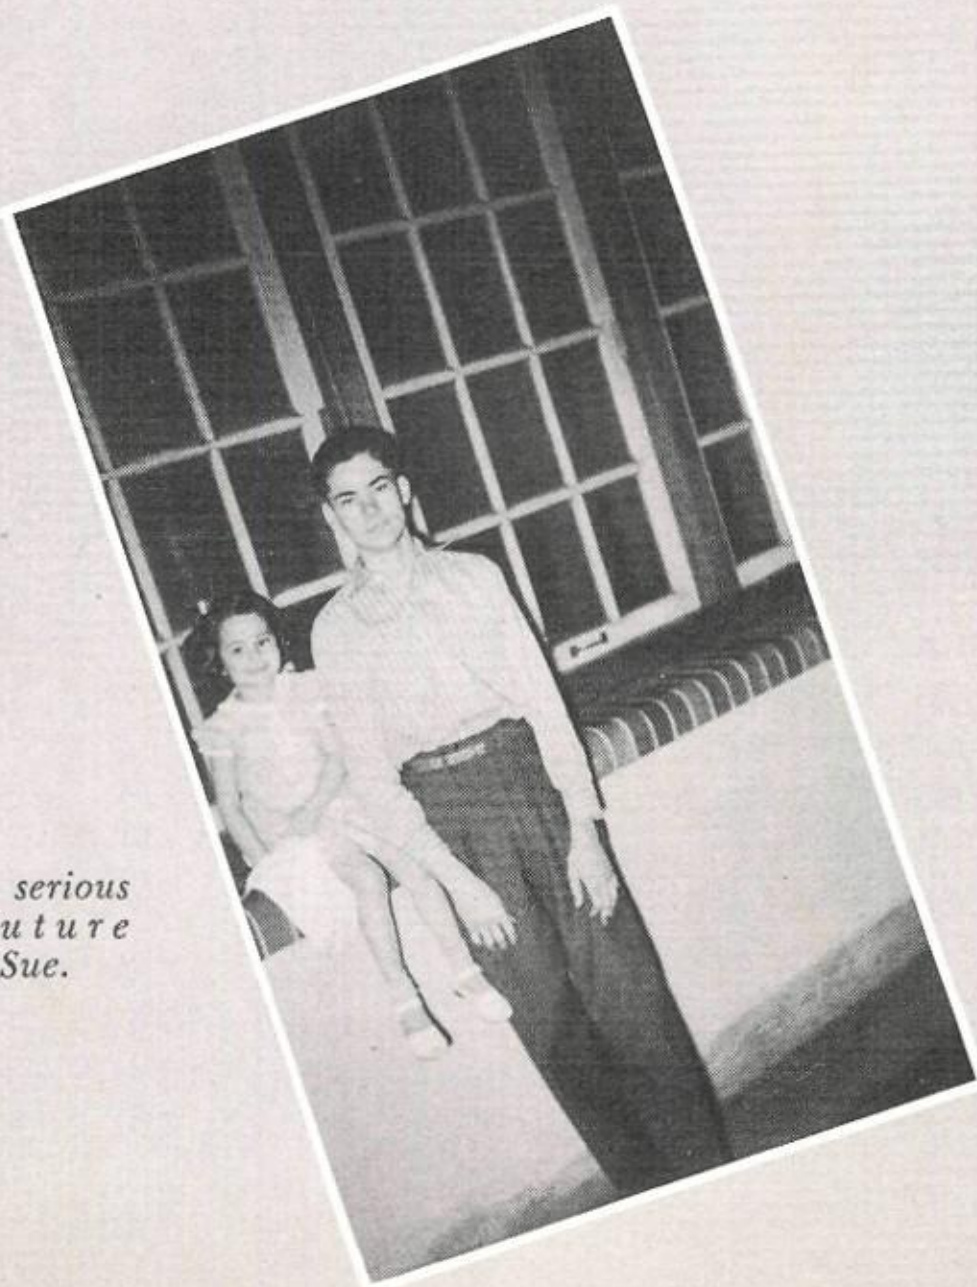

Now we come to the end of another COYOTE and another year at WFSH. We sincerely hope that this book will bring you as much pleasure as it has brought us who compiled it. We wish to express our thanks to those who so ably assisted us in giving you this annual.

We owe our deepest appreciation to Mr. A. K. Presson and the office force, who spent many hours checking our lists and classifying the students.

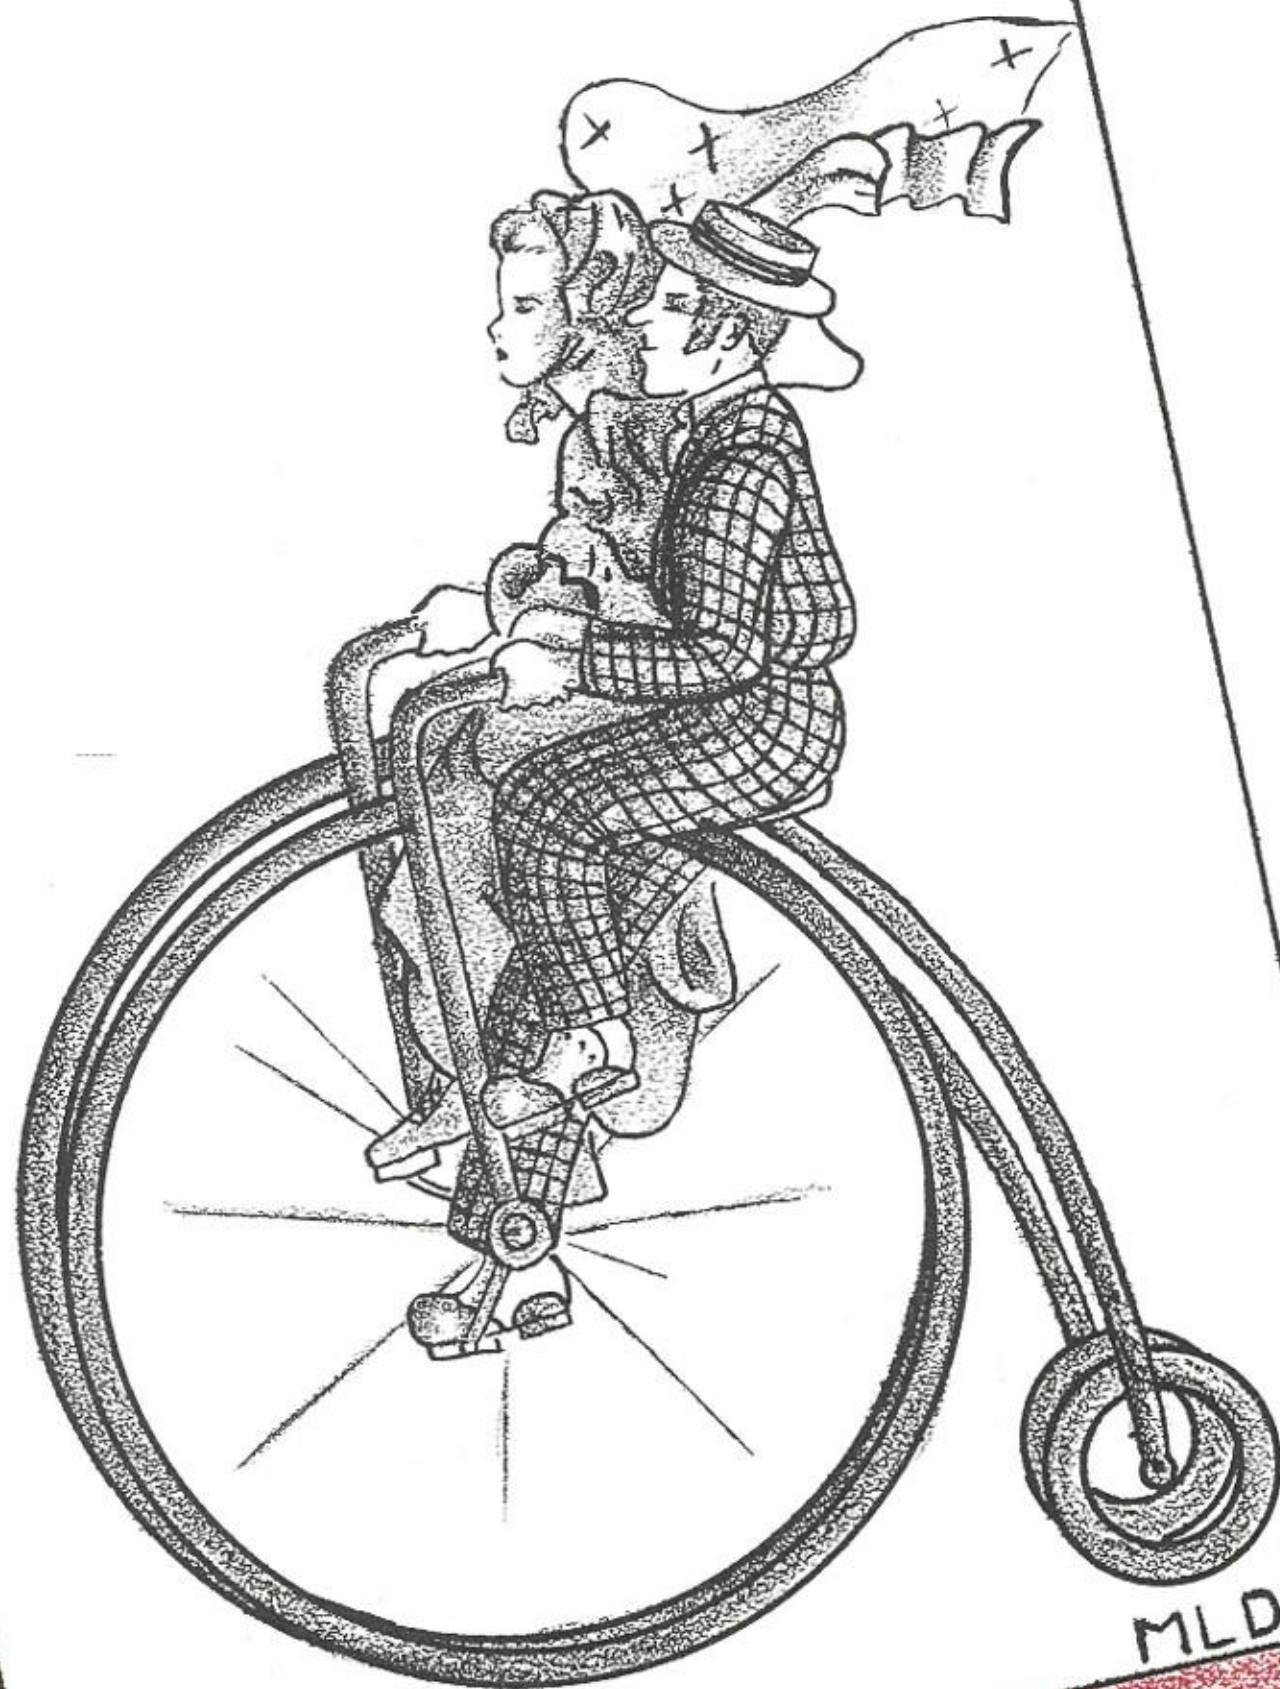

We would like to acknowledge Mr. Clyde Bartlett, who made most of the photographs for the class sections and football games, Mr. G. Soderlund, and Mr. Ted Roberts, who made the pictures for the favorite section.

The typing class aided us immensely by typing announcements and copy sheets. The Coyote News helped to put over our picture drive and subscription campaign by giving the COYOTE lengthy write-ups and free advertising space. There are others whose names we do not have room enough to mention, but we extend them our gratitude for the services they have rendered.

In conclusion, the editor would like to state that all ideas and drawings appearing in the 1940 COYOTE are entirely original. Credit for them is given to Miss McGaughy and the Art Department.

Harry Myers in a less serious mood, entertaining a future WFSH Miss, his sister Sue.

Dear Junie
 I think you
 are wonderful
 more a gal than
 a girl
 I love you
 Susan

Dear Junie -
 Just add
 my best wishes
 to all of the
 other nice things
 in the book and
 you'll be on top -
 You really are
 the sweetest, ever.

Love,
 Betty Jo Jones

Dear Junie -
You are a swell, sweet
girl; and I hope you
lots of luck and happi-
ness.

Love,
Margaret Hall

Dear Junie,
May the best
of everything be yours.

Heaven Angel

Dear Junie,
best in I wish the
world
and may you have
a splendid several
year. May bad luck
follow you, but never
catch up with you
Love,
Billy Lee

Dear Junie,
You are swell
lots of luck
happy times.
Betty Heaven

Here's to a swell
girl with a
grand persona-
lity.

Lots of luck,
A. J. Bradden.

Junie -
For a girl I
haven't know
very long you're
really swell.
Lots of luck.
Don McIner
